

COLLECTIVE BARGAINING AGREEMENT
BETWEEN THE
MANCHESTER-ESSEX TEACHERS ASSISTANTS' UNION
AND THE
MANCHESTER-ESSEX REGIONAL SCHOOL DISTRICT SCHOOL COMMITTEE

The Manchester-Essex Teachers Association proposes that the Collective Bargaining Agreement (CBA) between the Manchester-Essex Teachers Assistants' Union, so-called "Unit B", (the Association) and the Manchester-Essex Regional School District School Committee (the Committee), be in effect from September 1, 2024, through August 31, 2027, and be as detailed below.

Preamble

Recognizing that the purpose of the Manchester Essex Regional School District is to provide education of the highest possible quality for the students of Manchester-by-the-Sea and Essex and that equitable treatment, a workplace conducive to the maintenance of good morale, and a high respect for the staff are essential to the achievement of that purpose, we the undersigned parties to this Contract hereby agree that:

The Manchester Essex Regional School District School Committee (hereinafter the "Committee") is a public body established under and with duties, powers, responsibilities, and rights provided by the General Laws of Massachusetts and the applicable rules and regulations of administrative agencies issued under such laws.

The Superintendent of Schools for the District is the executive officer of the school system and, as such, administers and directs the operation of the Manchester Essex Regional School District (hereinafter the "District") in accordance with the policies of the Committee.

The Teaching Assistants of the District share with the Committee and the administration responsibility for providing students of the District with an education of the highest possible quality consistent with the policies of the Committee. Because of their direct contact with school children, the Teaching Assistants have a major role in implementing current policies and in recommending revisions wherever appropriate.

Fulfillment of these responsibilities is to be facilitated and supported by negotiations utilizing discussions and exchanges of information between the Committee and its administration and the representatives of the staff defined in Article I Recognition which result in agreements reduced to writing and contained herein relating to wages, hours, and other conditions of employment. Nothing herein shall be construed so as to restrict the free exchange of views and information regarding educational policy.

ARTICLE 1 – Recognition

- 1.1 For the purposes of collective bargaining with respect to wages, hours, and other conditions of employment, the negotiation of collective bargaining agreements, and any other questions arising thereunder, the Manchester-Essex Regional School District School Committee (MERSDSC) recognizes the Manchester-Essex Teachers Assistants' Union as the sole and exclusive bargaining representative, as provided by Chapter 150E of the General Laws of the Commonwealth of

Massachusetts, for all Teachers Assistants and Registered Behavior Technicians (also known as Education Support Professionals (“ESPs”), paraprofessionals, and paraeducators) employed by the Committee.

ARTICLE 2 – Rights of School District

- 2.1 Except where a specific provision or an express term of this Agreement clearly provides otherwise, the Committee retains the exclusive right to manage its business and to determine the methods and means by which the schools shall be operated.

As the legislative body charged with the efficient and economical operation of the Manchester Essex Regional School District, it is acknowledged that the Committee has the final responsibility of establishing the educational policies of the Manchester Essex Regional School District.

The exercise of such responsibility by the School Committee shall be at the sole discretion of the School Committee and shall not be subject to grievance, arbitration or other review, except as specifically provided by an express term of this Agreement.

ARTICLE 3 – Negotiation Procedure

- 3.1 The Committee agrees to enter into negotiations with the Association for a successor agreement. Should the parties agree to Interest-Based Bargaining (IBB), training will begin no later than October 15 preceding the expiration date. If the parties choose not to utilize IBB, negotiations for a successor agreement should commence no later than November 1 preceding the expiration date. In either case, the parties agree to negotiate with a goal of concluding negotiations in advance of the annual town meetings in Manchester and Essex.

“Negotiations” shall be defined as, but not limited to, a good faith effort by the School Committee and the Association to reach a written understanding relative to unit employees’ wages, hours, and other conditions of employment, whether or not covered by this Agreement.

Within thirty (30) days after written notice of either party to the other, the Association and the Committee, or duly appointed agents of either and/or both, shall meet to discuss any matter relative to employment which is properly defined within “negotiations” in the foregoing paragraph.

ARTICLE 4 – Grievance Procedure

- 4.1 The purpose of the procedure set forth hereinafter is to resolve differences regarding a complaint of a violation of this Agreement. A grievance shall be defined as an alleged violation of a provision(s) of this Agreement.

The parties to this Agreement recognize the desirability of settling grievances at the earliest possible time. The parties are encouraged to problem-solve disputes.

The Association and the Committee desire that the procedure shall be confidential.

A grievance must be filed at its initial level no later than thirty (30) school days next following the occurrence of the violation or the date when the grievant should have known about the violation.

At the Association's option, a class-action grievance may be initiated at either Level One or Level Two of the procedure.

Any time limit under this Article may be waived by mutual agreement.

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

If any unit member covered by this Agreement shall present a grievance without representation by the Association, the disposition of the grievance, if any, shall be consistent with the provisions of the Agreement. The Association shall be informed of the grievance hearing by the administrator/School Committee at that level of the procedure, shall work with the administrator and the aggrieved unit member to establish a mutually convenient time and date for the meeting, and shall be permitted to be heard at each level of the procedure at which the grievance is to be considered.

No reprisals of any kind shall be taken against any person because of the exercise of rights under the grievance procedure.

4.2 The levels of the grievance procedure shall be as follows:

Level One The Association and/or the unit member shall present the grievance to the Principal. The principal shall meet within ten (10) school days in an attempt to resolve the grievance. The principal shall issue a written answer to the grievance no later than ten (10) school days after the grievance hearing.

Level Two In the event that the grievance is not settled at Level One, the grievance may be submitted in writing to the Superintendent within ten (10) school days of receipt of the principal's written decision. The Superintendent shall meet with the Association within ten (10) school days of receipt of the grievance at Level Two and shall attempt to resolve the grievance. The Superintendent shall issue a written decision to the grievance no later than ten (10) school days after the grievance hearing.

Level Three In the event that the grievance is not resolved at Level Two, the grievance may be submitted in writing to the Committee within ten (10) school days of receipt of the Superintendent's written decision. No later than at its next regularly scheduled meeting the Committee shall meet with the Association to discuss the grievance. The Committee shall issue a written response to the grievance no later than ten (10) school days after the Level Three meeting.

