Request For Transportation Under Pennsylvania Act 372

Non-public School Students

Overview
Pennsylvania Act 372 outlines the requirements for school districts to provide transportation to eligible non-public school students.

Eligibility Requirements

• **Resident Students**:
If a school district provides transportation to its public school students, it must also offer equivalent transportation to resident students attending non-profit, non-public schools.

• **Distance:**
The non-public school must be located within the school district or **within 10 miles beyond the district's boundaries**, measured by the nearest public highway.

Important Notes

- This form must be completed **annually** for each student requiring transportation.
- **Prompt submission** is essential to ensure transportation is scheduled in time for the start of the school year.
- For questions or assistance, contact your local school district's transportation office via their website or your child's public school.
