Daily Reminders/Expectations

Morning & Afternoon Procedures

Doors Open @ **7:45** AM

Gym or Cafeteria (must have a pass to go anywhere else in the morning)

Bell Rings @ 8:13 AM

1st Period Starts at 8:20 AM

Dismissal @ 3:30 PM (if you have a practice or tutoring, go straight there)

Getting To Class On Time

- There is a transition time of 5 minutes between classes. This is enough time to get from one end of the building to the other.
- There is a warning bell 1-minute before the final bell.
- If you are not in class when the final bell rings you are tardy.
    - The tardy will be recorded by your teacher in your daily attendance.

10-10 Rule & Hall Passes

10 - 10 rule: Please do not ask for a pass during the first 10 minutes and the last 10 minutes of class. This is when key instructional information is given, and you need to be present in class to make sure you do not miss something important.

Hall Passes: Any time you need to leave your classroom, you must have a pass. This includes going to the restroom, the attendance office, the Learning Commons, or the clinic.

What if I arrive to school late or need to leave early?

Arrival after 8:20 AM means you HAVE to check in at front desk!!

If leaving before dismissal you HAVE to PROPERLY check out with front office. No matter what!

Reduced schedule **(Senior Reduction/Work based Learning, Dual Enrollment)** = Not allowed on campus when you DO NOT have class!!

Communication with Teachers/Admin

PLEASE USE YOUR SCHOOL EMAIL WHEN YOU ARE COMMUNICATING WITH TEACHERS.

REMEMBER WHAT "PROFESSIONAL" COMMUNICATION SHOULD LOOK LIKE.

- **3**+ tardies to any classes will receive consequences every week.

Consequences for 3+ Tardies

1. 1-hour afterschool detention.

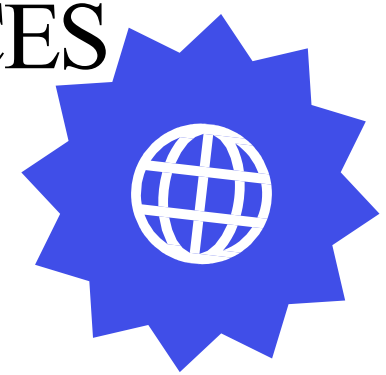
5th Offense	2-3 Days of ISS



CLASSTIME MATTERS

Leaving Campus & Food Deliveries

- Centennial is NOT an open campus. This means you may not leave campus during the school day unless you have prior approval (dual enrollment, doctor appointment etc.) If you are caught leaving campus without permission, you will be given a discipline referral in accordance with the Fulton County Student Code of Conduct.
- Students may NOT order food to be delivered to campus. Any food deliveries will be taken by the front office and the student will be allowed to pick up the food after school. Do NOT order lunch from any place except the school cafeteria.

Recovery Policy

- If you score below 75% on a major test, you can request one recovery attempt before the next major assessment.
- Recovery only covers the parts of the standard you haven't mastered yet and must be **requested by you**—not the teacher.
- You'll need to **complete missing work or review with your teacher** before being allowed to retake the assessment.
- The **highest score you can earn on a recovery is 75%**, and if your retake score is lower, your original grade stays.
- Even if your grade doesn't change, recovery gives you a chance to **learn and improve** on what you missed.
- There is no recovery for minor assignments or practice assignments.

AI (Artificial Intelligence) Statement

Limited Use with TEACHER PERMISSION ONLY

- You can only use AI tools like Microsoft Co-Pilot if your teacher gives you permission for a specific assignment.
- AI can help you **better understand the material**, but it's not a shortcut to do the work for you.
- If you use AI, you **must CITE it** and make sure the final work is still your own and accurate.
- **Double-check everything** AI gives you-don't just copy and paste without thinking.
- Using AI without permission or citation is a **violation of school rules** and can lead to disciplinary action.

Code of Conduct Violation

- Students are prohibited from creating, sharing, or distributing AI-generated, altered, or otherwise false images, videos, or digital content that do not serve an educational purpose and disrupt the learning environment, misrepresent students, District employees, or school-related events, or misrepresent/falsify District or school-related documents.

Missing & Late Work Policy

Missing Work Policy

- Missing or late work won't be accepted after the end of each 9-week grading period-you'll get a zero if it's still not turned in.
- Make-up work will be posted in Canvas, so check there if you've been out.
- You get the same number of days you were absent to turn in work without a penalty.
- After that time passes, the late work policy kicks in and any missing work becomes a zero.
- If your make-up work is complete, meets expectations, and is turned in within the specified time, you'll get full credit-even if the absence wasn't excused.

Late Work Policy

- Late work loses 5% per day, up to a maximum of 20% off the final grade for that assignment.
- For example, if an assignment is worth 100 points and you turn it in 3 days late, you'll lose 15 points (5% per day), so the highest you could earn is 85 points.

Student Parking

- You must have a parking pass to park on campus
- Stadium Lot and B Lot only
- There will be parking consequences for 1st period tardies
- Failure to follow parking expectations will result in disciplinary consequences.

2025-2026

- No outstanding fines on student account.
- Currently or will drive any time in 25-26.

- More than 5 unexcused tardies to your first period of the day.
- More than 5 unexcused whole day absences.
- Infinite Campus violation of excessive tardiness during school time (having 3 or more tardies to any class within one week's time)
- Infinite Campus violation of skipping class and/or leaving campus without permission.
