Dear Parents, Guardians, and Students,

It is with great pleasure that I welcome you to the 2025–2026 school year at Perry Career Academy. My name is Gwendolyn Williams, and I am honored to serve as the Parent and Community Liaison. I look forward to working together to ensure the success and well-being of all our students.

With over 22 years of experience in education, a Bachelor's degree in Biology, and a Master's degree in Instructional Technology, I am dedicated to creating strong connections between families and our school. I believe that when families are engaged and supported, students thrive academically, socially, and emotionally.

As part of the Title I Parent and Family Engagement program, our school is committed to fostering a welcoming environment where families are encouraged to take an active role in their child's education. Throughout the year, we will offer a variety of workshops, parent meetings, family events, and volunteer opportunities designed to empower and inform our school community. Information on upcoming workshops, events & activities will be posted on the Parent Liaison website, in school, Padlet and phone calls to families.

As a reminder, all visitors must stop by the main office to check in prior to visiting the Parent/Family Resource Center. Our Parent/Family Resource Center is located in the library, Room 209.

In addition, Parent/Family Resources are located in my office (Room 322) and some resources can be checked out for three weeks.

Please know that my door is always open. I encourage you to reach out with questions, concerns, or suggestions. Your involvement is vital, and I am here to support you every step of the way.

Thank you for being a valued part of our school community. I look forward to a productive, positive, and inspiring school year together.

Please stop by the front desk in building 300 for check-in before visiting the Parent/Family Resource Center during regular business hours on Monday - Friday, 8:30 a.m. – 11:30 a.m. & 1:30 p.m. – 3:30 p.m. I am here to support you.

Should you have any questions or need further assistance, please feel free to **contact me at 770-515-7601 ext. 312138** or Gwendolyn.Williams@clayton.k12.ga.us .

Sincerely,

Gwendolyn Williams
