

Practicum in Interior Design

Local Course #: 81212

State Course ID: 13004800

Course Description:

Practicum in Interior Design is an occupationally specific course designed to provide job-specific skills through laboratory training, job shadowing, or work situations in areas compatible with identified career goals in interior design. In addition, students will be expected to develop knowledge and skills related to housing, furnishings, and equipment construction. Students will take the Revit User or Professional Certification test at the end of the course.
