

Yearbook Senior Photos: Class of 2026

ALL seniors must follow these guidelines

Deadline: November 1, 2025

Senior Picture Requirements:

Photos must follow these guidelines.

- o **Photo MUST BE A VERTICAL rectangle sized to 2 x 3 inches.**
- o **A high resolution .JPG file no less than 300 dpi**
- o Student should be sitting or standing. *Photos including the head and torso only print better.*
- o Clothing and jewelry must be in accordance with school dress code guidelines. Refer to the *Bear Facts* for specific details.
- o **NO hand gestures or hand signs and NO props** (this includes animals, hats, cars, sunglasses, musical instruments, or other people).
- o Simple backgrounds work the best. Nothing should block the view of the student.
- o **SUBMIT ONE PHOTO ONLY**

*****Yearbook reserves the right to edit/crop/reject any picture that does not meet specifications***

Please submit your senior photo using the website link below. Do not email photos. Upon submission, you will get a confirmation email from Jostens that says "Thank you for submitting your photos"-- and this does confirm your submission! We will contact students and parents/guardians via email if a photo has not been submitted, so please do not email for additional confirmation. If you choose not to submit a senior photo then your photo taken at check in will be used

How to SUBMIT your Senior Photo ONLINE: <https://photos.jostens.com/7ZHC7Q>

You can go to the [SENIOR INFORMATION](#) or [YEARBOOK](#) page on the **CCHS website** to find the senior photo submission link, dedication ad information and more.

There are many options for getting a senior photo taken. Please see the next page for Cherry Creek High Schools preferred photographers and on campus photo opportunities. Using one of these options can eliminate many complications in the photography and submission process.
