DISTRICT GOALS

Teaching and Learning

Empower staff to deliver high-quality,
engaging, and personalized instruction
that challenges and supports every
student and is guided by best practices,
innovation, and continuous improvement

Student Success

Focus on the whole child—academic,
social-emotional, and behavioral
development—to ensure every student
thrives in school and beyond

Future Readiness

Equip students with the skills, knowledge,
and experiences necessary for college,
careers, and life in an ever-evolving
global society

Community Engagement

Strengthen collaboration with all
stakeholders – staff, families, community
organizations, alumni, and local
businesses – to expand understanding,
build trust and enrich student experiences

Fiscal Stewardship

Maintain responsible, transparent
financial practices that prioritize student
learning, ensure operational excellence
and support the district's strategic goals
