

Dear Parents and Students,

Caswell County Schools is excited to launch **Infinite Campus**, our **new Student Information System (SIS)** platform. This tool will help us improve communication and ensure you have real-time access to important student information, including grades, schedules, attendance, and announcements. We encourage all parents/guardians to activate their **Parent Portal account** as soon as possible. Follow the steps below to get started:

✓ **Step 1: Set Up Your Account**

Visit the following link to begin setting up your Infinite Campus Parent Portal account (best accessed from a computer): <https://portalaccess.ncsis.gov/>

- To obtain the student ID, ask your student or visit your child's school in person with a valid photo ID. It is the same number as last year.
