

INVOLUNTARY STUDENT TRANSFERS

While the Governing Board desires to enroll students in the district school of their choice, it recognizes that circumstances sometimes necessitate the involuntary transfer of a student to another school or program in the district.

The Superintendent or Assistant Superintendent shall develop procedures to facilitate the involuntary transfer of such students.

As applicable and as permitted by law, the Superintendent or Assistant Superintendent shall review all educational options for which the student is eligible, the student's academic progress and needs, the enrollment capacity at the schools or programs to which the student could be involuntarily transferred, and the availability of support services and other resources.

The Superintendent or Assistant Superintendent shall ensure that involuntary transfers are made in a non-discriminatory manner as specified in Board Policy 0410 - Nondiscrimination In District Programs And Activities.

Involuntary Transfer of a Student Convicted of Violent Felony

A student may be transferred to another district school if the student is convicted of a violent felony, as defined in Penal Code 667.5(c), or a misdemeanor listed in Penal Code 29805 and is enrolled at the same school as the victim of the crime for which the student was convicted. However, before recommending such a transfer, the Superintendent, the principal, or other administrator shall notify the student and the student's parent(s)/guardian(s) of the right to request a meeting with the principal or assistant principal and shall attempt to resolve the conflict using counseling, mediation or other such services. Participation of the victim in any conflict resolution program shall be voluntary, and the victim shall not be subjected to any disciplinary action for refusing to participate. (Education Code 48929)

If the attempt to resolve the conflict using counseling, mediation or other such services is not successful or the victim elects not to participate, the principal or assistant principal may submit to the Superintendent or Assistant Superintendent a recommendation that the student should be involuntarily transferred. If the Superintendent or Assistant Superintendent agrees with the recommendation, the Superintendent shall submit such recommendation to the Board for approval. The Superintendent's recommendation to the Board shall include the date by which the Superintendent or Assistant Superintendent will review the involuntary transfer to determine whether to recommend to the Board that the student be permitted to transfer back to the student's original school.

The Board shall, in accordance with Board Bylaw 9321 - Closed Session, deliberate and vote on the recommendation, as well as any subsequent recommendation to permit the student to transfer back to the student's original school, in closed session to maintain the confidentiality of student

information, unless a parent/guardian or adult student submits a written request that the matter be addressed in open session and doing so would not violate the privacy rights of any other student. The Board's decisions in these instances shall be final.

Involuntary Transfers to a Continuation Education Program or Class within the District

The Superintendent or Assistant Superintendent may involuntarily transfer a high school student to a continuation education program or class in the district if the student commits an act enumerated in Education Code 48900 or is habitually truant or irregular in school attendance and either of the following conditions are met: (Education Code 48432.5)

1. Other means to improve the student's behavior have failed
2. It is the first time the student committed an act enumerated in Section 48900 and the principal of the student's school determines that the student's presence causes a danger to person(s) or property or threatens to disrupt the instructional process.

Prior to any final decision to involuntarily transfer a student, the Superintendent or Assistant Superintendent shall notify the student and the student's parent(s)/guardian(s) of the right to request a hearing with the Superintendent or Assistant Superintendent. If such a hearing is requested, the Superintendent or Assistant Superintendent shall provide the specific facts and reasons for the proposed transfer, including all documents relied upon. At the hearing, the Superintendent or Assistant Superintendent shall also allow the student or the student's parent(s)/guardian(s) to question any evidence or witnesses presented and present evidence, including witnesses, on the student's behalf. The student shall be allowed to bring one or more representatives to present at the hearing. (Education Code 48432.5)

If the Superintendent or Assistant Superintendent decides to involuntarily transfer the student, the Superintendent or Assistant Superintendent shall provide the decision to the student and the student's parent(s)/guardian(s) in writing. The decision shall include the facts and reasons for the decision and whether the decision is subject to periodic review and the periodic review procedure. (Education Code 48432.5)

The decision shall also include the date by which the student may transfer back to the student's original school, which shall be no longer than the end of the semester following the semester during which the acts leading directly to the involuntary transfer occurred. (Education Code 48432.5)

The final decision to involuntarily transfer the student may not involve a member of the staff of the school in which the student is enrolled at the time that the decision is made. (Education Code 48432.5)
