New Year Setup & Reminders

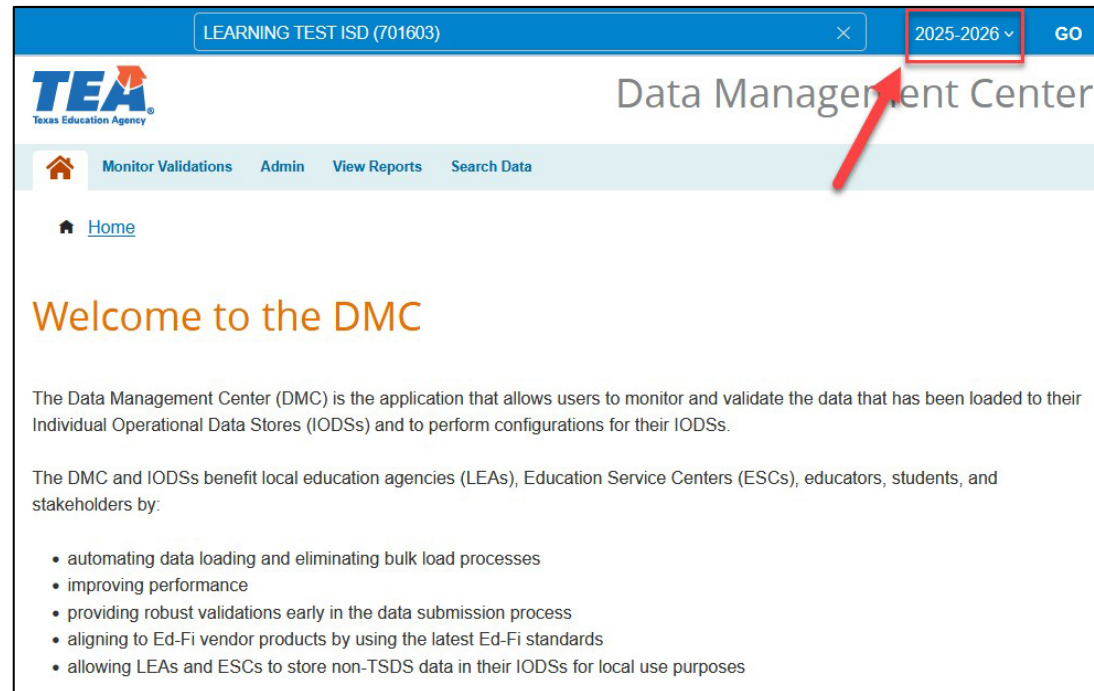

NEW YEAR SETUP REMINDERS

■ 2025-2026 IODS

- The IODS is year-based; meaning data from 2024-2025 school year is separated completely from 2025-2026 data.
 - Vendors will utilize a new API URL to send data for the new school year to the 2025-2026 IODS.
- Each IODS has been created by TEA – The 2025-2026 IODS is now available to configure via the DMC application.
- TEA has prepopulated the 2025-2026 IODS with the same entities as in the 2024-2025 school year:
 - LEA
 - School
 - Course
 - Assessment Metadata

■ DMC

- The DMC is year-based, just like the IODS.
- LEAs and ESCs should utilize the **year dropdown selector** in the top right corner of DMC to switch between years.
 - Similar to functionality seen in the PEIMS and Core applications.

■ Keys & Secrets

- Existing Keys & Secrets will not be migrated to the new year.
 - These will continue to allow publishing to the 2024-2025 IODS for PEIMS Working Submissions.
 - Do not delete anything in the DMC for 24-25 and check with vendor before adding new Key & Secrets
- LEAs are required to **create a new Key & Secret** for each application in the 2025-2026 school year.

The screenshot shows the TEA Data Management Center interface. At the top, there is a blue header with a search bar containing 'LEARNING TEST CHARTER (701803)', a dropdown menu set to '2025-2026', and a 'GO' button. Below the header is the TEA logo and the text 'Data Management Center'. A navigation bar contains icons for 'Monitor Validations', 'Admin' (highlighted in orange), 'View Reports', and 'Search Data'. Below the navigation bar, there is a breadcrumb trail: 'Home >> Manage Applications, Keys, and Secrets'. The main content area displays the title 'Manage Applications, Keys, and Secrets' in orange text. In the bottom right corner, there is a blue button labeled 'Add Application'.

■ Claim Sets

- Custom Claim Sets created by the LEA will not be migrated to the new year.
 - These can be re-created or exported and imported within the DMC as needed.
- TEA-defined Claim Sets will continue to be available for the 2025-2026.
