Dear Long Cane Families,

We are so excited about the 2025-2026 school year! My primary goal as your principal is to ensure that high levels of learning are taking place in each classroom. I always strive to ensure that our school is a safe environment where students feel supported and cared for. Long Cane Elementary is committed to providing all students the opportunity to succeed academically, socially, and through extracurricular activities.

A strong elementary school education begins with a strong foundation in reading and math. At Long Cane Elementary, our staff is dedicated to helping make this happen for each child. We work together through grade level meetings and professional learning communities to ensure that we are planning lessons that meet the needs of all students.

Our parent and family connection also plays an important part in every child's education. We strive to communicate with you in numerous ways and keep you updated on anything that is taking place at the school. There will be multiple opportunities for you to participate in school activities and conferences about your child and their progress.

I am so thankful for each and every one of you and look forward to building relationships with you as we work together to provide your child with the best elementary school experience possible. With your support, we can ensure that your child is successful at Long Cane Elementary School!

Sincerely,

Christy Keeth

ATTENDANCE AND SCHOOL HOURS

Georgia law requires students to attend school every day except when there is a valid reason for their absence. An absence for a valid reason will be treated as excused. The following are valid reasons for school absences:

- Illness that would endanger the health of the student or the health of others.
- Serious illness or death in the immediate family (father, mother, brother, sister, or grandparent).
- Special or recognized religious holidays observed by the faith of the family.
- Any condition making attendance dangerous to the student's health and safety.

When a child has been absent for any reason, the parent should send a note stating the reason for the absence when the child returns to school. Students should be fever-free for 24 hours, without the aid of a fever reducer, before returning to school.

Excused Absences: In accordance with Georgia Board of Education Rule 160-5-1.10 and the TCSS, students may be temporarily excused from school who are:

- Personally ill and whose attendance in school would endanger their health or the health of others;
- In whose immediate family there is a serious illness or death which would reasonably necessitate absence from school;
- Mandated by order of governmental agencies, including pre induction physical examinations for service in the armed forces and court orders;
- The observation of religious holidays, necessitating absence from school.
- When conditions render school attendance impossible or hazardous to the student's health or safety.
- Registering to vote or voting for a period not to exceed one day;
- Serving as Pages of the General Assembly during the school year (Pages shall be credited as present by the school in which enrolled);
- Military connection of parent or legal guardian necessitates an absence.

An absence is also excused when:

- A student who has been referred to a juvenile court for delinquent conduct or conduct in need of supervision (CHINS) is absent from class because of the referral, as long as:
 - 1) the probation officer or court official provides a written explanation for the absence to the school district; and
 - 2) the student successfully completes all missed assignments.
- A student who has been referred to the Georgia Department of Human Services or other welfare unit on the basis of abuse or neglect is absent from class because of the referral, as long as:
 - 1) the caseworker communicates the reason for the absence to district personnel; and
 - 2) the student successfully completes all missed assignments.

Excused Notes: The reason for an excused absence must be stated in writing and be signed by the parent/guardian of the student or a school official. The written excuse must be received by the school within three days after the absence or tardy. A student found guilty of misrepresenting the validity of an excuse or permit is subject to campus disciplinary action. Excuse notes are

explanations of the reason behind an absence. The administrator(s) determines if the absence is excused according to policy or decides to excuse the absence according to circumstance.

Pre-notification of an absence does not automatically excuse an absence, nor does the successful completion of make-up work either before or after the absence. After 5 handwritten parent notes in a semester, administrators or a designee may require a doctor's note. A doctor's note may also be required after three consecutive parent notes.

Daily attendance at school is critical for student success. Students are expected to attend school every day, to be on time, and to complete the school day. Students who are tardy or dismissed early miss valuable instruction and interrupt the learning environment for other students. Please be considerate of our children by keeping interruptions to a minimum.

Tardies

Students who arrive at school after 7:40 will be considered tardy. Parents/Guardians are to bring the student to the front office where they will sign in the student. Please help your student arrive at school on time. See the Troup County Elementary School Attendance Protocol for more information.

Early Dismissal

A request to have a child excused from classes early should be sent with the child on the morning of the dismissal. The time and reason for leaving should be included. When possible, medical and dental appointments should be made outside of the school hours.

By law, no school may allow anyone to sign-out a minor child without the permission of the person who enrolled the child as documented in Infinite Campus during registration at Long Cane Elementary.. **Any change in that list of persons approved to sign-out the child must be completed through Infinite Campus by the enrolling person (the person who enrolled the student).**

If a parent/guardian needs to pick up their child, the parent should come to the school office to sign out the child. Picture IDs are used to confirm the identity, and will be required for the school to release the student. A member of the office staff will then call the child up for dismissal. For early dismissals, a child will not be called from his/her classroom until the parent has officially signed the child out in the office. **Students may not be checked out after 1:45 p.m. After that time, Parents will either have to go through car rider line or wait in the office until car rider is over to pick-up their students**

Truancy

Troup County School System has developed and implemented a "Truancy Protocol." Parents were given a copy of the protocol at the time of registration. A copy can be found in the online handbook in the Board Policies section, or will be provided upon request.

