

Student Services

Student Name: _____

Date: _____

Children enrolling in kindergarten must meet the requirements of the Missouri School Immunization Law, Rules and Regulations. The required immunizations are:

- DPT (Diphtheria, Tetanus and Pertussis): A series of at least four (4) doses of the vaccine the last one received on or after the child's fourth birthday.
- Polio A series of at least three (3) doses of IPV/OPV vaccine, the last one received or after the child's fourth birthday.
- MMR Two (2) doses on or after the first birthday
MMR = Measles, Mumps, Rubella (usually given as 1 injection)
*May be given in combination with Varicella as MMRV
- Varicella (Chicken Pox): Two (2) doses on or after the first birthday, or a signed verification from a licensed doctor of medicine (MD) or a doctor of osteopathy (DO) that the child has had the disease.
*May be given in combination with MMR as MMRV
- Hepatitis B Three (3) or Four (4) doses administered- depending on spacing of vaccines administered

A check of school health records indicates that your child needs the following immunization(s) to meet the minimum state requirement. Proof of required immunizations must be provided prior to the first day of school, or the first day of K2K Summer Program, if they are attending. Enrollment is not complete until immunization requirements are met.

Immunization(s) Needed

Date of Last Immunization(s) as Listed on School Records
