Washoe County School District

Glenn Duncan S.T.E.M. Academy

2025-2026 School Improvement Plan

Classification: 1 Star School

Title I, TSI

Mission Statement

We will meet each student where they are, as they are, while maintaining high expectations for academic success. We will teach students to be confident, critical thinkers and expose them to diverse opportunities.

Demographics & Performance Information

Nevada Report Card

In compliance with federal and state law, Nevada's K-12 Accountability Portal provides detailed information about each school's student and staff demographics and school performance rating, a star-rating system based on the Nevada School Performance Framework (NSPF). You can find our School Rating Report at GLENN DUNCAN S.T.E.M. ACADEMY - Nevada Accountability Portal (nv.gov)

Comprehensive Needs Assessment

Student Success

Student Success Areas of Strength

- We had an increase of 6% exit rate from all designated EL students that took the ACCESS assessment in 2024, bringing our schoolwide total to 72%

• 5th grade students had 11% growth in ELA proficiency, measured by the SBA

- 5th grade students had 12% growth in Math proficiency, measured by the SBA

• Students are resilient.

• We have offered an increase in student support such as Officer 360, Big Brother Big Sister, Project Aware, Kidscape, etc.

Student Success Areas for Growth

We are proud to announce that our students made significant strides on the 2024 ACCESS assessment, with 72% of our English Learners (EL) exiting EL status—an increase from 66% in the previous year. Our school also outperformed the district average on ACCESS by 32%, a testament to the dedication of our students, teachers, and support staff.

While we celebrate these successes, we recognize there is room for growth in other areas. Our Smarter Balanced Assessment (SBA) proficiency scores in both English Language Arts (ELA) and Math saw a slight decline of 2% compared to last year. We are committed to addressing these challenges and implementing targeted strategies to ensure continued growth and academic excellence for all students.

Student Success Equity Resource Supports

Student Group	Challenge	Solution
English Learners		
Foster/Homeless		
Free and Reduced Lunch		
Migrant/Title1-C Eligible	N/A	

Student Group	Challenge	Solution
Racial/Ethnic Minorities		
Students with IEPs		

Problem Statements Identifying Student Success Needs

Problem Statement 1 (Prioritized): In the past school year we had a 2% decrease of students in 3rd to 5th grades meeting proficiency goals, according to the 2024 SBA. This decrease was most noticeable for students on IEPs and English Learners.
Critical Root Cause: District leadership directed school to suspend PLC and MTSS processes for the school year, students being pulled for SpEd minutes during whole-group instruction. Chronic absenteeism negatively impacts student performance.

Adult Learning Culture

Adult Learning Culture Areas of Strength

- Staff is eager to participate in professional learning opportunities: site leadership team, WCSD-approved in-service classes, book studies, etc.
- Staff engages in planning collaboratively with grade-level teams and ELD facilitator/teachers
- Positive climate and culture in the classrooms and overall schoolwide

Adult Learning Culture Areas for Growth

- Focus on more data-driven decisions using iReady in every PLC

• More vertical alignment in instruction, communication, and collaboration.

• Grade-level PLCs based on data analysis, learning intentions, success criteria

• Math – professional learning around the standards and best teaching practices to fill in the gaps based on iReady data and weekly assessments. Focus on problem-solving skills using the language of mathematics.

• Students track their own progress using data binders. Students need more ownership of their academic progress and growth.

Adult Learning Culture Equity Resource Supports

Student Group	Challenge	Solution
English Learners		
Foster/Homeless		
Free and Reduced Lunch		
Migrant/Title1-C Eligible	N/A	
Racial/Ethnic Minorities		
Students with IEPs		

Problem Statements Identifying Adult Learning Culture Needs

Problem Statement 1 (Prioritized): Students are making growth in some content areas from year to year, but the growth is not consistent across student cohorts. Professional learning was targeted towards schoolwide PLCs.
Critical Root Cause: District leadership directed school to suspend PLC process.

