

2025-26 MAGNET TRANSFERS

Students may apply for transfers from their home-zoned schools to magnet schools for the purpose of participating in magnet programs. For more information on the magnet transfer application process and procedures, please click on [Enrollment](#) or [Magnet School Programs](#) sites or contact the magnet office at 985-748-2556.

Elementary (grades PreK - 8): For Magnet Transfer students to remain at the same magnet school from year to year, parents must complete a *Letter of Intent* confirming their child's return. When a student completes the highest grade offered at their current elementary magnet school, parents must submit an **online Magnet Transfer Application** to apply for placement in another magnet school. If no application is submitted, the student will attend their home-zoned school. Once approved for high school, Magnet Transfers will continue through **grade 12**, provided the student meets all requirements outlined in the Magnet Contract.

Transportation: *Transportation of students is provided to magnet schools using community group stops, if available.* There is an exception for Montessori schools: Students who reside north of Highway 40 may receive bus transportation to Roseland Montessori, and students who reside south of Highway 40 may receive bus transportation to Hammond Westside Montessori, both using community stops, if available.

<u>NORTH ZONED</u> MAGNET SCHOOLS	MAGNET SCHOOL	TYPE OF MAGNET PROGRAM(S)
