

Interpersonal Studies Virtual

Local Course #: 0

State Course ID: 13024400

Course Description:

Interpersonal Studies examines how the relationships between individuals and among family members significantly affect the quality of life. Students use knowledge and skills in family studies and human development to enhance personal development, foster quality relationships, promote wellness of family members, manage multiple adult roles, and pursue careers related to counseling and mental health services. This course is only available as an online course through the Keller ISD Virtual Learning program.
