February 2025

Dear Day Student Parent:

Blair Academy Day Students are eligible for Transportation Assistance for the **2025-2026** school year from their local Board of Education. By state law, this assistance comes in the form of either actual busing provided or monetary reimbursement, whichever is determined by the Board of Education to be more cost effective. Blair Academy has no role in that determination. In order to qualify for assistance, parents or guardians must meet the following conditions:

1. Reside in New Jersey.
2. Reside at least 2.5 miles away from Blair Academy.
3. Reside no further than 20 miles from Blair Academy via the shortest public school bus route.
4. Reside in a location where the local Board of Education provides bus service for their public school children.

Please complete the B6T form, which is the application for Private School Transportation and return them to the Blair Academy Business Office no later than March 13, 2025. We will forward the forms to the local Board of Education as soon as possible.

Please be sure to fill in the entire form, including the official name of your Board of Education.

If you have any questions, please feel free to contact Lori Rybicki in the Business Office, at 908-362-6121 ext. 5709. Please remember that this form must be returned to the Business Office in order to qualify for transportation aid. Parents are normally notified of the transportation arrangement by the Board of Education in early to mid August.

Sincerely,

Lori Rybicki
