Attendance Information

ATTENDANCE INFORMATION

Earning Credit in Courses

- In order to receive credit for a semester course, a student cannot be absent for more than five unexcused or unverified days.
- In order to receive credit for a year-long course, a student cannot be absent for more than ten unexcused or unverified days. Students can complete attendance recovery to recover missed days.

Early Dismissals

- In order to expedite the early dismissal process, students must submit parent notes to the attendance office by 10 a.m. to be verified for early dismissal.
- If parent notes are not received by 10 a.m., the parent will have to report to the building for student dismissal.
- Once verified, students will receive an early dismissal slip from the attendance office so that they may leave at the scheduled dismissal time without class interruption.
- CHS will not allow parents to call into the attendance office or email the attendance clerks to release their student except in emergencies. **If it is an emergency, the parent will be required to speak with the grade-level administrator for approval.**

Lawful absences are considered medical, judicial, and bereavement. Documentation will need to be provided within **three** school days after the student returns for these absences to be lawful. There are no principal approved absences.

Parents may submit notes for up to 6 school days, 3 days per semester, for a total of 6 days for the school year. These absences will count as parent excused. Parent notes will **not** be accepted during designated State testing dates and the last 3 days of each semester due to final exams. Parent notes cannot be used to excuse absences from HGTC or CCU classes.

Parents must submit a note within 3 days of the student's return to school from an absence. Notes not submitted within the 3 days will not be accepted and the absence will be coded as unexcused. Notes may be submitted prior to the student's absence.

Medical notes are counted as excused absences; however, after 8 medical notes, students will be required to make up the missed time. At the high school level, a parent may submit up to 8 medical notes per academic block for the school year.

Students who miss 3 consecutive, full-day, unexcused or 5 full-day unexcused absences must have an AIP. Administration cannot complete the required paperwork for obtaining a driver's license unless the student is in compliance with the SC Truancy Law.

Parents and students have access to attendance through PowerSchool. This is a helpful tool to keep up with grades, attendance and discipline.
