

Growing Creative Minds & Caring Hearts **Heusner Elementary**

A Note from the Principal

Welcome back to a new school year filled with possibility! I hope your summer was filled with rest, adventure and meaningful moments with your kiddos. As we open the doors to another year of learning and growth, I'm filled with excitement for what we will accomplish together.

This year, we are focusing on becoming curious thinkers, strong communicators, brave problem-solvers and wise decision-makers. These are not just academic goals—they are life skills that will guide our students to succeed in school and beyond.

In our classrooms, you'll find curiosity being encouraged, questions being celebrated and collaboration thriving. Our teachers and staff are ready to support your child's journey, helping them find their voice, take risks in learning and grow into thoughtful individuals.

Parents and guardians, your partnership is essential. Together, we will foster a community that nurtures not only academic achievement but also kindness, resilience and confidence.

Let's make this year one to remember!

Sincerely,

Lori Munsell, Principal