TRANSPORTATION

Bus Transportation

The Troup County School System operates buses for transporting students to and from Long Cane Elementary. Students transported to school are expected to behave in an appropriate, safe manner. Appropriate conduct on the bus is essential for the safety of the driver and passengers. Students who violate the bus conduct regulations may be suspended from the privilege of bus transportation. Students may also be subject to other disciplinary consequences for inappropriate bus behavior.

Bus riders should enter through the gymnasium side entrance. Buses will leave campus by 2:25 p.m. each afternoon.

If you need to change your child's mode of transportation, please be aware that changes must be in writing by the appropriate parent or guardian or other adult authorized by the parent or guardian. Transportation changes cannot be accepted via phone, fax or email. All transportation changes must be made before 1:45 p.m.

Bus Expectations

1. No excessive loud noise, loud talking, loud laughing, or playing.
2. No eating or drinking on the bus.
3. Do not move about while the bus is in motion. Remain in your seat.
4. Keep head, hands, and feet inside the bus.
5. Do not be destructive.
6. Sit facing the front of the bus. Keep your feet out of the aisle.
7. Objects not required at school are not allowed on the bus.
8. Cooperate with the bus driver.

The bus driver is in charge of and responsible for student behavior and is authorized to take the following actions:

1. Talk to the student.
2. Assign special seats when necessary.
3. Report conduct problems to the parents and principal (or principal's designee) with a written form requiring a parent's signature.
4. Notify the principal (or principal's designee) and/or parent by verbal communication and/or a copy of the bus conduct form.

Riding the bus is a privilege provided by the Troup County School System. Students who continuously misbehave and fail to follow the rules and the driver's instructions may lose the privilege to ride the bus for an extended period of time or indefinitely. This will be at the discretion of school administration. Please encourage your student to conduct him or herself in an appropriate way while on the bus.

Students Returned to School Policy

The Transportation Department has the following operating procedures for handling students returned to Long Cane Elementary in the afternoon. When a driver has to return a student to school, school personnel will receive and then release the student to the parent/guardian. The student cannot get off the bus and go directly to the car. The following protocols will be in place:

1. First occurrence- school will notify parent/guardian, document, and give warning about future occurrences.
2. Second occurrence- school will hold a conference with parent/guardian, document, and give warning about future occurrences.
3. Third occurrence- school will notify parent/guardian that the student will have suspended riding privileges for three (3) days (AM and PM).
4. Fourth occurrence- school will notify parent/guardian that the student will have suspended riding privileges for five (5) days (AM and PM).
5. Fifth occurrence- school will notify parent/guardian that the student will have suspended riding privileges for the remainder of the semester.

Car Transportation

Long Cane Elementary School will be open to receive car riders at 7:10 a.m. At this time, your child may go to his/ her classroom or go to the cafeteria for breakfast. **Children should not be dropped off unattended prior to 7:10 a.m.**

Car riders must arrive by 7:30 a.m. in order to eat breakfast in the school cafeteria. **All car riders should enter through the front doors of the school.**

The tardy bell rings at 7:40 a.m. If your child arrives after 7:40 a.m., please accompany your child to the office. The office will “check-in” your child, and give them a Tardy Slip to present to the teacher. **Students not in the building by 7:40 a.m. will be counted tardy. Parents will not be allowed to walk students to class.**

Morning Drop-off procedures:

- To make drop-off more efficient, we ask that parents have students ready with book bag(s), lunch box(es), or other school items before the car door is opened.
- Always remain in a single line. Students may immediately walk on the sidewalk as they exit the cars.
- If you are planning to enter the building, please remain in the single line and park in the visitor parking area in front of the school – not in the reserved spots.
- Parents choosing to park their car must walk their student to the front door.
- Do not drop off your student before 7:10 a.m.

Afternoon Pick-up procedures:

- Dismissal begins at 2:10 p.m. for bus riders followed by car riders at 2:15 p.m. Buses leave campus by 2:25 p.m.
- Car riders may be picked up in the car rider line at the gym lobby beginning at 2:15 p.m.
- **Students who have not been picked up by 2:40 p.m. will be sent to ACE, and the daily charge of \$7 will apply.** This charge must be paid at the time the student is picked up.
- Long Cane Elementary car rider tags for the year 2025-2026 should be displayed during dismissal. Each student will be issued two tags at registration. Replacement or additional

tags may be requested for a charge of \$1.00. Any vehicle not displaying the issued car tag for the 2025-2026 school year will be directed to the office so that identity can be verified.

- **For safety reasons, students will not be released to “walk-in” parents until the end of the car rider line.**
- Always remain in a single car line.
- Please do not park at another location on campus and walk to the car rider line.

Transportation Changes

At the beginning of the school year, each child’s method of transportation from school is established. If there is a change in the way your child will leave from school for any period of time (a day, a week, etc.), the school must receive a **WRITTEN** note from the registering party. **Please understand that without a note, the school cannot change the established method of transportation.** When school officials do not have a note from the parent/guardian that registered the student, a child will not be allowed to leave school except as previously established.