Level Four If the grievance shall not have been disposed of to the satisfaction of the Association by the end of twenty-five (25) school days next following the date of

the written response of the School Committee, the Association may pursue one (1) of the following two (2) courses:

- For grievances involving the evaluation, suspension, or termination of a unit member(s), the Association may file for arbitration with the American Arbitration Association (AAA);
- For grievances involving other disputes under the Agreement, the Association may file for arbitration with the Board of Conciliation and Arbitration.

4.3 The cost of arbitration shall be divided equally between the two parties but excluding the Association's and the Committee's own cost of the presentation of their respective cases. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

4.4 The arbitrator's award shall be in writing and shall set forth their findings of fact, reasoning, and conclusions on the issue(s) submitted. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of the Agreement. The award shall be final and binding upon the Committee, the Association, and any unit member(s) who may be party to a grievance.

ARTICLE 5 – Payroll Procedures and Deductions

5.1 Payroll Procedures

Unit members shall be paid in twenty-two (22) bi-weekly pay periods.

Direct deposit of payroll checks shall be available to unit members who authorize the direct deposit in writing on the appropriate form provided by the Superintendent's office.

The MERSDSC agrees to make the following deductions, subject to authorization by the employee: Association Dues, Town Employees' Credit Union, Annuities, 403B Plans, Section 125 Plan Deductions, and Insurance Plans - including Health, Dental, Life and Individual/Group Disability Plans. The membership shall have access to the Long-Term Care Plan identified by the Manchester Essex Teachers Association.

Once established by completion of the proper form(s) provided by the Superintendent's office, these payroll deductions shall continue from year to year. Revocation of any or all of the deductions must be in writing and is subject to any pertinent statute or IRS regulation.

A unit member shall be permitted to change the dollar amount of any voluntary deduction with a minimum of two (2) weeks' written notice on the proper form to the Superintendent's office.

Any of the above deductions so authorized by unit members new to the district or by current unit members who determine to establish a deduction shall be established no later than September 30 and shall begin with the last paycheck in October. Unit members may also choose to establish a deduction for a tax- sheltered annuity or a 403B plan during the month of April.

5.2 **Payment of Extracurricular Stipends**

Qualified unit members may apply for and be hired for extracurricular stipend positions offered to members of the teacher unit. Year-long Extracurricular Stipends will be paid at the rate established in the Teacher Unit CBA and in accordance with the following schedule:

Fifty per cent (50%) of the stipend with the first pay period in December.

Fifty per cent (50%) of the stipend with the second pay period in May.

Extracurricular Stipends with activities extending into June will be paid in the pay period following completion of those activities.

5.3 **Payment of Athletic Stipends**

Qualified unit members may apply for and be hired for athletic stipend positions offered to members of the teacher unit. Athletic stipends will be paid at the rate established in the Teacher Unit CBA and in accordance with the following schedule:

Fall: Fifty per cent (50%) of the stipend will be paid on the first pay period after October 1

Winter: Fifty per cent (50%) of the stipend will be paid on the first pay period after January 1

Spring: Fifty per cent (50%) of the stipend will be paid on the first pay period after April 1

In each of the above cases the remainder of the stipend will be paid in the pay period following the completion of all "close-out tasks." Said tasks will be set forth on a "punch list" developed by the Athletic Director following consultation with the coach involved.

5.4 **Dues Deduction**

The Association shall annually transmit to the employer the amount of the dues. Deductions shall be made in as equal pay period installments as possible during the school year. The employer shall transmit monies collected to the Association Treasurer each pay period.

The form for dues deduction is located in Appendix B: Forms.

ARTICLE 6 – Conditions of Employment

6.1 **Work Year**

The work year shall begin the Monday before Labor Day and shall end no later than June 30. The unit members' work year shall begin with one (1) orientation day and one (1) professional development day prior to the student school year. The student year shall consist of one hundred eighty (180) days of student instruction which shall begin the third day of the unit member work year. School shall be closed for unit members and students the Friday before Labor Day.

It is understood 8 workdays of the 180 student school days are regularly scheduled to be ½ days for the purpose of professional development. Unit employees who are requested to remain at work, with pay, beyond their regular workday to participate in one or more of these professional development days shall be provided with no fewer than 30 calendar days' notice of the request and the employer shall be responsible for ensuring that the compensation for these additional hours is included in the employee's next regularly scheduled paycheck.

Should the District determine prior to the start of the school year that all unit employees or a class of them (i.e. RBTs) will be required to participate in one or professional development half days described above, a schedule of each session will be provided to each staff member so affected prior to the start of the work year and the employer shall be responsible for ensuring that the compensation for these additional hours is included in the employee's next regularly scheduled paycheck.

The day before Thanksgiving shall be a half-day for students and unit members. Unit members will be paid for a full day.

6.2 **Workday**

The workday of unit members shall be:

Essex Elementary School	8:05 AM – 3:05 PM
Memorial Elementary School	8:05 AM – 3:05 PM
Manchester-Essex Middle/High School	7:35 AM – 2:35 PM

The district may adjust the starting or dismissal times for a school day by up to fifteen (15) minutes provided that the span of consecutive hours for any unit member is not increased. The district shall notify the Association no later than April 1 of the school year prior to the school year for which it proposes a change. The Superintendent and the Committee shall meet with the Association to negotiate the impact of any such adjustment.

6.3 **Lunch**

All unit members shall have a paid thirty (30) minute duty-free lunch.

6.4 **Assignments**

Unit members shall receive building assignments for the following school year by August 15th. Such assignments may be changed thereafter, however, when new students are enrolled prior to the start of the school year or for unforeseen circumstances.

A unit member shall not be assigned to more than two (2) buildings per day and shall be provided with travel time of thirty (30) minutes between buildings when buildings are located in two (2) different towns. The district will make best efforts to provide priority parking near the entrance to the building. When a unit member travels between buildings within the same town, the unit member shall work out a mutually agreeable schedule with the principal that permits reasonable travel time.

6.5 **Meetings**

Unit employees who are requested to remain up to one hour, with pay, beyond their contractual work day to participate in building- or department-based staff meetings, not to exceed two meetings per month, shall be provided with no fewer than 30 calendar days' notice of the request, except in extenuating circumstances, and the employer shall be responsible for ensuring that the compensation for these additional hours is included in the employee's next regularly scheduled paycheck.