Connectedness

Connectedness Areas of Strength

- Attendance intervention team that meets weekly to discuss individualized attendance issues and barriers
- Community relationships and partnerships
- Strong presence on social media and Class Dojo
- Celebrating diversity schoolwide
- Family engagement including volunteering opportunities, community events, classes for families

Connectedness Areas for Growth

- Improvement in student attendance is one of our most important priorities
- More family engagement at school events will increase student attendance

Connectedness Equity Resource Supports

Foster/Homeless		
Free and Reduced Lunch		
Migrant/Title1-C Eligible	N/A	
Racial/Ethnic Minorities		
Students with IEPs		

Problem Statements Identifying Connectedness Needs

Problem Statement 1 (Prioritized): In the 2023-2024 school year, chronic absenteeism was approximately 25%. The amount of time students were out of school impacted their

overall growth and achievement.
Critical Root Cause: COVID-era habits, families taking students out of the country for more than 2 weeks at a time

Priority Problem Statements

Problem Statement 1: In the past school year we had a 2% decrease of students in 3rd to 5th grades meeting proficiency goals, according to the 2024 SBA. This decrease was most noticeable for students on IEPs and English Learners.

Critical Root Cause 1: District leadership directed school to suspend PLC and MTSS processes for the school year, students being pulled for SpEd minutes during whole-group instruction. Chronic absenteeism negatively impacts student performance.

Problem Statement 1 Areas: Student Success

Problem Statement 2: Students are making growth in some content areas from year to year, but the growth is not consistent across student cohorts. Professional learning was targeted towards schoolwide PLCs.

Critical Root Cause 2: District leadership directed school to suspend PLC process.

Problem Statement 2 Areas: Adult Learning Culture

Problem Statement 3: In the 2023-2024 school year, chronic absenteeism was approximately 25%. The amount of time students were out of school impacted their overall growth and achievement.

Critical Root Cause 3: COVID-era habits, families taking students out of the country for more than 2 weeks at a time

Problem Statement 3 Areas: Connectedness

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Student Success

- Grades
- Local benchmark, common assessments, diagnostic assessments, or interim assessments data
- MAP Growth Assessment
- Multi-Tiered System of Supports (MTSS)
- Nevada Alternate Assessment (NAA)
- Smarter Balanced (SBAC)
- Student Climate Survey, Student Voice
- WIDA ACCESS for ELLs
- WIDA Alternate ACCESS (WAA)
- Other
    - iReady Diagnostics (BOY, MOY, EOY)

Adult Learning Culture

- Administrator evaluation
- Evaluation(s) of professional development implementation and impact
- Lesson Plans
- Master schedule
- Professional Development Agendas
- Professional learning communities (PLC) data/agenda/notes
- School leadership data
- Staff surveys and/or other feedback
- Teacher evaluation
- Walk-through data

Connectedness

- Attendance
- Home Visits
- PBIS/MTSS data
- Volunteer opportunities, attendance, and participation
- Other
    - Family Engagement data

Inquiry Areas

Inquiry Area 1: Student Success

SMART Goal 1: 80% of students will make typical growth on iReady in Reading and Math by the End of Year diagnostic assessment.

Formative Measures: iReady Diagnostics

Aligns with District Goal

Improvement Strategy 1 Details

Improvement Strategy 1: iReady

We will implement iReady schoolwide in all classrooms, K-5. We will utilize bi-weekly iReady reports in PLC to monitor how students are making academic growth in ELA and math.

Action #	Actions for Implementation	Person(s) Responsible	Timeline
1	*Professional learning will be based around iReady implementation and interpretation of data in reports. Our admin team will assist teachers with student growth data. *Administrators will provide protected time for the ELD facilitator to support Tier 1 instruction. *We will increase the value and productivity in PLCs. *We will create an ELD support model and include direct ELD Tier 1 support and instruction in the master schedule. *Administrators will monitor the time students spend on iReady to ensure that students are using the program for 30-49 minutes per subject, per week.	Administration, ELD Facilitators, Instructional Staff	August 2025 - June 2026

Position Responsible: Administration, ELD Facilitators, Instructional Staff

Evidence Level
Level 3: Promising: i-Ready

Schoolwide and Targeted Assistance Title I Elements

1.1: Comprehensive Needs Assessment

For all Title 1 Elements, please see addendum.