PHONE CALLS, EMAILS, AND FAXES FOR TRANSPORTATION CHANGES WILL NOT BE ACCEPTED. ALL TRANSPORTATION CHANGES MUST BE MADE IN WRITING BY A PARENT OR AUTHORIZED ADULT BEFORE 1:45 p.m.

When a student is riding home with a friend, we must have WRITTEN permission from the parents of both children. For safety reasons, children will not be “pulled off” a bus if a note has not been sent. These procedures will help ensure that your child is transported from school safely.

We go through great lengths to ensure the safety of your child. Please make sure that your Parent Portal in Infinite Campus stays up to date. Only Individuals listed in Infinite Campus will be allowed to pick up a student. Photo ID will be required.

After Class Enrichment (ACE)

The ACE program is a project of the Troup County School System. The purpose of this after school program is to provide students with activities in a safe, supervised, and relaxed environment. **ACE is available through a lottery drawing. We do not have enough workers to allow all who register for ACE into the program. Students that are picked through a lottery system have to be properly registered and PRE-PAID.** The ACE fee is \$7.00 per day. Family discounts are available. Students may stay in ACE until 6:00 p.m. Fines will be imposed when students are still in ACE after 6:00 p.m. Excessive late pick-ups may result in dismissal from the ACE program. **According to Troup County School System guidelines, ACE is a “prepay” program; therefore, parents need to pay for ACE before a child may attend.** Authorities/ local agencies may be contacted in the event that a student is left at school after dismissal with no communicated plans for parent pick up with/without an existing outstanding ACE balance.

The ACE program is a privilege. We strive to promote an atmosphere conducive to safety and appropriate behavior. Parents will be notified if their child violates the rules. Students who do not exhibit appropriate behavior may be suspended or withdrawn from the program.

Returned Checks

A \$30.00 fee is charged for a check returned by the bank due to non-sufficient (NSF) or a closed account. If three returned checks are received from the same person over the course of the school year, you must pay with cash for the remainder of the school year.

BOOK BAGS

Rolling book bags are not allowed at Long Cane Elementary School. Rolling book bags are often pulled or pushed too fast, causing injury to other students. Students will not be permitted to pull or push book bags down the hall. Therefore, a student **MUST** carry his/her book bag on his/her arm or on the back.

DRESS CODE

Students are expected to wear attire appropriate for the learning environment. Long Cane Elementary will follow the Troup County Board Policy concerning Dress Code. Students dressed in a manner that interferes with or interrupts the learning environment will be asked to change. Parents may be contacted for additional clothing; however, if parents cannot be contacted, students may be asked to sit in an alternate location until appropriate clothing is obtained.

FOOD SERVICES

Breakfast and lunch are served at Long Cane Elementary School daily.

During the 25-26 school year, the Troup County School System will be able to feed ALL students for free through the Community Eligibility Program (CEP), a federal program. This change will benefit many more students by providing them with a balanced and nutritious meal every day in school. Students attending a CEP school can enjoy a free breakfast and lunch. A complete meal must have at least three components, one of which is a fruit or vegetable. At lunch, students can choose up to five meal components.

Students can also buy extra items separately, such as snacks, drinks, or additional entrees and sides. There are some guidelines. Any outstanding balance for previously charged meals must be cleared before students can make individual purchases, and students cannot charge extra items. To see your child's school's daily breakfast and lunch menus, visit troup.nutrislice.com and select the appropriate school and meal type.

State regulations require milk to be served with every meal. Therefore, students who cannot drink milk should have a note from their doctor for verification. We can then substitute with a nutritional beverage.

If your child brings lunch, please think nutritionally when it is prepared. Research shows that good nutrition can benefit learning. **Students will not be permitted to bring gum or carbonated drinks into the school.**

Parents are welcome to bring an outside lunch for their student only if they plan to stay and eat. The school will not be able to deliver outside food/drink to a student.

DISCIPLINE

An official copy of the Troup County School System Elementary code of Conduct is available in the online handbook on the school's website or upon request. Students who are aggressive or repeatedly disrupt the learning environment will be referred to the office for discipline. Consequences of inappropriate behaviors may include: conferences, counseling, time-out assignment, out-of-school suspension, or other measures deemed necessary by the school administration.

MEDICATION

All prescription and non-prescription medication should be brought to school by the parent with instructions on administering the medication. **It must be contained in the prescription bottle, properly labeled by the pharmacist** (the pharmacist will provide the parent with duplicate bottles). **Non-prescription medication may be administered if sent to the school in the original container showing that the medication is non-prescription.**

A parent or legal guardian must complete and sign a copy of a "Medication Permission Form" that authorizes the school staff to administer medication. This form also serves as documentation of medication administration.

DELIVERIES

It is requested that flowers, balloons, etc. not be sent to school as they become a distraction during the school day. These types of items cannot be taken home on the bus due to student safety.

DELIVERIES FOR YOUR STUDENT CANNOT BE ACCEPTED AT SCHOOL

PARENT TEACHER ORGANIZATION (P.T.O.)