Should the District determine prior to the start of the school year that all unit employees or a class of them (i.e. RBTs) will be required to participate in one or more staff meetings, a schedule of each meeting will be provided to each staff member so affected prior to the start of the work year and the employer shall be responsible for ensuring that the compensation for these additional hours is included in the employee's next regularly scheduled paycheck.

ARTICLE 7 – Vacancies and Transfers

7.1 **Vacancies**

In any posting of a vacancy, and anticipated vacancy, under this Agreement, the following information shall be provided: specifications, qualifications, compensation, and application deadline. At least seven (7) calendar days (except in extenuating circumstances) excluding school vacations and holidays during the school year, prior to an application deadline, the Superintendent shall notify the META President of the posting for each position and shall post an electronic notice to staff on the MERSD website. Postings during the summer shall be sent to the President and to unit members via MERSD e-mail.

Unit members who work in year-round programs (i.e. ACE) shall have the right of first refusal to summer positions in those programs before other unit members or outside applicants.

7.2 **Voluntary and Involuntary Transfers**

Voluntary Transfers

Any unit member desiring a transfer shall submit a written request to the Director as early as practicable. Requests shall specify the location desired. The Director or designee shall meet with the employee to discuss the reasons for the request. While the seniority of the employees shall be considered, the decision whether to grant the request shall be at the discretion of the Superintendent or designee.

Involuntary Transfers

When a principal or Director determines that a transfer to a different school building should take place, the employee will be notified, and, if requested, they shall be given an opportunity to discuss the transfer with the Principal and/or Director. While the seniority of employees shall be considered in the making of these decisions, the final decision rests with the Principal or

Director. The Parties will make best efforts to avoid multiple such transfers as this may interfere with optimum performance.”

If a unit member is involuntarily reassigned mid-year to a position in a lower-paying classification, their pay will go unchanged for the remainder of the school year but will be readjusted for the following school year based on new assignments.

ARTICLE 8 – Reduction in Force

- 8.1 In the event that there is to be a reduction in the number of education support professionals (ESPs), any reduction will be made by classification. Classification shall be as follows: (1) General Education ESPs; (2) Special Education ESPs; and (3) Registered Behavior Technician (RBT) ESPs.

The following procedure shall be used in each classification: ESPs with fewer than three (3) consecutive full school years of service shall be non-renewed prior to ESPs with three (3) or more consecutive full school years of service being laid off except where the Superintendent/designee determines that the best interest of a student(s) would be better served by retaining an ESP who has fewer than three (3) consecutive full school years of service. A full year of service is any school year in which the ESP has worked at least ninety-two (92) days of the school year.

After consideration of the above, in determining which ESPs in each classification with more than three (3) consecutive full school years of service shall be laid off, the Superintendent/designee may consider the following:

1. the qualifications, training, education, experience and evaluations of the ESPs;
2. the needs and/or best interests of a particular student(s) and/or the school or school system; and
3. length of service.

When the Superintendent/designee determines that the criteria considered by the Superintendent/designee in (1) and (2) above are substantially equal, seniority shall be used as a tie breaker.

Any unit member to be laid off shall be notified of the action no later than June 15 of the school year preceding the school year in which the reduction is to take place. The District shall make every effort to notify affected unit members by May 15.

- 8.2 ESPs with three (3) or more consecutive full school years of service who are laid off shall be placed on a recall list in their respective classification for a period twelve (12) months from the date of the layoff notice until the ESP accepts a notice of recall or unless the ESP refuses/fails to respond to a recall. The Superintendent/designee shall recall ESPs on the recall list in inverse order of layoff unless the Superintendent/designee determines that the qualifications, training, education, experience or evaluations of an ESP or the needs and/or best interests of a particular student(s) and/or the school or school system would be better served by recalling an ESP out of order. (By way of example and not limitation, the Superintendent/designee may, but is not

required to, recall an ESP with experience at the elementary school level prior to one with experience at the high school level for an elementary position even if the elementary ESP was laid off prior to the high school ESP.)

During the period of layoff, the unit member shall be eligible to participate in the District insurance plans but shall pay the full cost of the plans in which they choose to participate.

Recalls shall be made by email notice to the ESP. To this end, the Superintendent/designee shall confirm the email address the ESP wishes to receive the notice upon delivery of the notice of layoff. It is the ESP's responsibility to update the Superintendent/designee if this email address changes during the layoff period.

An ESP who fails to respond to a recall notice to their personal email within seven (7) calendar days from the date of the email notice or who declines the recall offer, shall be removed from the recall list.

A unit member recalled under this Article shall be credited with all the benefits to which they were entitled to prior to their layoff, including accumulated sick leave and shall be placed one (1) step higher on the salary schedule (unless previously on the maximum step) than they occupied when laid off, provided they would have advanced to such step had they not been laid off.

- 8.3 Seniority and other benefits shall not accrue during the period of time a unit member is on recall.

Seniority is defined as continuous employment from the initial date of hire in Essex, Manchester, or the Manchester Essex Regional School District, including time spent on approved leaves of absence. An authorized unpaid leave of absence shall not disrupt continuity of service; such time, however, shall not be credited for purpose of seniority.

Within sixty (60) days after the execution of this Agreement the Committee shall forward to the members of the Association the initial seniority list containing the names of all the unit members, listed in order of seniority with date of appointment and years and months of seniority. The proposed list shall be posted in each building. A seniority list then shall be established each school year by November 1; the list shall remain in effect until the subsequent list is established.

Any challenge(s) to the list must be filed by written notice to both the Superintendent and the Association President no later than twenty (20) school days after the dissemination and posting of the list. Within ten (10) school days of the date the challenge(s) is due, the Superintendent and the Association President or their designee shall meet to resolve a challenge. If the challenge is not resolved, the matter shall be immediately submitted to expedited arbitration in accordance with the rules of the American Arbitration Association.

Any challenge(s) to the composition of subsequent annual seniority lists may be made only to the extent of the change, if any, from the immediately preceding seniority list.

- 8.4 An ESP who has been laid off shall have the option of being placed on the substitute list, if they so desire and indicate so in writing to the Superintendent/designee.

