Correspondence	Any letters generated for your student appear here

Documents

If you have more than one student in Lakewood Public Schools, it is a good idea to link their Parent Portal accounts. After this is done, you can easily access any one of their portals by logging into just one of the students. Instructions to do this are listed under the Documents tab: **Linking Students on the Parent Portal**

View your student's contact information by clicking Contacts from the Menu - if anything is incorrect, contact your child's school main office to correct it. You can update your email address via the parent portal, but everything else needs to be updated by the school.

To View Report Card Grades:

Click Grades from the Menu. Marking Period grades are displayed here after the marking period has ended and the grades have been officially posted.