2.1: School Performance Plan (SPP) developed with appropriate stakeholders

Staff, families, and community members are actively engaged in the development of Glenn Duncan Elementary's School Performance Plan through participation in the Site Leadership Team, parent surveys, and regular family engagement events. Feedback is solicited via staff meetings, family input forms, and community partner discussions to ensure the plan reflects shared priorities and addresses the needs of all stakeholders.

2.2: Regular monitoring and revision

The School Performance Plan is regularly monitored through monthly Site Leadership Team meetings, data analysis cycles, and PLC discussions focused on student progress and implementation of strategies. Revisions are made based on ongoing review of academic and attendance data, as well as feedback from staff, families, and community partners to ensure continuous improvement.

2.3: Available to parents and community in an understandable format and language

The School Performance Plan is shared with families and community members through our school website, newsletters, and presentations at family events, with key components summarized in plain language. Translations are provided in Spanish and other needed languages to ensure accessibility for all members of our school community.

2.4: Opportunities for all children to meet State standards

Title I funds at Glenn Duncan Elementary support initiatives that provide all students with opportunities to meet State standards through targeted instructional support, evidence-based interventions, and access to high-quality curriculum materials. These funds also support professional learning for teachers to strengthen Tier 1 instruction and ensure equitable access to grade-level content for all learners. Specific content funded through Title I includes: UFLI for grades K-3, Phonics for Reading for grades 3-5. Additionally, we have funded a full-time classroom assistant that will be utilized for interventions in grades K-2, as well as a full-time substitute for reading interventions in grades 3-5.

2.5: Increased learning time and well-rounded education

Title I funds at Glenn Duncan Elementary support major initiatives that provide increased learning time through after-school academic interventions, as well as small-group instruction during the school day. Funds also enhance a well-rounded education by supporting enrichment opportunities, including STEM activities, social-emotional learning programs, and access to classroom libraries.

2.6: Address needs of all students, particularly at-risk

Title I funds at Glenn Duncan Elementary are used to address the needs of all students, particularly those at risk, by providing academic interventions, push-in support services, and additional instructional staff. These initiatives ensure that students performing below grade level receive targeted, small-group instruction and access to resources that support both academic growth and social-emotional development.

3.1: Annually evaluate the schoolwide plan

The School Performance Plan is evaluated through ongoing analysis of student achievement, attendance, and behavior data, as well as staff and stakeholder feedback collected throughout the year. This data-driven process ensures that goals, strategies, and action steps are adjusted as needed to improve student outcomes and meet school-wide priorities.

4.1: Develop and distribute Parent Involvement and Family Engagement Policy

The Parent Involvement and Family Engagement Policy is developed collaboratively with input from the Site Leadership Team, family surveys, and parent meetings to reflect the needs and priorities of our school community. Once finalized, the policy is distributed to all families through printed handouts, ClassDojo, the school website, and at school events in both English and Spanish. Our Counselor, 4th Grade Teacher, and Principal are involved in facilitating this process.

4.2: Offer flexible number of parent involvement meetings

Glenn Duncan Elementary offers a flexible range of parent involvement opportunities, including morning, evening, and virtual events to accommodate varying family schedules. These include family literacy nights, student showcases, workshops, and informal gatherings such as “Duncan Donuts with the Principal,” ensuring all families have meaningful opportunities to engage with the school community.

Community Outreach Activities

Activity	Date	Lesson Learned
Back To School Night / Community Resource Fair	08/07/2025	Always a very successful event. This year we are holding it before school begins.
Gratitude By The Sea Family Night	11/2025	One of our most well attended events. This year we will add academic resources to the event for families to explore.
Duncan P.O.D. classes sponsored by Parent University	TBD - One per month	We used to hold these on our own, but now we work with WCSD Family School Partnerships to facilitate the classes. We are adding one to kickoff the school year that our WCSD Truancy and Re-Engagement will facilitate.
Trunk Or Treat	10/30/2025	This is an event hosted by our Partner In Education, Washoe County.
Duncan Family Game Night	Winter 2025-2026	Based on its success last school year, we will add one more of these to the upcoming school year.

Addendums

ESSA Title I Schoolwide and Targeted Assistance Title I Elements

School Improvement Plan (SIP) Washoe County School District

1.1Write 1-2 sentences describing the comprehensive needs assessment process at your school.

