### School Description

Skyline Elementary School has hardworking and fun-loving students, dedicated teachers, and supportive parents. We view Skyline School as a place of work (but we also have fun) and each child as a unique person with individual gifts, interests, and talents. The curricula, instructional strategies & extra curricular activities are designed to foster a community of lifelong learners. The teaching staff, through the support of our Instructional Leadership Team, is continually improving techniques to encourage optimum intellectual, social, emotional, and physical growth for every child. All students have equal access to the curriculum and equal opportunities for success. Every classroom has multiple computers and the school has 2 laptop carts (and soon to have 3) that are continually used, as well other technologies, which are integrated into curricular areas. The Skyline staff continually participates in staff development. Every child is encouraged to be competent and self-reliant. Students are provided a learning environment that enhances positive feelings of self-esteem.

We provide additional structured activities like noon time sports tournaments and after-school programs like reading intervention, math club, book club, art, garden club and the bricks for kidz lego engineering club, edible arts, chess, dance and others. Many teachers offer after school assistance for students who need additional help.

We are proud of the diversity of cultures and languages at Skyline School. Students, staff, parents, and community members all feel part of the Skyline School Family. Our school is a great place to be! We are very proud to have been awarded the California Distinguished award in May of 2010. Our school was awarded Distinguished School for 2014 as well.

As part of our continual improvement process we are updating the school mission statement, and creating student learning expectations. Our motto is "At Skyline We Grow Readers and Leaders!"

The mission of Skyline School is to promote the embodiment of our student learning expectations- Skyline Students are: Committed, Academic Learners; Active, responsible citizens; and Creative Thinkers/Problem Solvers.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Indicator	18-19	19-20	20-21
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

#### Textbooks and Instructional Materials

Year and month in which data were collected: December 2020

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	McGraw Hill Wonders/2017 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Mathematics	Houghton Mifflin Harcourt (HMH) Math Expressions/2015 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Science	Delta Education-FOSS/2008 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
History-Social Science	Pearson Scott Foresman-CA History Social Science/2006 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%
Health	Family Life Adopted - The Puberty Workshop and Curriculum/2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%

Note: Cells with N/A values do not require data.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Skyline Elementary School was built in 1966. The school has 21 teaching stations (6 buildings, 3 portables, MUR, Library, Resource Center and Administration Offices) providing education for grades K-5. The District takes great effort to ensure that all schools are clean, safe and functional. All bathrooms, classrooms and offices are cleaned daily. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. The facilities work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Our walking path around the perimeter of the grassy area on the recess yard was replaced in November 2019.

School Facility Good Repair Status

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: December 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good

<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	57	N/A	52	N/A	50	N/A
Math	55	N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement - (School Year 2020-2021)

Skyline Elementary has multiple opportunities for parental involvement at Skyline. Parents serve on our SSC as well as our ELAC committee. However, our PTA is one of the best ways to become involved at school! our PTA is very active in supporting the school through various fundraisers, book fairs, family movie nights, spirit wear, and daily volunteering on campus. Since March of 2020 we have moved to a virtual format for our PTA Meetings. We normally encourage parents to volunteer in their child's classroom or on the playground, but at this time we are focusing on families supporting their child online while on distance learning. We believe that parental involvement leads to overall student success academically and socially. Please work directly with your child's teacher, PTA, or the school office to identify opportunities for volunteering on campus, when we return to 'normal operations'. All parent volunteers are expected to sign in at the office and uphold the rules and expectations of Skyline School while on campus. Please remember to complete volunteer paperwork!

To learn more about specific opportunities for getting involved, please

contact the school principal, Monica L. Nagy, at 650-877-8941 or [mnagy@ssfusd.org](mailto:mnagy@ssfusd.org)

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Skyline Safety Plan includes a detailed list of all duties that staff will need to assume in the event of an emergency. There are also detailed maps of all evacuation locations, paths of travel and utility shut off locations. All staff are broken up into teams so that all areas are covered and release/reunification procedures run smoothly. There is also a staff release plan in place in the event there is a need to house students overnight. Various staff members have taken advantage of training that have been offered. Those include CPR, First Aid, Fire Suppression as well as Search & Rescue techniques in order to promote safety in an emergency.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	0.0	5.6	5.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

Title	Ratio

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	4

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Staff Development is very important to us at Skyline School. We value working in a collaborative environment and research shows it leads to a more cohesive staff and increased student achievement. Over the past year, we have focused our professional development on:

- Response to Intervention/ Student Study Team Process- we began to utilize a pre-referral system for early identification of students needing support. We enlist the knowledge of experts and strategize on how to best accelerate the growth of our students.
- Using Literably and other online data in order to best support our students.
- Soul Shoppe- Our staff has been through a training with the Soul Shoppe program to allow for common language in character education. The program also is providing 3 assemblies focusing on teaching tools for resolving conflict and how to handle bullying in a healthy way. We are also using PAX Good Behavior Game and it has been very successful in helping students to self regulate their behavior in school.
- Data Analysis- utilizing the PLC process and the Data Analysis Protocol, by grade level, as a staff, in order to better support student learning. We also offer other professional development opportunities as deemed necessary.

\* Small Group instruction as well as comprehension strategies will be addressed during the 2019-2020 school year.

Peer Assistance and Review; Gifted and Talented (GATE); Title I, Part A – Basic Grant; Title II, Part A – Teacher Quality; Title III, Part A – Limited English Proficient (LEP); School and Library Improvement Block Grant; Federal, Vocational and Applied Technology Educational Act; Federal Special Education, Entitlement per UDC; Class Size Reduction; Special Education Master Plan; Special Education Transportation; Economic Impact Aid; Instructional Materials; Art and Music Block Grant.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
