

MEET THE TEACHER!

HELLO!

My name is Miss Hukel, and I will be your child's reading teacher this academic school year. I graduated from Knox College in Galesburg, IL where I played volleyball and earned a degree in education and social service. I am so excited to embark on my second year and get to know your amazing students. My goal for this year is to provide my students with the reading support they may need and challenge them to think critically about the stories we will read. My contact info is listed below. If you ever have any questions, please feel free to reach out!
