Office of the Director of Educational Program

Michael Szymendera, Ed.D.

Dear Parents/Guardians,

I am pleased to share the following information regarding the T/E School District's 1:1 Technology Initiative, which will provide all students with a District device during the 2025-26 school year.

Using a District Device

Expectations and rules pertaining to the use of a District-provided device are outlined in the following documents:

- [Board Policy](#) and [Administrative Regulation 5414](#) – *Electronic Communication Devices: Use by Students*
- [Board Policy](#) and [Administrative Regulation 8080](#) – *Acceptable Use of Technology*

By picking up a District-provided device, you are acknowledging the terms outlined in the above Board Policies and Administrative Regulations.

Family Cost-Sharing Fee

Families of students in grades K-4 are asked to pay an annual cost-sharing fee of \$15 per student, and families of students in grades 5-12 are asked to pay an annual cost-sharing fee of \$50 per student. This fee covers Accidental Damage Protection for the device, as well as a case and set-up/maintenance of the device. There is a maximum annual family fee of \$100. The fee can be paid online in advance via PowerSchool (log in to powerschool.tesd.net, click "Payments" on left side of page) or by check (made out to TESD) when the device is distributed. If paying by check, please include your child's Student ID on the memo line of the check. Please contact your child's counselor or administrator prior to your child picking up their device if the cost-sharing fee poses a financial hardship for your family. Additional information regarding the family cost-sharing fee can be found at www.tesd.net/laptops.

Grade-Specific Information

Elementary School: Students will receive an iPad and case. All iPads will be distributed to students during the school day in the opening days of the school year.

Middle School: Students in fifth grade will receive a Dell Chromebook. All other grades will use a Dell Windows laptop. District laptop pick-up times are available prior to the start of school for fifth graders and any students new to the middle school:

- August 14, 15, 18: 10AM-2PM, TEM Library/VFM Library

High School: Students will receive a Dell laptop. District laptop pick-up times are available prior to the start of school for ninth graders and any other students who do not already have a District-provided laptop:

- August 14, 19, 22: 9AM-12PM & 1PM-3PM CHS Library (enter through bus circle doors on Conestoga Rd.)

Any Middle or High School students who are unable to pick up their laptop prior to the start of school will have the opportunity to pick up their laptop in the library during the opening days of school.

Please feel free to contact FamilyHelpDesk@tesd.net with any questions regarding the 1:1 Technology Initiative. We are excited to offer this opportunity to our students as part of our continuing efforts to support innovative teaching and learning in the T/E School District.

Sincerely,

Michael Szymendera, Ed.D.
