Dear Parents and Students:

This letter serves as Paulding Exempted Village School District's annual technology privacy notice consistent with Ohio Revised Code Sections 3319.325 - .327.

## Technology Provider Contracts

Please visit the following [website \(https://sdpc.a4l.org/district\\_listing.php?districtID=4997\)](https://sdpc.a4l.org/district_listing.php?districtID=4997) to find a list of all technology providers that have access to students' educational records for the purpose of providing curriculum, testing, or assessment services. If you wish, you may review a complete copy of the District's contract with any of the below technology providers, as questions, or relay concerns by contacting Mr. Etzler at [c\\_etzler@pauldingschools.org](mailto:c_etzler@pauldingschools.org).

## General Monitoring of School-Issued Devices

Please be aware that the District, either directly or through a technology provider, is electing to generally monitor all school-issued devices (as that term is defined by R.C. 3319.325). The monitoring will include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The District generally monitors these features for the noncommercial education purpose of instruction, technical support, and/or exam proctoring. Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to threats to life or safety.

Please do not hesitate to reach out if you have any questions or concerns at 419-399-4656 ext. 1510.

Sincerely,

Chris Etzler  
Superintendent  
Paulding Exempted Village Schools
