

Student Privilege Application for 11th and 12th Grade Students

The Conestoga High School administration and faculty believe students benefit from increased opportunities for self-direction as they mature. Consistent with this belief, our students' eligibility for privileges increases as they progress through their high school years. Privileges are granted only with permission from the parent or guardian. The student must have access to their PowerSchool ID card to exercise privileges. Students will scan their PowerSchool ID card when using their privileges to leave and enter school. Privileges may be rescinded at any time by the parent/guardian or by school authorities if the student experiences academic difficulty or for failure to follow the school rules. All privileges may be suspended by the administration for safety/security reasons. The Student Privilege Application will be available on PowerSchool starting on August 13th. A detailed email will be sent to all 11th and 12th grade students and parents / guardians on August 13th with more details.
