

Dear Region 10 Students and Families,

It is both an honor and a privilege to join Region 10 as your new Superintendent. I step into this role with deep respect for the history, pride, and dedication that define this learning community. It's clear that the towns we serve care deeply about their schools—and that commitment shines through in the daily work of our educators, staff, families, and community members.

Over the coming weeks and months, I look forward to listening closely, learning from your experiences, and discovering what makes Region 10 such a special place. I believe strong leadership begins with trust—and trust is built through relationships. My goal is to support the incredible work already underway and to partner with you in ensuring that every student has the opportunity to thrive in a safe, caring environment where every student feels they belong.

Everything we do should center on what's best for students. That belief will guide my decisions, advocacy, and daily actions as your Superintendent. I look forward to meeting you, hearing your stories, and learning how we can continue to make Region 10 the very best it can be—for every student, every day.

I can't wait to get started!

Sincerely,

Fran Thompson, Ed.D.
Superintendent (beginning July 1)
