## GRADING SYSTEM AND SCALE

All Saints' is semester-based and all grades earned are on a 100-point scale. Honors (H) and Advanced Placement (AP) courses receive an additional two or four rigor points, respectively, at the conclusion of each semester; courses at these levels are noted as such on the transcript. Cumulative GPA is determined by averaging each individual semester grade earned while in the Upper School. Transfer students' grades earned elsewhere are provided on a separate transcript but are not calculated into the All Saints' transcript. A student's cumulative GPA appears on the transcript and is updated at the end of each completed semester.

### CUMULATIVE GPA % SENIORS

90-100 (A)	59%
80-89 (B)	38%
70-79 (C)	3%

The grading scale is: A = 90-100; B = 80-89; C = 70-79; D = 65-69; F = <64 (remediation required)

## CLASS RANKING POLICY

Due to the small size of our graduating class and the rigorous, diverse curriculum in which our students participate, All Saints' does not see ranking as a fully reliable and accurate reflection of ability or aptitude. We do, however, align with Texas legislation to facilitate automatic admission into Texas state colleges and universities.

## SCHOOL DAY STRUCTURE

Upper School students have a total of eight 75-minute periods to fill each semester; they have four periods each day on an alternating block sequence. All students are strongly encouraged, but not required, to take one study hall each semester or two if they are at an overload. Study halls do not appear on transcripts. We do not offer a PE class during the day; all athletics must take place outside of class. During the 2020-2021 school year, all Upper School students were offered the choice of in-person and/or virtual instruction depending on their needs and situation related to the COVID-19 pandemic. All Saints' has been only in-person since then.

ADVANCED PLACEMENT

Students must apply to enroll in AP courses and are generally limited to three per year but may seek permission to enroll in a greater number. For context, it is important to note that nearly all of the AP courses offered at All Saints', and presented below, are considered upper-level (most appropriate for 11th and 12th grade), so it is rare for a 9th or 10th grade student to have any AP courses on our transcript. We ask that you are mindful of this if counting the volume of AP courses taken is a factor in your evaluation of applicants.
