STUDENT ATHLETE ACCIDENT FORM (SAAF)

PARENT/LEGAL GUARDIAN IS RESPONSIBLE FOR SUBMITTING THIS FORM WITHIN 90 DAYS FROM THE INITIAL DATE OF INJURY!

DO NOT WAIT FOR THE PROVIDER(S) TO BILL YOU BEFORE SUBMITTING THIS FORM!

ADL RISK SERVICES, LLC

This form must be completed in its entirety and submitted to ADL Risk Services (ADL) on or after the date of injury, and no later than ninety (90) days from the initial date of injury, to avoid denial of the claim. Expenses eligible for benefits/coverage will be paid only when they exceed other valid insurance. Your medical provider must file your claim with all other available and collectible insurance before filing it with the ADL. Please provide all medical providers where treatment was or will be received with the billing address and contact information for ADL Risk Services, such as your secondary, excess, student accident medical insurance, to be billed directly once any applicable primary or other insurance has been paid. The medical provider must submit the HCFA 1500 and/or UB-04 form along with the Explanation of Benefits (EOB) from your primary insurance. Please read the Instructions for Filing Medical Claims for Accidents carefully before submitting this form or filing any claims. Instructions for filing the claim are included with the student accident form that has been provided to the School District(s).

NOTE: To avoid denial of your claim(s), please ensure that you meet the above and following criteria. Medical treatment must begin within 30 days of the initial date of injury by a licensed physician. (Or within 72 hours, if emergency room treatment is required.) Each injury has a benefit eligibility period of one year (52 weeks). All medical claims must be filed as soon as possible and no later than 180 days after the injury benefit period ends, or your claim(s) will be denied. Student Accident Plan benefits are limited and may not provide 100% coverage, especially if your primary insurance's annual deductible or coinsurance requirements have not been met. This is a Student Accident Excess Benefit Plan, NOT a comprehensive health insurance plan/policy for major medical expenses or an alternative to a health insurance plan/policy for major medical expenses. **Keep a copy of this form for your records.**