ARTICLE 9 – Paid Leaves of Absence

9.1 Protection of Benefits During Paid Leave

Any paid leave under this Agreement shall entitle the unit member to credit for leave time as though they were in the active service of the District.

Any unpaid leave that results from leave granted as unpaid leave that extends any period of leave time specified herein shall not constitute a break in service.

The unit member shall return to their position or to a comparable position. Upon return, all benefits to which a unit member was entitled at the time their leave commenced shall be restored to them upon their return.

9.2 Sick Leave

Unit members shall be entitled to fifteen (15) sick leave days each contract year for absences resulting from the illness or injury of a unit member. Days shall be earned at 1.5 days a month. Each unit member shall be allowed to accrue sick leave to a limit of one hundred (100) days.

All unit members employed as of the ratification of this agreement shall be entitled to carryover all accrued sick days (up to 100).

If a unit member is absent for five (5) or more consecutive days, the Superintendent has the right to ask the unit member to provide a note from a medical provider.

The following provisions shall be used to determine a less than full-time unit member's sick leave accrual and its interface with past/future full-time sick leave accrual:

- (a) If a unit member is less than a 1.0 Full Time Employee (FTE) or moves from 1.0 FTE to part-time but works five (5) days a week, the number of sick leave days shall accrue by the same as those of a full-time unit member: fifteen (15) sick leave days per year.
- (b) If the part-time unit member moves to full-time status, the accrued number of sick leave days shall then be multiplied by the percentage of the week that the unit member has been employed. For example, a 0.5 unit member with thirty (30) accrued sick leave days shall receive fifteen (15) accrued sick leave days upon full-time employment status.
- (c) If a unit member who is less than a 1.0 FTE or moves from 1.0 FTE to part-time but works less than a five (5) day week, they shall receive sick leave proportionate to the amount of sick leave received by a full-time member. For example, a 0.8 unit member who works only four (4) of the five (5) weekdays shall receive 0.8 of the sick leave days. If this unit member moves to full-time employment they shall retain their accrued number of sick leave days.

Any change in status shall result in the recalculation of leave days. A unit member who moves from full-time status to less than full-time will have recorded in a separate account on their status sheet the number of accrued sick leave days earned as of that date.

For the purposes of determining an individual's annual sick leave and accrued sick leave, all calculations shall be rounded up to the nearest day upon retirement from the school system.

Beginning in the second full year of service, the sick leave allowable for any year shall be available in full at the commencement of each school year.

A unit member who resigns or is non-renewed because of budgetary constraints, declining enrollment, or program elimination and is rehired shall be credited with the number of days of sick leave previously accrued.

9.3 **Family/Household Accident or Illness**

A unit member may use their annual allotment of fifteen (15) sick leave days to care for a family member defined as spouse/partner, child, parent, parent of one's spouse/partner, sibling and/or a household member. Use of more than fifteen (15) personal sick days for individuals in the defined categories may be granted at the discretion of the Superintendent. Use of days for individuals not covered by the categories above is also at the discretion of the Superintendent. Use of days under this section is capped at twelve (12) weeks within the defined FMLA year.

9.4 **Parental Leave**

(N.B. for **Child Rearing Leave**, see Article 10.3, Unpaid Leaves of Absence)

9.4.1 **Section 1**

A birth parent or adoptive parent shall be able to use up to twelve (12) consecutive work weeks exclusive of holidays and vacations for parental leave. Determination of the length of the leave shall be at the unit member's discretion.

A unit member shall be able to use accrued personal sick leave days for the period of temporary disability due to childbirth and recovery therefrom. Such leave shall commence when the unit member gives birth. Any request for paid leave exceeding twelve (12) weeks must be accompanied by a physician's certificate attesting to continuing disability.

An individual taking adoption leave shall be permitted to use their accrued personal sick leave.

In recognition of providing unit members with leave in excess of eight (8) and up to twelve (12) weeks, said determination of the amount of leave to be at the unit member's option, the Superintendent agrees not to deny the employee their rights under MGL Chapter 149, Section 105D and shall refrain from informing the employee, in writing, prior to the commencement of the parental leave, and prior to any subsequent extension of that leave, that taking longer than eight (8) weeks of leave shall result in the denial of reinstatement or the loss of other rights and benefits.

9.4.2 **Section 2**

A non-birth parent, foster parent or unit member who is having a child placed with them pursuant to a court order will be entitled to use, at their option, up to a maximum of twenty (20) consecutive workdays of their accrued sick leave exclusive of holidays and vacations during their parental leave.

In recognition of providing unit members in Section 2 with leave in excess of eight (8) weeks and up to twelve (12) weeks, at the unit member's option, the Superintendent agrees not to deny the employee their rights under MGL Chapter 149, Section 105D and shall refrain from informing the employee, in writing, prior to the commencement of the parental leave, and prior to any subsequent extension of that leave, that taking longer than eight (8) weeks of leave shall result in the denial of reinstatement or the loss of other rights and benefits.

9.4.3 **Section 3**

Whenever possible, the Superintendent shall be notified of the date of the beginning of the leave at least four (4) weeks prior to the unit member's departure. This date may be adjusted and the initial request for leave is not binding on the individual.

9.5 **Bereavement Leave**

In the event of the death of a parent, spouse, sibling, household member, life/domestic partner, parent-in-law, grandchild, grandparent, cousin, uncle, aunt, niece, nephew, sibling-in-law, and any other person, leave time up to a total of five (5) days of absence in a school year shall be allowed with full pay. Additional days shall be granted at the discretion of the Superintendent.

9.6 **Personal Leave**

Subject to the following conditions each unit member is allotted two (2) days per year for personal use.

Such days cannot be taken during the first week or the last week of the school year or on a school day immediately before or after any holiday or school vacation period unless the Superintendent at their discretion waives these limitations.

Except in the event of an emergency, a unit member requesting personal leave shall give forty-eight (48) hours' written notice of intention to take such leave to the Superintendent on the form reproduced in Appendix B: Forms.

No more than three (3) unit members in each building shall be able to take personal leave on any given day. In the event that more than three (3) unit members in the building request personal leave for any given day, the first three (3) unit members in the building whose written notice is received by the Office of the Superintendent shall be the unit members to receive personal leave for that day unless the Superintendent waives this limitation.

