DRAFT

V. Principal's Report: Joshua Pantier

We are in the first of 2 weeks of AP testing. This year the testing is on computer and hybrid options.

There will be staff turnover as there is every year. Many of the positions have been filled.

Some of those leaving preferred not to announce it yet.

Enrollment for next year presently looks to be level. We would expect about 1740 for enrollment with about 469 freshmen. Parking worked out well this year. We need to focus on finding ways to improve attendance. The suggested ideas were to consider attendance when giving parking passes. Anne Elizabeth Ginch would like to work on an incentive program funded by CHAPTS. Staffing numbers were down 4.5 positions.

VI. **PTO Update: Anne Elizabeth Ginch**

CHAPTS board for next year has most of their officers returning for next year. The sales of parking spaces and suites for graduation have been very successful with just 2 parking spaces and one suite available. The suite sales go to the school.

The parking spaces have brought in $72k for CHAPTS projects.

VII. Student Council Update: None

VIII. **Good of the Order Discussion-** Thanks to Michael Verlardi for his many years of contributions to Chaparral High School

Action Item: Adjourn Meeting 7:28 am

Motion: Joshua Pantier
2nd: Stephanie Arnold