The Long Cane Elementary P.T.O. is an organization of parents and teachers formed for the purpose of enhancing the education of our children. Each parent is encouraged to be an active member of this important organization to help provide educational support for our children.

Meetings are open to all parents and opportunities are provided all year to become an official member. Please review the calendar for specific information regarding scheduled activities and meetings.

PARENT/TEACHER CONFERENCES

One of the keys to an effective learning environment is open communication between school and home. Parents are urged to contact the school whenever the need arises. Teachers may be contacted by note, telephone, or e-mail. If you call during instructional times, the office will be glad to give the teacher a message to return the call. Please call (706-812-7948) in advance to schedule a conference with your child's teacher.

PARTIES

Two classroom parties (Christmas and End-of-the year) are scheduled during the school year. Room Mothers will contact parents to serve as helpers. **Middle and High School students may not attend elementary parties.**

Troup County schools welcome parental involvement in organizing class parties and special events. These festive occasions often include snacks for students to enjoy. Due to food safety concerns and special dietary needs of some students, all snacks distributed for classroom parties or special events must be pre-packaged and display ingredients. This applies to beverages as well.

STUDENT BIRTHDAYS

Student birthday parties during school hours are not permitted. Birthday cakes and candles are not permitted. On a student's birthday, parents may send in a special snack to be served at a time designated by the teacher. Cupcakes are fine. **Due to food safety concerns and special dietary needs of some students, all snacks distributed for classroom parties or special events must be pre-packaged and display ingredients. Please contact your child's teacher to schedule the snack and time at least two days prior to the birthday.**

Party invitations for events outside of the school may be distributed only if all students in the class are being invited to the event. If only part of the class is invited, then invitations should be sent in the mail. For privacy reasons, the school is not able to provide any parent with phone numbers or addresses of the other students.

PRE-PACKAGED FOODS

Troup County Schools welcomes parental involvement in organizing class parties and special events. These festive occasions often include snacks for students to enjoy. **Due to food safety concerns and special dietary needs of some students, all snacks distributed for classroom parties or special events must be pre-packaged and display ingredients. This applies to beverages as well. Thank you for helping us keep our children safe.**

SCHOOL SUPPLIES

All textbooks and basic instructional materials are furnished by the Troup County Board of Education. There will be a charge for lost or damaged books.

STUDENT SAFETY

As part of an overall plan to protect the health, welfare, safety and lives of students, faculty, staff and visitors to our schools, and to reinforce provisions of the Code of Student Conduct, metal detectors may be used to screen for firearms and other weapons in order to locate and deter their use. Random searches may be conducted with minimal disruption to the educational program.

VISITING YOUR SCHOOL

Parents are welcome to visit Long Cane Elementary School. Visitor parking is provided in front of the school. Long Cane Elementary will follow Troup County Board Policies concerning visitors.

All classroom observations must be scheduled at least 48 hours in advance with administration.

- All visitors **MUST** sign in at the front office and acquire a Visitor's Badge. **An official photo ID will be required at sign in.** Please sign out as you leave the building.
- If you are having lunch with your child, you do not have to make advanced reservations. You may pay for your meal when you get your tray.
- If you would like to help in the classroom, please let the teacher know in advance.

Older Siblings (Middle and High School students) should not attend elementary events during regular school hours.

REPORT CARDS/PROGRESS REPORTS

(PURPOSE: To communicate to parents about their child's academic performance/progress)

Report Cards for grades 3-5 are sent home at the end of each grading period. These should be signed by the child's parent or guardian and returned to school the following day. Progress Reports are sent home during the middle of each grading period. These also must be signed by the child's parent or guardian and returned the following day.

Kindergarten through second grade will receive a Standards Based report card at the end of each grading period.

ACCIDENTS

In case of a minor injury at school, the student will be administered first-aid. In the event of a serious illness or accident, an effort will be made to notify the parents immediately. If the parents are not available, we will contact the emergency numbers listed on the child's registration card. Please notify the school as soon as possible of any changes in emergency phone numbers.

ELECTRONIC DEVICES /CELL PHONES/PERSONAL ITEMS

Electronic devices such as cell phones, devices and/or apple watches are to be turned off during the school day and during our after school program and must remain in the student's backpack~ not in

clothing pockets, in purses, or anywhere the person. Troup County School System and Long Cane Elementary are not liable for any device that is lost, stolen, or damaged. Students are expected to adhere to the Student Code of Conduct, as well as all Board policies, particularly Internet Acceptable Use (Policies IFBG, JCDAF, and JCDAD) and Internet Safety (Policy IFBGE), which are available upon request and are included in the online Long Cane Elementary handbook on the school's website.

Students should not bring phones, games, toys, etc. to school. The school system does not assume any responsibility for lost, stolen, or damaged items. Items should not be brought to school that could distract or disrupt the learning environment. If your child does bring an electronic device to school (like a phone or smartwatch) LCES is not responsible for any lost, stolen, or broken devices. If your child has his/her phone or device out during instruction time or at any other point during the school day, the teacher will take the phone and turn it into the office. We will hold the device in a locked cabinet until the parent/guardian can pick it up.

