

Middle School Contacts

Parent/Guardian communication with the Academy is key to student success.

If there's something significant in your student's or your family's life you would like to share with the school, your student's advisor is a good place to start. If your question or concern relates to a specific class, activity, or sport, please reach out directly to the relevant lead teacher, advisor, or coach with an email or phone call.

NOT SURE WHERE TO CALL?
CALL THE MIDDLE SCHOOL AT
781.380.0513
