OVERVIEW

Because all students are created in God's image, loving and teaching students well is very important to us. The middle school years are a time of transition and growth for students as they leave their elementary years behind and prepare for a challenging high school academic program. In addition to the core academic classes, students can choose from a wide variety of electives and after school opportunities as they begin to discover their interests, gifts, and talents. All curricular and co-curricular offerings are taught from a Biblical perspective.

SPIRITUAL DEVELOPMENT

Orangewood Christian middle school students have numerous opportunities to grow in Christ. Our students are involved in Bible classes, summer missions, small groups, service days, and weekly chapels. They interact with teachers who deeply care for them as individuals and serve as mentors and Christian role models every day in the classroom.
