Mission

Our mission is to prepare students to contribute to the competitive and changing world in which we live.

Values

Respect
Inclusiveness
Community
Communication
Collaboration
Innovation
Nurturing
Trust
Accountability

Dear Parent/Guardian/Student:

This letter serves as the Westerville City Schools Annual State Required Notice to Parents and Students regarding technology privacy consistent with the Ohio Revised Code 3319.325 and Ohio Revised Code 3319.327. This annual notice, set forth in Senate Bill 29 last year, states that all school districts in the State of Ohio must "provide parents and students direct and timely notice, by mail, electronic mail, or other direct form of communication, of any curriculum, testing, or assessment technology provider contract affecting a student's educational records."

Technology Provider Contracts:

A list of all technology providers that have access to Westerville City Schools students' educational records for the purpose of providing curriculum, testing, or assessment services can be found at this link: Westerville City Schools Application List Please note this link is updated throughout the year.

If you have questions, please contact your building principal.

General Monitoring of School-Issued Devices:

Westerville City Schools, either directly or through a technology provider, are electing to generally monitor all school-issued devices (as that term is defined by O.R.C. 3319.325). The monitoring will include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). Westerville City Schools generally monitors these features for the noncommercial educational purpose of instruction, technical support, and/or exam proctoring.

Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to health concerns and threats to life or safety.

Sincerely,
Westerville City Schools