If a student needs to contact a parent/guardian during the school day for an emergency, he/she must request permission from the teacher and go to the main office to make the call.

ITEMS TO SELL AND TRADE

Students may not bring to school items to sell or to trade with other students. These activities are disruptive to the classroom and the overall learning environment. Items, including money, that are involved in selling and trading at school may be taken up from students and held in the office until a parent or guardian retrieves them.

TITLE I SCHOOLWIDE PROGRAM

Long Cane Elementary is a Title I School. The Title I Schoolwide Improvement Plan was developed with input from parents, students, community members, and the faculty. A copy of this plan, including the Parental Involvement Policy, is kept in the school's office. This plan is available to parents upon request. Information about the Title I Schoolwide Program will be given at the Annual Meetings.

HB 307

In accordance with [Georgia House Bill 307](#), all school systems are required to screen students in kindergarten through 3rd grade to help identify those who may need extra support with reading. These screeners, along with other data, help us determine if a child is significantly at risk for not meeting grade-level reading proficiency.

Please note that these screeners are not designed to diagnose a reading disability or dyslexia. If the results show that your child may have significant reading challenges, you will be notified in writing. You may also request a copy of your child's screening results at any time.

Families have the right to opt their child out of the specific screeners used for dyslexia identification. To do so, please provide written notice to your child's school at the beginning of the 2025–2026 school year.

students in grades 3-8 and 11th grade that have been identified as having a significant cognitive disability.

At times during the school year, students may take other assessments to determine academic starting points and progress. The list below contains these tests and the grades associated.

ASSESSMENT

What does the law require?

The Every Student Achieves Act (ESSA) is the federal law passed to ensure that all students are provided a significant opportunity to receive a fair, equitable, and high quality education and close the educational achievement gap. States including Georgia are required to develop a system to assess students and be accountable to its stakeholders annually.

The Georgia Milestones Assessment System is designed to fulfill this law by:

- Providing a valid measure of student achievement of the state content standards
- Allowing for the detection of the academic progress made by each student
- Supporting and informing educator effectiveness
- Informing state and federal accountability measures at the school, district and state levels

The ultimate goal of the Georgia Milestones Assessment System (GMAS) is to ensure that all students are provided the opportunity to engage with high quality standards, receive high-quality instruction and are positioned to meet high academic expectations. GMAS is designed to provide students and parents with information about student achievement and preparedness for the next educational level. It is also a critical component of the state's accountability measure which is used to measure the quality of the educational services and opportunities provided to students. ([GA Student Assessment Handbook](#)).

The Troup County School System **does not have the authority to waive student assessment or participation requirements mandated** by law. The Troup County School System is therefore required to offer all students the opportunity to participate in state assessments. It should be noted that schools in which students “refuse to test” or “opt out” are penalized for the student’s lack of participation.

Who is tested with the Georgia Milestones Assessment System?

- Grades 3 – 8 are tested in English Language Arts and Mathematics
- Grades 5 & 8 are tested in Science
- Grade 8 is tested in Social Studies

- High School students are tested in 4 courses: Algebra: Concepts and Connections, Biology, US History and American Lit during the year/semester they take the aligning course.

How does the Troup County School System use student data?

- Guide instructional improvement
- Determine an individual student's areas of strength and weakness
- Guide placement in academic programs
 - o Gifted/Accelerated
 - o Intervention
 - o Retention

Concern on the part of parents and educators regarding state and federal accountability pressures is understandable. However, because the assessments themselves provide valuable information to educators and because failure to participate can lead to negative consequences for your child, we encourage those parents who have concerns about the accountability uses of Georgia Milestones to direct their concerns to their state and federal legislators, rather than refusing student participation in Georgia Milestones testing.

Visitors to School

All visitors must "sign in" and "sign out" on the log sheet provided to keep record of persons entering and leaving school buildings.

Student Auditing Classes

Students are not permitted to bring non-enrolled student visitors during the school day, except by prior approval of the principal and for a period of no more than five days. Student visitation in excess of one week must have prior approval of the Superintendent or designee.

Classroom Observations (Parents can request a Classroom Observation Form from the Office)

These guidelines were developed to ensure that (a) the educational program will not be interrupted and (b) the normal classroom environment will be maintained when visitors are in the room.

- The person requesting a classroom observation **MUST** be included on the enrollment card or a written note by the custodial parent allowing the named visitor.
- A parent/guardian requesting a visit must submit the request at least two days in advance. Advance notice gives the teacher adequate time to prepare the children for a parent/guardian. We respectfully request that other siblings not be brought

to school for this visit.

- On the day of the visit, parent/guardian must sign in at the office, wear a visitor's sticker, turn off cell phones before going to the classroom, and sign out at the office prior to leaving the building.
- In most cases, the teacher will not be able to conference or talk with a parent/guardian upon entering the room because the children may be in the middle of a lesson or activity.
- The parent/guardian should take a seat towards the back or side of the room during the visit. The teacher will provide a location.
- Unless the teacher requests the parent to interact with the children, the parent/guardian is not to talk with the students or assist a child with his work.
- Parents/guardians are asked to limit their visit to about thirty minutes to minimize the impact on the class' attention and focus on the lesson.
- Most importantly, parents/guardians are expected to keep confidential anything they observe regarding other students. Example: If the visitor observes that a child (or children) misbehaving or that a child is inattentive, that student's rights would be violated if such information was shared with others in the community.

