

BROWARD COUNTY PUBLIC SCHOOLS

POLICY 4900: AUDIO AND VIDEO RECORDING OF SELF-CONTAINED ESE CLASSROOMS

POLICY 4900

Promotes audio-visual recording of self-contained Exceptional Student Education (ESE) classrooms to promote the health, safety, and physical well-being of students.

A self-contained classroom is any ESE classroom where all students have a disability. For example, Autism Spectrum Disorder (ASD Cluster), Emotional Behavior Disorder (EBD Cluster), Specialized Varying Exceptionalities (SVE Classroom).

BENEFITS

- ✓ Cameras help build trust between families and the school.
- ✓ Helps provide transparency and context if an alleged incident is reported.
- ✓ Lends clarity to situations in which students have limited communication.

IMPORTANCE OF PARENT CONSENT

100% of parents must consent to activate cameras in the classroom.

Florida Statute 1014, Parents' Bill of Rights