Personal days in excess of the contractual allotment may be requested and may be granted by the Superintendent in cases of emergency, with full reasons for such request furnished by the applicant.

9.7 **Religious/Holy Days Leave**

Each unit member shall be allowed days of leave for the observance of religious/holy days. Requests/notification of intent to take religious/holy days must be provided to the District at least three (3) days prior to the holiday. Reasonable efforts will be made by unit members to provide more advance notice when possible.

9.8 **Legal Leave**

A unit member shall be entitled to time necessary for appearances in any legal proceeding required by the Union, administration or in accordance with any subpoena of a court connected with the unit member's employment or with the school system.

9.9 **Jury Duty**

No unit member shall suffer a loss of pay to which they would otherwise be entitled for performing jury duty.

9.10 **Sabbatical Leave**

Sabbatical leave may be granted, at the Superintendent's discretion, to one (1) unit member per school year for the purpose of earning a bachelor's degree in an approved teacher-preparation program.

A unit member may apply for a leave of one-half year or one full year's duration. The unit member shall be compensated fifty percent (50%) of their full pay exclusive of tuition or scholarship monies awarded to the unit member. MERSD shall continue to pay its portion of the unit member's health insurance premiums.

Application for sabbatical leave may be made during the sixth year of total employment in Manchester, Essex and/or MERSD, or any combination thereof.

A letter requesting sabbatical leave for the succeeding school year must be received by the Office of the Superintendent on or before December 1.

The unit member shall return to the position held prior to the sabbatical leave. If the unit member becomes a DESE certified educator, they shall have the right to apply and be granted an interview for any vacant Unit A positions for which they are qualified on their intended return date. A unit member returning from sabbatical leave is not guaranteed to return to any stipendiary positions.

The unit member who undertakes a sabbatical leave agrees to return to service in the Manchester-Essex Regional schools for a period of twice the length of the sabbatical leave or to reimburse the school district for any unserved balance thereof. The district, however, shall not require the reimbursement of the money from the unit member or their estate should they die.

Should the program of study or research being pursued by the unit member on sabbatical leave be interrupted by serious accident or illness, this unforeseen fact shall not be considered a

breach of the contractual agreement, providing the Superintendent is notified of such accident or illness.

ARTICLE 10 – Unpaid Leaves of Absence

- 10.1 Any unpaid leave granted under this Article shall not constitute a break in service. The leave shall count for credit for advancement on the salary schedule and for purposes of active experience under this Agreement if the unit member has worked in the District at least ninety-two (92) days of the school year in which the leave occurs.

While on unpaid leave, the unit member shall be eligible to continue medical and life insurance at full cost to the unit member. Upon return, the unit member shall return to their position or to a comparable position except as otherwise provided by the terms of this Agreement.

Written notice of intent to return to work shall be presented to the Superintendent at least sixty (60) calendar days prior to the unit member's return to work at the beginning of the second semester/third marking period/third trimester, or no later than April 1 for return at the beginning of the school year. All benefits to which a unit member was entitled at the time their leave commenced shall be restored to them upon their return.

Any service in the District requirement for purposes of a leave under this Article shall mean service in Manchester or Essex prior to July 1, 2000 alone or in combination with service in the District after July 1, 2000.

Any leave may be extended at the discretion of the Superintendent.

10.2 **Medical Leave**

A unit member who has completed three (3) years of service shall be granted a leave of absence for up to one (1) year for personal medical reasons or for the purpose of caring for a sick member of their family. Family members include parent, spouse, child, sibling, household member, and/or life/domestic partner. If the unit member is entitled to leave under FMLA, such leave shall run concurrently with the medical leave.

A unit member whose personal illness extends beyond said time period may be granted additional time as is necessary.

10.3 **Child Rearing Leave**

A unit member who has completed three (3) years of service shall be granted a leave of absence for the purpose of child rearing. The unit member will return from such leave only on the first day of a work year. At the time of the application for the leave the unit member may choose to return either the first day of the subsequent work year or the first day of the following work year. Any period of unpaid parental leave/adoption leave shall not exceed two consecutive school years.

10.4 **Military Leave**

Military leave may be granted to any unit member who is inducted or enlists in any branch of the Armed Forces of the United States. Military leave shall be granted to any unit member whose military status is activated.

The period of such leave shall be the minimum period of continuous service required by such induction or enlistment but shall not continue into any period of additional voluntary service.

The language contained in the introduction to this Article shall apply to military leave only if it does not conflict with federal law.

10.5 **Educational Leave**

A unit member with four (4) or more years of service in MERSD may have the option of taking a leave of not more than one (1) year for the purpose of pursuing academic coursework. In the event that a member is eligible for tuition reimbursement, payments will be made upon return from leave.

10.6 **Family and Medical Leave Act**

The Family and Medical Leave Act is herein incorporated by reference.

Article 11 – Sick Leave Bank

11.1 All unit members covered by this agreement shall participate in the same Sick Leave Bank with members in Unit A.

Each new full-time unit member shall donate two (2) days upon hire.

A new unit member employed for less than fifty percent (50%) time shall be assessed one day, whether it be for one half-year's work at full-time or for a full year's work at less than half-time.

By September 30, the Superintendent's Office shall provide the Association President with an updated list of new unit members and days assessed. An additional updated list shall be provided whenever a new unit member enters the system.

If at any time during a given school year the number of days in the Bank is reduced to fewer than one hundred (100) days, the Committee shall deposit a sick leave day in to the Sick Leave Bank from the annual sick leave of each member of the Bank who has thirty-one (31) days or more of accrued sick time. For purposes of replenishing the Bank, the Sick Bank Committee shall notify the Superintendent when the number of days in the Bank falls below one hundred (100) days and shall notify the unit members that a day is being deducted.

Whenever there is a reassessment, the Superintendent's Office shall provide the Association president with a complete list of unit members and days assessed.

Sick Leave Bank benefits shall be granted for cases of accident, disability, and prolonged illness, based on appropriate medical evidence.

Written notification of the number of days granted by the Sick Leave Bank Committee shall be sent to the Business Office.

A participating member may request up to and including thirty (30) days from the bank in their initial request provided all their individual leave has been exhausted. After the sick leave initially granted by the Bank has been used, the participating member may then request additional days in increments of up to thirty (30) days. Each request for additional days shall be reviewed by the Sick Leave Bank Committee. The member shall make reasonable effort to submit the request prior to exhaustion of their individual accumulation.