Americans with Disabilities Act

The Troup County School System is ensuring that all policies, practices, procedures and facilities are totally accessible and accommodating to all people with disabilities. Kitty Crawford is the coordinator of Americans with Disabilities Act (ADA). Any questions, please call the Exceptional Education Center, 1712 Whitesville Road, LaGrange, Georgia 30240, (706) 812-7939.

Board Policy Descriptor Code: JCAC Harassment

It is the policy of this school district to prohibit any act of harassment of students or employees by other students or employees based upon race, color, sex, national origin, religion, age or disability at all times and during all occasions while at school, in the workplace or at any school event or activity. Any such act by a student or employee shall result in prompt and appropriate discipline, including the possible termination of employment or suspension or expulsion of the student.

Sexual harassment may include conduct or speech which entails unwelcome sexual advances, requests for sexual favors, taunts, threats, comments of a vulgar or demeaning nature, demands or physical contact which creates a hostile environment for a student or employee. There may be other speech or conduct which employees or students experience as inappropriate or illegal harassment which should also be reported; harassment can take many forms and it is not possible to itemize every aspect of the harassment forbidden by this policy.

Any student, employee, applicant for employment, parent or other individual who believes he or she has been subjected to harassment or discrimination by other students or employees of the school district as prohibited by this policy should promptly report the

same to the principal of the school or to the appropriate coordinator designated in policy JAA/GAAA, who will implement the Board's discriminatory complaints procedures as specified in that policy. Students may also report harassment or discrimination to their school counselor or any administrator. Students and employees will not be subjected to retaliation for reporting such harassment or discrimination. If at any point in the investigation of reported sexual harassment of a student, the coordinator or designee determines that the reported harassment should more properly be termed abuse, the reported incident or situation shall be referred pursuant to the established protocol for child abuse investigation.

It is the duty of all employees to promptly report harassment forbidden by this policy. All supervisors will instruct employees under their supervision as to the content of this policy and, through appropriate professional learning activities, enlighten employees as to the varied forms or expression of prohibited harassment. The principals of all schools shall ensure that students and parents are informed through student handbooks and verbally that such harassment is strictly forbidden, how it is to be reported and the consequences for violating this policy.

Promotion and Retention

The Troup County Board of Education adopts this policy in accordance with O.C.G.A. Sections 20-2-282 through 20-2-285 (Georgia Academic Placement and Promotion Policy) that bases the placement of a student into a grade, class or program on an assessment of the academic achievement of the student and a determination of the educational setting in which the student is most likely to receive instruction and other services needed in order to succeed and progress to the next higher level of academic achievement.

As a Strategic Waiver School System, the Troup County Board of Education has an approved waiver for 20-2-283 which associates promotion to state assessments in specific grades.

Promotion, grade-level advancement, and course credit shall be based on academic achievement and demonstrated proficiency of the subject matter of the course or grade level. No student shall be administratively promoted to a grade level for which he or she is not prepared without appropriate intervention measures. The scope of this policy is comprehensive and contains both system standards and state requirements for grades K-12.

Internet Acceptable Use

Computer, Network, Internet, Electronic Communications, and Social Media Acceptable Use

Computer network use is governed by federal and state laws which specify punitive legal actions that can be taken, as well as terms of imprisonment and/or financial fines that may be imposed by the courts for conviction of computer- related crimes.

The State of Georgia has passed laws which govern the use of computers and related technology. Article 6 of Chapter 9 of Title 16 of the Official Code of Georgia Annotated, known as the Georgia Computer Systems Protection Act specifically forbids computer misuse and abuse. Excerpts are as listed below:

Computer Fraud and Abuse

1. Whoever knowingly and willfully, directly or indirectly, without authorization, accesses, causes to be accessed, or attempts to access any computer, computer system, computer network, or any part thereof which, in whole or in part, operates in commerce or is owned by, under contract to, or in connection with State, county or local government or any branch, department, or agency thereof, any business, or any entity operating in or affecting commerce for the purpose of:
2. Devising or executing any scheme or artifice to defraud, or
3. Obtaining money, property, or services for themselves or another by means of false or fraudulent pretenses, representations, or promises shall, upon conviction thereof, be fined a sum of not more than two and one-half times the amount of the fraud or theft, or imprisoned not more than 15 years, or both.
4. Whoever intentionally and without authorization, directly or indirectly accesses, alters, damages, destroys, or attempts to destroy any computer, computer system, or computer network, or any computer software, program or data shall, upon conviction thereof, be fined not more than \$50,000.00 or imprisoned not more than 15 years, or both.

Users must be aware of their responsibilities and of the regulations governing the network environment. To be eligible for computer and network access, users must be in support of and consistent with the educational objectives of the Troup County School system.

