May 2025 | Volume 10

The month of May has a week designated for everyone to specifically recognize and honor all teachers and what they do on a daily basis. As expressed throughout the year, we want to emphasize how much we appreciate what you do for your students and celebrate everything you have accomplished this year!

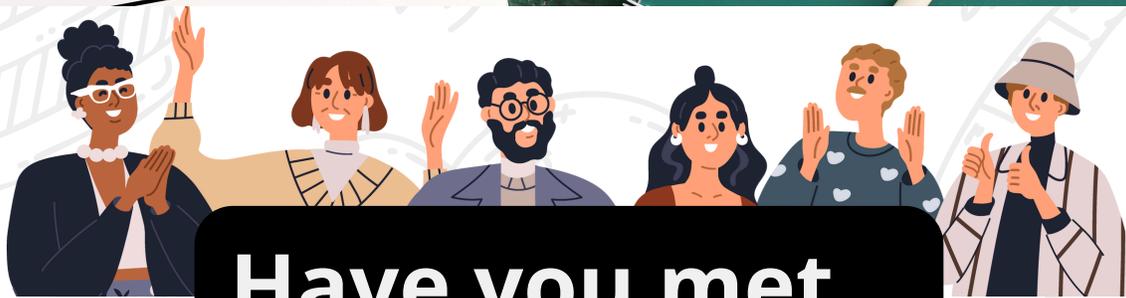

As you near the end of the school year, there are going to be checklists of items to complete: preparation for end-of-year assessments, end-of-year checkout procedures, registering for licensure tests and/or coursework, and other tasks designated by your school/district. In the hustle and bustle of finalizing all to be done, remember to take time for yourself to relax and rejuvenate. We hope you have a wonderful summer break and look forward to you returning to your school next year!

Sincerely,
The Regional Education

AN OPEN LETTER TO TEACHERS

Have you met...

...someone to help you celebrate? Throughout the year, you have encountered multiple people who have supported you and been your cheerleader as you have progressed in your career. As the end of the school year nears, reflect on all you have accomplished with the people who have wanted to see you succeed!