The Sick Leave Bank Committee shall govern and administer all phases of the Bank. The operation of the Bank and withdrawals therefrom shall be carried out in accordance with Sick Leave Bank guidelines.

The Superintendent shall make available the attendance record of a Bank member applicant if requested to do so by the Sick Leave Bank Committee.

If an emergency or unanticipated event occurs and the Sick Leave Bank Committee is unable to meet, the META President in their discretion may award up to five (5) days from the Bank to ensure continuity of the member's paycheck.

The application for benefits must be accompanied by a certification of accident, disability, or prolonged illness completed and signed by a physician. In cases requiring an assessment of the member's psychological condition, the certification must come from a board-certified psychiatrist. The Bank Committee may require additional information before approval of days is granted. The Bank Committee may also require additional information beyond a doctor's certificate at any time days are being used by a participating member. If the member does not provide the additional information to the Bank Committee within a reasonable amount of time, upon written notification by the Bank Committee, the Business Office shall stop the unit member's use of the previously granted Bank days.

Benefits under the Sick Leave Bank shall not extend beyond the participating member's term of employment.

Sick days are defined as normal workdays, excluding holidays and vacations and other non-working days. Payment shall be made on a workday basis. Salaries obtained from extra-curricular or other such activities shall not be included.

Any misuse or abuse of a Sick Leave Bank benefit that comes to the attention of the Sick Leave Bank Committee shall be reviewed by the Bank Committee. If information supports the fact that misuse or abuse has occurred, the Bank members shall provide opportunity for the unit member to meet and explain their position. Upon written notification by the Bank Committee the Business Office shall stop the unit member's use of the previously granted Bank days. If the Bank deems it necessary, the Bank Committee may request repayment of those days that were the subject of abuse.

11.2 **Sick Leave Bank Benefits and Worker's Compensation**

If a member of the Bank applies for Worker's Compensation and receives, upon approval of the Bank Committee, days which are later determined to have a portion thereof covered by Worker's Compensation, the proportionate amount of each day the Bank has provided to cover time determined to be covered by the Worker's Compensation payment shall be restored to the Sick Leave Bank.

The Manchester Essex Regional School District hereby agrees to cooperate to make the Sick Leave Bank whole for the portion of the days that were retroactively compensated by Worker's Compensation and restore those days and/or portions thereof to the Bank.

A participating member receiving Worker's Compensation shall receive, upon approval of the Bank Committee, the difference between their regular daily rate of pay and the amount paid by Worker's Compensation. The applicant for these benefits must have exhausted all of their individual annual and accumulated sick days before receiving any benefits from the Bank. The purpose of this section is to allow the participating member to be eligible to receive their full salary for the period of accident, disability, or prolonged illness by adding Bank benefits to any Worker's Compensation payment.

Should the member's Worker's Compensation payment be paid retroactively and the Bank has provided days to cover time later determined to be covered by the Worker's Compensation payment, those days shall be restored to the Sick Leave Bank.

Failure to make payments as agreed upon on the Repayment Agreement within ten (10) days of receipt of any Worker's Compensation payment(s) shall be grounds for immediately stopping the use of days granted by the Bank. Such right of the Bank does not in any way restrict its ability to take action, legal or otherwise, to recoup the money owed under the terms of the Repayment Agreement.

The application for benefits and the agreement to restore days to the Bank if Worker's Compensation is paid (Repayment Agreement) shall be rendered on Bank Committee forms made available through the President of the Association. The Form is replicated in Appendix D: Forms.

A copy of CORI reports shall be provided to the unit member within ten (10) days of the request.

After review of a CORI report, the Superintendent, if they deem it necessary, may meet with the unit member who may, at such meeting, be represented by the Association. Any and all personnel actions resulting from information acquired from a CORI report shall be conducted pursuant to the provisions of the Collective Bargaining Agreement and the General Laws of the Commonwealth of Massachusetts.

12.7 **Non-Discrimination**

Unit members shall not be discriminated against because of race, color, religious creed, gender identity, national origin, ancestry, sexual orientation, pregnancy, veteran status, military service, age, marital status, gender identity, genetic information, disability or on any other basis protected by federal, state or local law or bylaw. This policy governs all aspects of employment, including but not limited to selection, job assignment, compensation, advancement, workforce reduction or transfer, leaves of absence, discipline, termination and access to benefits and training. Appendix B – Insurance Benefits

Medical Insurance

The provider of the insurance shall be negotiated annually, using the M.G.L. Health Insurance Advisory Committee (HIAC) process. Requests for proposals shall be requested in sufficient time, no later than March 1, to make a reasoned decision as to the best provider for MERSD and in time for a change, if negotiated, to take place for the first day of the subsequent insurance year.

The open enrollment period shall be April 15 – May 15.

Contribution Rates

Effective July 1, 2019, contribution rates for active employees shall be as follows:

1. Employees starting employment in MERSD on or after July 1, 2015, who elect health insurance coverage will contribute 30% of the premium cost with the employer contributing the remaining 70%.
2. Employees starting employment in MERSD prior to July 1, 2015, who were not enrolled in the District health insurance plan as of July 1, 2016, will contribute 30% of the premium cost with the employer contributing the remaining 70%.
3. All other employees starting employment in MERSD and enrolled in health insurance prior to and continuously since July 1, 2015, will contribute 25% of the premium cost with the employer contributing the remaining 75%.

Active Employee Plan Design

Effective July 1, 2019, all active employees that elect health insurance will move to the Tufts HMO Advantage with Health Reimbursement Account (HRA) plan or to a plan that is a substantially similar equivalent [hereinafter referred to as the “Active Plan”]. The Active Plan will include a \$1,000/\$2,000 deductible for individual/family plans, respectively. The District will off-set employee out-of-pocket costs by contributing to an HRA plan on a first-dollar basis, up to a maximum of \$500/\$1,000 for individual/family plans (50% of the deductible), respectively. Administration of the HRA will be handled by a third-party vendor, paid for by the District.

Retiree Health Insurance

Employee’s percent-of-premium contribution rates immediately prior to retirement will continue at the same percent-of-premium during retirement. Only an enrolled spouse married to an employee at the time of the employee’s retirement is eligible for equivalent health insurance benefits until the death of the retiree.

