Note: The administration recommends approval of RFP 2025-08 for Armed and Unarmed Security Services to Austin Security & Crime Prevention Consulting. Additionally, the administration recommends the service agreement with Austin Security & Crime Prevention Consulting. The recommendation is based on the increasing need to provide security services throughout the District. This justification includes the engagement of Austin Security and Crime Prevention, along with its officers, to supply the necessary manpower to deter criminal activity by:

· Reducing opportunities for crime

· Detecting potential threats

· Denying access to unauthorized individuals

· Delaying intrusion through physical presence and technology that enhances awareness

· Defending property through responsive security personnel
