

Meet the SCHOOL COUNSELOR

Mrs. Kornely

(corn•nelly)

Hello! My name is Haley Kornely, and I am so honored to be the counselor for Carroll Elementary. I earned my degree from Baylor University (Sic' Em Bears)! This is my 8th year as a school counselor and 11th year in education.

I live in Argyle and I'm blessed to have a sweet family that consists of my husband, Matt, and our two sons Hudson and Hayes! We also have three adorable golden retrievers! Spending quality time with my family and traveling are two things at the top of my "favorites list". Some of my other hobbies include embroidery and DIY projects around our home!

As the school counselor, it is my mission to make sure every student feels loved and cared for. I am incredibly excited for this year at Carroll Elementary and look forward to getting to know our students and families. Go Dragons!

Please contact me with any questions!