All retirees of MERSD who, as of July 1, 2018, were enrolled in either the Tufts HMO Premium Plan or Tufts Medicare Supplement Plan with a contribution rate of 20% will continue to be eligible for those plans or substantially equivalent plans [hereinafter referred to as an “HMO Premium Plan” and a “Medicare Supplement Plan,” respectively] throughout retirement. These retirees will continue to contribute 20% of the total insurance premium for those plans, with MERSD contributing the remaining

80%. Retirements initiated after July 1, 2018, will be subject to the current Active Plan, using the contribution percentage split in effect at the time of their retirement.

Pursuant to the adoption of Chapter 32B section 18a by MERSD School Committee, all retired employees who are eligible must move to Medicare as their primary insurance with a supplemental Medicare Plan offered by the District, at the same premium contribution percentage in effect at the time of their retirement.

A plan of equal benefit, mutually agreed upon by METAU and the MERSD School Committee shall be made available to retirees who live outside of or who move out of Massachusetts.

METAU and the MERSD School Committee maintain their rights to negotiate a final determination of the recommendation of any future plan design as “substantially equivalent” to the above referenced plans.

Should the District go to the GIC or a GIC equivalent health insurance plan, MERSD shall pay eighty per cent (80%) of the premium for all active employees and for retirees enrolled under the MERSD health insurance plan.

Dependent health insurance coverage shall be provided as specified under applicable law.

Upon the death of an employee or retiree, their spouse or dependents shall be allowed to continue coverage at the COBRA benefit level.

All medical insurance premiums for active employees shall be paid on a pre-tax basis.

Change in Retiree Access to Health Insurance Benefits through MERSD

Retirees must be continuously enrolled in the MERSD Health Insurance plan to receive the MERSD contributions described in this agreement. Retirees who are not enrolled in the MERSD Health Insurance Plan at any point during their retirement may not reapply to access health insurance through MERSD. If a retiree discontinues coverage under the MERSD health insurance plan they may not reapply to access health insurance through MERSD.

The parties agree that MERSD has made every reasonable effort to inform retirees who left active service in MERSD prior to the Open Enrollment ending on May 15, 2013, of this change in access to health insurance provided by MERSD.

A unit member who notifies the District in written communication of their intent to retire from active employment must be informed by the District in writing within ten (10) work days of their responsibility to maintain continuous health insurance coverage through MERSD as described in this agreement.

Annually, on or about March 1st **but no later than March 15th**, MERSD shall issue a **written notice** to ***all unit members*** stating that any unit member who may retire and who wants to participate in the MERSD health insurance plans must enroll during the open enrollment period prior to their retirement date in order to preserve access to retiree health insurance benefits. Such notice will specify that access to enrollment in MERSD retiree insurance is limited to the retiree, their spouse, and/or dependents who are enrolled in a MERSD health insurance plan ***at the time of the unit member's retirement*** unless otherwise provided by law.

Dental Insurance

The MERSD shall make current dental insurance available to all employees on a pre-tax basis with the unit member paying the total cost of the premium:

Delta Dental Benefit Dental Providers Inc./DMS

In addition, the parties shall investigate other dental plans with the purpose of recommending alternate providers to this list.

Any retiree shall be able to access these plans by paying the full premiums.

Life Insurance

Life insurance in the amount of five thousand dollars (\$5,000) shall be offered to each unit member. MERSD and the unit member shall each pay fifty percent (50%) of the premium. Retired employees may continue insurance in the amount of two thousand dollars (\$2,000) up to age sixty-five (65) by paying the total cost of the premium.

Pre-Tax Spending Accounts

Employees shall be offered the services of Cafeteria Plan Associates or another vehicle mutually agreed upon by METAU and the MERSDSC to establish pre-tax spending accounts for medical, dental, dependent care, and other qualified expenses.

Appendix E – Public Complaints about School Personnel

PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL

A Joint Labor-Management Working Group shall be established and shall be comprised of members designated by the Association and members designated by the Superintendent JLMC Working Group shall review the existing parent complaint procedure outlined in Appendix E. The Committee shall have the power to make recommendations for the improvement and/or alteration of the Appendix to the parties for ratification.

Complaints about school personnel will be investigated fully and fairly. However, before any such complaint is investigated, the complainant must submit his complaint in writing. Anonymous complaints will be disregarded.

Whenever a complaint is made directly to the School Committee as a whole or to a Committee member as an individual, it will be referred to the school administration for study and possible solution.

The following procedures are established to ensure that a citizen's complaint is given respectful attention and that the integrity of the educational program is upheld. "Complaint" in this regulation will be restricted in meaning to that criticism of particular school employees which includes or implies a demand for action by school authorities. Other comments and suggestions will be referred informally to affected personnel.

1. If a complaint comes first to the person against whom it is directed, they will listen courteously and will try to resolve the difficulty. In all such cases, the person against whom the complaint is directed shall notify his or her immediate supervisor. If the complaint remains unsatisfied, the employee will refer the complaint to the building Principal or other immediate supervisor to have the complaint considered further.
2. If a complaint comes first to the Principal or other supervisor of the person criticized, they should listen courteously or acknowledge a letter promptly and politely, but should make no commitments, admissions of guilt, or threats. If the complaint involves a particular employee, the supervisor may suggest a conference between the complainant and the person criticized and should inform that person immediately of the complaint. If a complainant has already met with the person criticized and remains unsatisfied, the supervisor should invite the complainant to file the complaint in writing.
3. If a complaint comes first to any other school employee, that employee will refer the complainant to the person criticized and his or her Principal.
4. No further action on the complaint should be taken unless the complainant submits the complaint in writing.
5. When a written complaint is received, the Principal or other supervisor will schedule a conference with himself, or herself, the complainant, the person criticized or other personnel that either the supervisor or the person criticized feels could contribute to resolution of the problem.

6. If the complainant is not satisfied with the results of the conference above, he or she should then be referred to the Superintendent, who may handle the complaint personally or refer it to other personnel, as he or she may see fit.
7. Should dissatisfaction remain after the above steps have been taken, a parent or community member can always raise the issue at a public meeting of the Manchester Essex Regional School Committee.