The Comprehensive Needs Assessment (CNA) is conducted as part of the Continuous Improvement Process (CIP). Acts 1 and Events 1-3— including Data Dive, Root Cause Analysis, Problem Statements, and ESSA-approved Improvement Strategies— ensure a thorough CNA, which serves as the foundation for developing the School Improvement Plan (SIP).

2.1 Write 1-2 sentences describing how staff, families, and community members are included in the plan development process, including how feedback is solicited about the plan.

Staff, families, and community members are actively involved in the plan development process through surveys, meetings, collaborative discussions and other community outreach events. Their feedback is solicited via stakeholder input sessions, advisory committees, and open forums to ensure the plan reflects the needs and priorities of the entire school community. At the secondary level Student Voice is required when crafting the plan.

2.2 Write 1-2 sentences describing the process of how plans are regularly monitored and revised.

At least three times a year, through CIP Events 5-7, schools meet with stakeholders to review their School Improvement Plan (SIP), assess progress, reflect on lessons learned, and determine next steps. Many schools utilize school improvement stipends to support data analysis and necessary course corrections.

2.3 Write 1-2 sentences describing how you make the plan available to parents and community in an understandable format and language. Ex.

The plan is posted on our school website in English and Spanish, as well as sent to families in the newsletter and available at the front desk. Elementary schools inform families of the plan through Class Dojo.

2.4 Briefly describe the Title I funded major initiatives in your plan in which all children are given opportunities to meet State standards.

Supplementary materials for ELA foundational skills instruction such as UFLI and Magnetic Reading Foundations are used to reinforce and expand core concepts, offer students targeted opportunities to practice and strengthen their reading, writing, and language skills. Students engage in varied learning activities that support key foundational skills like

phonics, vocabulary development, and fluency. These resources align with grade-level standards and provide students with a structured pathway to meet grade-level expectations.

2.5 Briefly describe the Title I funded major initiatives in your plan in which children are provided increased learning time and well-rounded education.

Teacher Clarity by Corwin emphasized the importance of clear, purposeful instruction in improving student outcomes. The incorporation of Teacher Clarity ensures that students know exactly what they are expected to learn, how they will learn it and why it matters. Teachers utilize the Teacher Clarity Playbook to guide their practice.

2.6 Briefly describe the Title I funded major initiatives in your plan in which you address the needs of all students, particularly at-risk.

Targeting chronic absenteeism creates a supportive environment that encourages consistent attendance and addresses underlying barriers. A range of resources and strategies are tailored to different students' needs such as identifying root causes, engaging families and communities, early identification, timely interventions, and creating a positive school culture.

3.1 Write 1-2 sentences describing the process for how you evaluate the School Performance Plan (SPP)

The School Improvement Office conducts a thorough review of all 114 School Improvement Plans (SIPs), meeting individually with each principal and key stakeholders to ensure alignment with district and state requirements. Special focus is given to SMART goals, ESSA-approved improvement strategies, and actionable steps to drive plan success.

4.1 Write 1-2 sentences describing how you develop and distribute the Parent Involvement and Family Engagement Policy, and who is involved in the process.

The parent and family engagement policy are developed with family members and school staff including administrators. Staff and families discuss key points of family engagement at their school, i.e., communication, meetings, building staff and family capacity around family engagement, and indicate on the policy how those points will be addressed. Depending on school needs, the policy is created in both English and Spanish. Schools distribute the policy through their website, newsletters, or other communication methods by October 1 of each year. The policy is revised annually in the Spring with staff and family members to update it for the next year.

4.2 Describe how you provide a flexible number of parent involvement opportunities. e.g. multiple events are held at different times during the day on various days.

Schools provide parent meetings with Morning Mugs, parent and teacher meetings, and one-on-one meetings at different times during the day. Schools schedule Parent University

or other classes or during the school day and at night based on what families have indicated they prefer and aligned to the school performance plan and administrator vision.

5.1Determine which students will be served by following local policy

WCSD uses the Title I Rank and Serve process based upon FRL Percentages. The Federal mandate is that schools with an FRL Percentage 75% or higher automatically must be served as a Title I school. For the 2025-2026 school year, all schools that have an FRL Percentage 68.81% or higher will be served as Title I schools. WCSD utilizes a School-wide program for all schools that receive Title I funding.

