

ABOUT US:

Chartered in 1804, Hebron opened its doors to students in 1805. From its beginning, Hebron has been an inclusive, supportive educational community that values individuality and respects differences.

For more than two centuries our mission and core values have remained consistent with the school's original charter—that our students be taught liberal arts and sciences and educated to revere life and to respect and honor individuality.

Rooted in Maine, we cultivate trailblazers.

EDIE Program In order to equip our students to be innovators and leaders in this unprecedented age of global change, we offer the EDIE (Engineering, Design, Innovation, Entrepreneurship) Pathway. In this unique and holistically interdisciplinary curriculum, we immerse students in our area's landscape, heritage, and experiences to provide tangible opportunities to solve problems related to technology, community-building, ecology, food systems, and health and wellness.

Intermezzo For a full week each year, students take a break from their traditional academic schedule to immerse themselves in one course of study. Students choose from a wide menu of topics, trips, and skills designed by Hebron Academy faculty. Students travel throughout the state of Maine and New England to visit museums, geographic sites, learn about trades, or stay on campus to dive into subjects like baking, ceramics, and writing.

The Maine Experience/Outdoor Education Through inspiring wilderness adventures, Hebron students build confidence, character, and community. Our diverse landscapes create opportunities for student growth beyond the classroom while they develop confidence as they strengthen their endurance and fitness levels through activities such as trail running, hiking, mountain biking, skiing, and trail work.

Hebron Words Program Public speaking skills are taught with a unique focus for each grade level and are practiced in every classroom. Students are guided to speak with confidence, voice, and life through a familiar common language. The Hebron Words Program includes "Last Word," a capstone speech given to the entire student body during each student's senior year.
