2019-20 School Accountability Report Card Published During the 2020-21 School Year

School Description

Alta Loma Middle School is located in the city of South San Francisco, a growing biotechnology center and home of the historical sign “South San Francisco: The Industrial City” which can be seen from both air and land. There are currently nine elementary schools, three middle schools, two high schools, one continuation high school, an adult program and a pre-school program in South San Francisco Unified School District. Alta Loma Middle School was established in 1957, and during the 2019-20 school year 702 students were enrolled in grades six through eight on a A/B Block schedule. Alta Loma Middle School has a strong curriculum that teaches the Common Core State Standards and reflects the interest and needs of our students. Alta Loma Middle School is a Professional Learning Community as teachers collaborate often to deliver quality lessons and evaluate student assessment results. Teachers are designing lessons that teach our students 21st Century Learning Skills: collaboration, communication, critical thinking, and creativity. Once a semester the staff will implement a school wide cross curricular based project, by grade level, involving all teaching disciplines. Computer technology, physical education, art, along with a library program that gives access to a rich variety of literature are some of the amenities available to students. Student technology use is important in instruction and learning. The ratio of students to computers is 2.5 to 1. Language Arts, Mathematics, Social Studies and Science departments each hold a Family Night to bring the Alta Loma Community together to participate in subject-related games to give parents an idea of the curriculum and standards students are learning in middle school. In addition, there is a student mentorship, anti-bullying program, recognition program and positive incentive program that contributes to a safe and positive learning environment. Individual student needs are taken into consideration at Alta Loma Middle School. Academic Instruction and Academic Support Classes, Speech and Language Program, English Language Learner programs, school counseling program, and an outreach counseling service: Youth Services Bureau are important parts of the educational program. In addition, Alta Loma Middle School has an outstanding instrumental music program where 20% of our students participate in one or more of the following bands: Beginning Band, Intermediate Band, Advanced Band, and Jazz Band. Alta Loma Middle School has a Response to Intervention Academic and Behavior Plan that is designed to improve student learning and behavior. Alta Loma's sports program, which involves a large percentage of the student population, is supported by the South San Francisco Parks and Recreation Department, parents, and staff. At the end of 2015-16 school year we began transforming our outdated library into a 21st Century Learning Commons that will include an Internet Cafe, New fiction and non-fiction books, e-subscriptions, learning carrels and a classroom where teachers can use with their students. Completion of the Learning Commons occurred in 2019 and the phasing in of the Maker Space commenced in the 2019-20 school year. This project will continue when distance learning concludes and students return in the near, foreseeable future.

In 2018-19 the Math After Dark is the first of a series in place to offer parent nights to educate parents on how to cope with middle school children and their academics. This continued to prosper during the 2020-2021 school year virtually.

Mission Statement:

At ALMS, our mission is to ensure that our students grow into lifelong learners who can express their thinking and show social and emotional intelligence.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements

Alta Loma Middle School was built in 1957. The school has 34 teaching stations, MUR, Library and Administration Offices providing education for grades 6-8. The District takes great effort to ensure that all schools are clean, safe and functional. All bathrooms, classrooms and offices are cleaned daily. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. The facilities work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: December 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	47	N/A	52	N/A	50	N/A
Math	41	N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parents and the community are very supportive of the educational programs in the South San Francisco Unified School District. The Parent Teacher Association (PTA) plays an active role in the community and at Alta Loma Middle School through fundraising, hospitality, and special activities. Parents may also volunteer at school events such as the All Grade Levels' Field Trip, Science Night, Family Math Night, Family Literacy Night, Family Social Studies Night, Band concerts/tours and chaperoning students on field trips. English Language Learners' parents are involved in their child's education and policy decision making through active participation in the ELAC meetings. Parents sit on the School Site Council and are responsible for improving the effectiveness of the school and improving the academic program as well as approve the site allocated funds that make up the school site budget. Local community partnerships include Round Table Pizza, Lion's Club, Simply Uniforms, and Costco. Alta Loma Counselors host College Night annually to inform parents of how to prepare their child for the college of their choice. Alta Loma introduced Parent Education Nights to educate parents on how to cope with their middle school child through these developmental years. Principal Coffee chats are held every month on the third Friday for parents to share and learn from each other. Because of distance learning, all appropriate events are now converted to virtual formats, with exceptions of our Family Nights and field trips.

To learn more about specific opportunities for getting involved, please contact the school principal, Michael Reichle, at 650-877-8797 or mreichle@ssfusd.org

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan includes an overview of the school's current comprehensive safe school programs and initiatives as well as an annual action plan that addresses the four phases of an emergency planning: mitigation, preparedness, response and recovery. The plan identifies members of the school's emergency response team, their roles and responsibilities, and their lines of communications with the district's emergency response team. Emergency policies and procedures and the location and inventory of the school's first aid and emergency supplies kits are detailed. Each School Safety Plan incorporates the state's Standardized Emergency Management System (Big 5) and is aligned with the detailed District Emergency Management Handbook. Alta Loma has a full time campus supervisor. Administration works closely with the South San Francisco Police Department through the School-Police Liaison Program. The safety plan was reviewed with the faculty on August 14th, 2020 and was ratified by the SSC (School Site Council) in September of 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	7.1	6.5	5.6	5.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	360.5

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	4

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

3 calendar days are provided by the district for professional development related to the identification of common, essential standards and the study and unpacking of them. In addition, we are analyzing the Common Formative Assessment data with the data tool protocol provided by the district. The PD offered during staff meetings and specifically to the administrative council are related to the strengthening of the cycle of inquiry and continuous improvement efforts of Professional Learning Communities (PLC) in coordination with the data analysis training being featured this year.

Teacher leaders on math and ELA TLT (Teacher Leadership Teams) will be provided 4 PD days to facilitate, analyze and lead the data dissemination process and further planning of scope and sequence. Due to COVID-19, professional development has been relegated to learning about online platforms, lesson design and engagement in Google Classroom, Nearpod, Flipgrid and IXL in the 2020-2021 school year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
