

The School Plan for Student Achievement

School: South San Francisco Adult School
CDS Code: 41690704137212
District: South San Francisco Unified School District
Principal: Stephen Redmond
Revision Date:

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

School Profile

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)
4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)
5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)
6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)
7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)
9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)
10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)
11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)
12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

14. Research-based educational practices to raise student achievement

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

18. Fiscal support (EPC)

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Numbers of members of each category:					

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.
