

A photograph of three young women with long hair, wearing school uniforms, crouching on a brick-paved path. They are looking down at a brick that has text engraved on it. The background is a blurred outdoor setting with trees and a building. The image has a green tint.

BUY A BRICK LEAVE A LEGACY

Make your mark on SJA's campus by purchasing a brick for a student, an alumna, a faculty member or in honor or memory of someone special.

Your personalized brick paver will be engraved with your selected wording indicated on the order form, leaving a lasting impression on the Academy for generations to come. Your gift will benefit the future of St. Joseph's Academy by helping build the endowment, providing students with need-based financial assistance, state-of-the-art facilities and much more.