POLICY CONCERNING DRUGS AND ALCOHOL

The Manchester Essex Regional School Committee recognizes the complexity and seriousness of personal and societal problems resulting from drug and alcohol abuse. Drug and alcohol abuse can destroy the lives of individuals and erode the fabric of a community. While the Committee believes that those who are afflicted by substance abuse should be aided in dealing with this problem, use of controlled substances and use of alcohol in certain ways are crimes under Massachusetts law, and criminal conduct within the schools will not be tolerated. At a minimum, mere possession of either drugs or alcohol in, or within certain distances of, public schools not only violates school district policy, but is a crime in itself. It is not the responsibility of the school to advise students or School District personnel of the laws and legal penalties pertaining to controlled substances and illegal use of alcohol. Those who violate the law do so at their peril and must bear the consequences of their actions. In enacting this policy, it is the intent of the Committee to safeguard the well-being of the majority; to assist those who will benefit from substance-abuse counseling; to hold individuals responsible for their own conduct; and to make the consequences of offending conduct clear and certain.

As used in this policy, the word, "drugs" means any controlled substance as defined in Massachusetts General Laws, Chapter 94C, including, but not limited to, marijuana, cocaine and heroin, as well as over-the-counter or prescription medications used in ways for which they were not intended and commonly-available substances used in ways for which they were not intended. The word, "alcohol" means any alcoholic beverage. The phrase, "School District personnel" means any employee of the Manchester Essex Regional School District whose primary place of work is within the schools, as well as any individual acting in a recognized volunteer capacity in connection with school or school-sponsored activities. The phrase, "school-sponsored activity" means any activity conducted under the auspices of the Manchester Essex Regional School District which involves students or takes place at a location in which students are, or may reasonably be expected to be, present. The phrase, "administrator" means any or all of the following: the Superintendent of Schools, Assistant Superintendents or Curriculum Director, Principals, Assistant Principals, and Director of Special Education.

A. Policy Applicable To Students

1. While engaged in any school-sponsored activity, students may not:
 - a. Possess, use, distribute or be under the influence of, any controlled substance as defined in Massachusetts General Laws, Chapter 94C, including, but not limited to, marijuana, cocaine and heroin. Such activity constitutes a serious crime under Massachusetts law.
 - b. Possess, use or distribute over-the-counter or prescription medications or commonly available substances for use in ways for which they were not intended.
 - c. Possess, use or distribute any alcoholic beverage nor be under the influence of any alcoholic beverage.

2. In the event that any school personnel receive a complaint or report concerning an alleged violation by a student of any portion of the preceding paragraphs A.1.(a) through (c) or has reason to believe such violation may have occurred, such school personnel shall immediately refer the matter to the building administrator for further inquiry or investigation. School personnel have a duty to comply with this provision.
3. Upon completion of the investigation, should the administrator determine that any violation of paragraphs A.1.(a) through (c) has occurred, penalties to the student will occur. These penalties will be cumulative during the student's enrollment in the Manchester Essex Public Schools. The following are penalties which apply to students:
 - a. For a first offense involving drugs or alcohol or both, the student's parents will be notified and police authorities will be notified. In the discretion of the building administrator, the student may be expelled from the school. If the student is not expelled, the student will be suspended from school for a period of up to five days. Student participation in a recognized substance abuse program will be considered in determining the length of the suspension. The student will be readmitted to school only after a meeting among the student, the student's parent(s) or guardian and appropriate school personnel, as determined by the principal. This meeting will include discussion and formulation of a long-term treatment program for the student. If appropriate, a request for an investigation under Massachusetts General Laws Chapter 119, sec.51A will be filed with the Massachusetts Department of Social Services.
 - b. For a second offense involving drugs or alcohol or both, the student may be expelled from school at the discretion of the principal. The student's parents will be notified and police authorities will be notified. If the student is not expelled, the student will be suspended from school for up to ten days. Student participation in a recognized substance abuse program will be considered in determining the length of the suspension. The student will be readmitted to school only after a meeting among the student, the student's parent(s) or guardian and appropriate school personnel, as determined by the principal. This meeting will include discussion, formulation and adoption of a long-term treatment program for the student. In order to remain in school, the student must provide evidence of participation in the treatment plan on an ongoing basis. The student and the student's parents or guardian will be advised that any subsequent offense by the student will result in expulsion. They will also be advised that expulsion carries with it the legal requirement that should the student enroll in another public school, the Manchester Essex Regional School District is required by law to advise the receiving school of the reason for expulsion. If appropriate, a request for an investigation under Massachusetts General Laws Chapter 119, sec. 51A will be filed with the Massachusetts Department of Social Services.
 - c. Upon a third offense involving drugs or alcohol or both, the student will be expelled from the Manchester Essex Regional School District.

B. Policy Applicable To Manchester Essex Regional School District Personnel

1. While engaged in any school-sponsored activity, school district personnel may not:

Procure, distribute, or in any way provide to students any alcoholic beverage, any controlled substance as defined in Massachusetts General Laws, Chapter 94C, or any over-the-counter or prescription medications or commonly- available substances for use in ways for which they were not intended.
2. In the event that any administrator receives a report concerning a violation by school district personnel of any portion of the proceeding paragraphs A.2 and B.1.(a) through (d) or has reason to believe such violation may have occurred, the administrator shall proceed to investigate the complaint in accordance with the procedures set forth in School District Policy KLD or its successor.
3. Upon completion of the investigation, should the administrator determine that any violation of paragraphs A.2 or B.1.(a) through (c) has occurred, the administrator will issue sanctions against the individual or individuals involved, which include, but are not limited to, a verbal or written reprimand, suspension with or without pay and termination of employment. In cases in which a violation of paragraphs B. 1. (a) or B. 1. (c) has occurred, police authorities will be notified. Should the administrator determine that any violation of paragraph B.1. (d) has occurred, police will be notified and the employment of the school district personnel will be terminated.
4. Should an administrator have reason to believe that any school district personnel suffer from a problem with drugs or alcohol, the administrator is encouraged to advise such individual or individuals of the Towns of Manchester and Essex Employee Assistance Programs, a confidential assistance program which is available to employees of the Towns of Manchester and Essex and their families, or of other assistance programs and encourage such school district personnel to seek assistance.
