Choose THREE colors for the A-okay; fill with ALL FIVE to fuel your day!

1/2 Cup fruit or vegetable **MUST** be on your tray.

The image shows a dark blue rectangular tray with five distinct sections. On the left side, there is a white silhouette of a fork. The other sections are defined by colored borders: a teal circle labeled 'MILK', a brown square labeled 'GRAINS', a purple square labeled 'MEAT / MEAT ALTERNATE', a brown trapezoid labeled 'FRUITS', and a green rectangle labeled 'VEGETABLES'. Each section is currently empty, intended for a student to place food items.