The purpose of school system-provided network access (which includes Internet access) is to facilitate communications in support of research and education. Access is a privilege, not a right. Students will be guided toward topics which have been matched to specific learning objectives rather than being allowed to "surf" the Internet without direction.

Troup County School System will allow limited access to students using filtering devices.

Student access to workstations should be monitored at all times by adults authorized by the district. Even with such steps to ensure that Internet resources are used only for purposes consistent with approved curricula, students may be able to search for and access materials which have not been evaluated by staff. Families should be aware that some material accessible via the Internet may contain items that are inaccurate, defamatory, illegal, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet that could result in unwanted financial obligations for which a student's parent or guardian would be liable.

All users' files, content, and communications stored on school-based computers, networks, or other electronic devices are subject to access and review by administrators or designated system technicians to maintain system integrity and insure that users are acting responsibly. These files are subject to the Georgia Open Records Act and may be accessible to others as a matter of public records.

The user (student and/or staff) is responsible for his/her actions and activities involving computers, network usage, and electronic messaging. Examples of prohibited conduct include, but are not limited to the following:

1. Accessing, sending, creating, or posting materials or communications that are damaging to another person's reputation, abusive, obscene, sexually oriented, threatening, demeaning to another person's gender or race, harassing, or illegal.
2. Violating any local, state or federal statute.
3. Vandalizing, damaging, or disabling the computer and/or related equipment of any individual or organization.
4. Using the school's computer hardware or network for illegal activity such as copying software or violation of copyright laws.
5. Making illegal copies of software on any school's computer or computer network.
6. Copying or downloading copyrighted software for one's own personal use.
7. Violating copyright or otherwise using the intellectual property of another individual or organization without permission.
8. Using the network for private financial or commercial gain.
9. Loading or using any unauthorized software programs on any school's computer or computer network. Examples include games, public domain, shareware, etc.
10. Intentionally infecting any school computer or network with a virus or program designed to damage, alter or destroy data.
11. Attempting to gain or gaining unauthorized access to network resources.

12. Invading the privacy of other individuals by gaining unauthorized access to their files or documents.
13. Using or attempting to use another person's user name (User I.D.) or password without authorization.
14. Posting anonymous messages.
15. Using the network for commercial or private advertising.
16. Forging electronic mail messages.
17. Attempting to access, alter, delete, or copy the electronic mail of other system users without authorization.
18. Using the school's computers, network or Internet link while access privileges are suspended.
19. Using the school's computers, network or Internet link in a manner that is inconsistent with teacher's directions and generally accepted network etiquette.
20. Attempting to alter the standard configuration of a computer, a network or any of the resident software on the computer or network within the assigned user environment.
21. Using personal diskettes and personal CDs and/or digital storage devices in school equipment without authorization.
22. Posting/sharing electronic messages that undermine and violate district policies and practices or become detrimental to the health, welfare, discipline or morals of others.
23. Engaging in personal social networking activities during the professional workday.
24. Posting social media and electronic messages or establishing social network sites on behalf of the district or the schools, departments, classes, personnel contained therein, without the consent of the Superintendent or his designee.
25. Violating confidentiality laws that govern student records, health, and select personnel records and information.
26. Storing personal files, photos, data, and other content on school system equipment.

The use of Troup County School System's computers or networks in violation of system policy or rules may result in loss of computer privileges and additional disciplinary actions in keeping with existing procedures and practices regarding inappropriate behavior.

Troup County School System believes that the benefits to users provided by access to the Internet far exceed any disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standard that their children should follow when using media and information sources. To that end, the Troup County School System supports and respects each family's right to decide whether or not to permit a child Internet access.

Only users who have on file a signed Computer, Network, Internet, Electronic Communications, and Social media Acceptable Use Agreement may request access to the Internet.

Family Educational Rights and Privacy Act (FERPA)

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that the Troup County School System (TCSS), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the TCSS may disclose appropriately designated "directory information" without written consent, unless you have advised the system to the contrary in accordance with system procedures. The primary purpose of directory information is to allow the TCSS to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want the TCSS to disclose directory information from your child's education records without your prior written consent, you must notify the principal in writing. Troup County Schools has designated the following information as directory information:

(Note: an LEA may, but does not have to, include all the information listed below.)

- | | |
|--------------------------|---|
| -Student's name | -Participation of officially recognized activities and sports |
| -Address | -Weight and height of members of athletic teams |
| -Telephone listing | -Degrees, honors, and awards received |
| -Electronic mail address | -The most recent educational agency or institution attended |
| -Photograph | |
| -Date and place of birth | |
| -Major field of study | |
| -Dates of attendance | |
| -Grade level | |

These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the *No Child Left Behind Act of 2001* (P.L. 107- 110), the education bill, and 10 U.S.C. 503, as amended by section 544, the

National Defense Authorization Act for Fiscal Year 2002 (P.L. 107), the legislation that provides funding for the Nation's armed forces.

