

Notification of Change in Student's Services and/or Monitoring in Compliance with Ohio Revised Code 3313.473

Parent/Guardian:

You are receiving this notice due to either a substantial change in the student services, including counseling, provided to your child or monitoring related to your child's mental, emotional, or physical health or well-being or the school's ability to provide a safe and supportive learning environment to your child.

Parents have the fundamental right to make decisions regarding the upbringing and control of their children. The school district shall not in any manner inhibit your access to your child's education and health records maintained by the school.

You are being notified of the following issue(s) impacting _____ [student]:

☐ A substantial change in the student's services

☐ Service modified: _____

☐ Monitoring of:

☐ The student's academic performance

☐ A significant sickness or physical injury, or any psychological trauma suffered by the student

☐ Harassment, intimidation, or bullying by or against the student in violation of school district policy

☐ A request by the student to identify as a gender that does not align with the student's biological sex

☐ Exhibition of suicidal ideation or persistent symptoms of depression, or severe anxiety, or other mental health issues

☐ The school's ability to provide a safe and supportive learning environment for the student
