FARMINGTON HIGH SCHOOL PARKING REGULATIONS

Parking for students during the school day at Farmington High School requires a parking permit. All students who are issued permits must agree to obey parking regulations established by Farmington School District #192. An agreement to abide by the regulations must be signed by both student and parent/guardian.

Parking on Farmington High School property is a privilege and can be revoked. Violations of parking policy could result in disciplinary action, fines, confiscation of the permit, towing, mechanical restraint, and notification of the police. ALL TOWING COSTS WILL BE PAID BY THE STUDENT.

Independent School District #192 requires students to pay a **\$250 for the entire year (If pass is lost/stolen, a replacement pass must be purchased)**. Beginning October 1 and the first of every month thereafter, the parking fee will be prorated to \$30/month through May (ie If purchased Jan 10th, fee is \$150). The fee collected will assist in funding parking lot monitoring, repairs, and other associated costs. All registration is done through [RevTrak on the FHS Website](#).

****Note: Students park at their own risk and the district is not liable for damage or theft.****

Parking Permits

Daily Parking and Permits: All daily parking permits are sold at the East Desk on the 2nd floor for students without permits. The cost for a daily parking permit is \$5.00. You must have all of your vehicle information when you come to purchase your daily permit or a permit will not be issued. Daily parking permits are to be picked up at the East desk and the student will be required to put the permit in their vehicle, either on the rear-view mirror or on the windshield, on the driver's side.

Year Long Parking Permits: Students may purchase permits on the Farmington Fee Pay site and pick up at the FHS East desk on the 2nd floor. All license plate numbers for all of the vehicles that will be using that permit are required on the Student Driving and Parking Permit form.

Parking Lots: Student parking with a valid permit will be allowed in either the East lot or the upper West lots. **The lower West lot (near the loading dock and grounds garage) and the South lot are not available for student parking.** Free parking is available in the North lot (West of the baseball and softball fields). All vehicles must be registered and display their permit in order to park in the East and West lots other than the **grace period of the first week of school.** As in the past, students will not be able to pick up their parking pass until all of their fees and fines are paid.

Your parking permit **MUST** be placed on the BACK OF THE REAR VIEW MIRROR SO IT IS VISIBLE FROM THE FRONT OF THE CAR, WITH THE PERMIT NUMBER FACING OUT OR A FINE MAY BE ISSUED.