Board Policy

Descriptor Code: JR

Student Records

It is the policy of the Board of Education that all employees shall comply with the requirements of the Family Educational Rights and Privacy Act (FERPA) and the Pupil Protection Rights Amendment (PPRA). The Superintendent shall implement procedures whereby every principal is directed to develop a means to notify, on an annual basis, students and parents, including non-English-speaking parents, of their rights under the FERPA and the PPRA, either by letter or through a student handbook distributed to each student in the school.

A. FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Confidentiality of student records shall be preserved while access is provided to parents, eligible students (those over eighteen years of age or enrolled in post-secondary educational institutions), school officials with legitimate educational interests, and those federal or state officials whose access is authorized in connection with an audit or evaluation of federal or state supported education programs or for the enforcement or compliance with federal legal requirements related to those programs. Records will be sent to a school where the student seeks or intends to enroll or has already enrolled upon request of the school.

With the exception of directory information as defined below, personally identifiable information will not be released by the school system from an education record without prior written consent of the parent or eligible student, except where authorized by the regulations governing the FERPA. In accordance with the regulations, disclosures will be made to comply with state law, Internal Revenue Service laws and regulations, judicial orders or lawfully issued subpoenas, in which case a reasonable effort will be made to notify parents or students in advance of such disclosures, unless otherwise required by a judicial order or federal grand jury subpoena; to accrediting institutions to carry out their accrediting functions; to organizations conducting studies on behalf of the school system; or in connection with a health or safety emergency.

B. DIRECTORY INFORMATION

The Board of Education designates the following information as "directory information." Unless a parent or eligible student makes a timely request to the principal of the school where the student is enrolled that such information not be designated directory information on the individual student, such information will not be considered confidential and may be disclosed upon request.

Plan Revised April 18, 2025

What is Title I?

Long Cane Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent involvement.

Title I schools must jointly develop a written Parent and Family Engagement Policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Long Cane Elementary School (LCES) will provide opportunities to improve parent and family engagement to support student learning. LCES values the contributions and involvement of parents and families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that LCES will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

LCES invited all families to attend our annual School Forum last spring to review and revise this parent and family engagement policy, the school improvement plan/schoolwide plan, and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Center. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. LCES will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is posted on our website. Copies of the plan will be available at our Annual Title I Parent Meeting at the beginning of the year if you want a hard copy. The plan is also housed in the Parent Resource Room, as well.

2025–2026 District Goals

1. Focus on student success and well being.
2. Ensure equitable opportunities for all.
3. Focus on recruiting, inducting and retaining quality staff.
4. Cultivate the capacity of the school system to function as a flexible and adaptable organization.
5. Lead in the cultivation of relationships and strategic partnerships between the school system and parents, and among agencies and organizations which provide services to children.

School-Parent Compacts

As part of this plan, LCES and our families will develop school-parent compacts by grade level. These are agreements that parents, teachers, and students will develop that explain all parties will work together to make sure all our students reach grade-level standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year.

Parents will receive a copy of the compact to keep at home. Compacts will also be reviewed with parents during the school year.

Let's Get Together!

Long Cane Elementary School will host the following events to build the capacity for strong parent and family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. Most meetings will be offered at 2 different times to accommodate our families. We may also be able to offer child care during meetings if needed. Please call the office about this service.

Annual Title I Parent Meeting – Beginning of the Year

We invite you to an evening of learning and sharing about our Title I program, including our parent and family engagement policy, the schoolwide plan, the school-parent compacts, and parents' requirements. Invitations will come home in Tuesday folders, will be posted on the website, and mentioned in grade level newsletters.

Family Events – Various times during the year

LCES will host fun, family events throughout the year. Please check the Parent-Student handbook for more information about these events. Information about these events will also be shared in Tuesday folders, posted on our website, and mentioned in grade level newsletters. Some of these events include an Open House, Goodies with Grandparents, Coffee with Mrs. Keith, Fall Festival, Field Day, and Lunch and Learns.

Parent Conferences– Fall and Spring

Teachers will work with families to schedule conferences during the year. These conferences are a wonderful opportunity for families to hear about grade level standards and their child's progress with the standards. As always, we welcome parents to schedule conferences at any time during the year, as well.

Parent Workshops – Various times during the year

Families are invited, at various times throughout the school year, to attend parent workshops. For example, parents will gain valuable information about testing during our Annual GMAS Workshop. We will host a minimum of 2 academic workshops during the year. Workshop topics are offered based on parents' suggestions in our annual survey. In 24-25, we will focus on reading and math workshops. We also plan on doing some quarterly parent videos on what standards will be taught each quarter.

School Improvement Forum – Spring

Parents will have an opportunity to provide input by reviewing/revising the Parent and Family Engagement Policy, the School Improvement Plan/schoolwide plan, and the Title 1 Budget for the upcoming school year. Family input is very important to Long Cane Elementary.

Parent Resource Center

Our parent resource center is located near the front office. Come to look through the pamphlets on a variety of topics or use the computer to find other resources. Hours of operation are 7:30-2:00.

Parent and Family Engagement

LCES believes that parent and family engagement means the participation of families in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents and families play an integral role in assisting their child's learning.
- That parents and families are encouraged to be actively involved in their child's education at school.
- That parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

LCES is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you miss a meeting and would like a copy of the minutes.