School English Learner Academic Achievement Plan

According to NRS 388.408, all schools who are rated in the lowest 30 percent of public schools in this State in the achievement of pupils who are English learners, shall adopt, submit to the Department (NDE) and publish on an Internet website maintained by the school a corrective action plan. This template is designed to help schools write a plan that satisfies NRS 388.408 and integrates into their School Performance Plan.

School Contact Information

School Year:	
School Name:	Glenn Duncan STEM Academy
District:	Washoe County School District
Principal:	Ryan Smith
Principal email:	RGSmith@washoeschools.net
EL Specialist:	Mariangeles Yossen
EL Specialist email:	MYossen@washoeschools.net

Root Cause Analysis	*When considering the achievement of the English learners at your school, your team might ask the following questions to better understand the underlying reasons why your English learners aren't seeing greater academic success.*
Student Success	• Although our MLL students had an increase in AGP from 66% to 72%, some of the proficiency skills are not transferring to the SBA. This is a result by missing instructional time due to absences.
Adult Learning Culture	• 7 Teachers are trained in GLAD strategies and the school has two full-time EL teachers and one half-time EL site facilitator. Teachers utilize GLAD and/or ELLevation strategies in their classrooms daily. • Gaining many newcomer students late in the school year is challenging for some teachers. We had 21 students who were classified as 'new to country' during the 23-24 school year.
Connectedness	• Chronic absenteeism, including MLL students that are pulled out of schools for long periods of time to travel out of the country. • Some monolingual teachers may find it challenging to communicate with families at home when they feel there is a language/communication/cultural understanding barrier.

English learner Achievement Root Cause Analysis Summary	The combined challenges of lost instructional time due to families leaving the country for long periods of time, difficulties integrating newcomers mid-year, and communication and/or cultural barriers with families contribute to the achievement gap between MLL students' classroom performance and standardized test outcomes. Addressing chronic absenteeism, enhancing teacher support for newcomer integration, and fostering stronger communication with non-English-speaking families are key focus areas to bolster EL achievement outcomes.
English Learner Achievement Problem Statement	Although our MLL students have an AGP of 72%, as measured by WIDA ACCESS, a significant gap persists in their performance on the Smarter Balanced Assessment. This discrepancy is influenced by chronic absenteeism. Additionally, late enrollment of newcomer students challenges teachers' ability to integrate these learners effectively into daily Tier 1 instruction. Finally, communication barriers between monolingual teachers and non-English-speaking families further impact student attendance and engagement. Addressing these root causes is essential to closing the achievement gap for our MLL students.

English Learner Achievement Plan Goals, Strategies, Action Steps and Persons Responsible

SMARTIE Goal #1	MLL students in grades 3-5 will have an increase in math proficiency, as measured by SBA.
Performance Objective	MLL students in grades 3-5 will increase proficiency, as measured by the SBA, to 7% in math.
Strategies for APO/Goal	• Routines for Reasoning professional learning focuses on the language of math. • In addition to math professional learning, all staff receive professional learning provided by our ELD team that focuses on teacher clarity and learning intentions. GLAD strategies are incorporated to support MLL students' understanding of what they are learning, why they are learning it, and how they will know when they have learned it. • The School Leadership Team participates in weekly classroom walkthroughs with a focus on providing intentional language scaffolds based on the needs of each student. The team provides immediate feedback on all classroom walkthroughs, which always includes language-specific feedback. • MLL students will have an increased Average Daily Attendance and a decrease in chronic absenteeism, 13% or below. The school's attendance team meets once per week to identify interventions needed to support students' attendance.
Action Steps for Strategies	**1. Routines for Reasoning Professional Learning Focused on the Language of Math** • **Schedule Training Sessions:** Create a professional learning calendar to ensure all teachers attend Routines for Reasoning workshops with a focus on mathematical language. • **Develop Math-Language Tools:** Provide sentence stems, graphic organizers, and vocabulary academic support to help MLL students articulate their reasoning in math. • **Monitor Implementation:** During walkthroughs, observe how teachers are incorporating math language routines and provide constructive feedback. • **Student Checkpoints:** Use math assessments and class discussions to monitor MLL students' progress in using mathematical language effectively.
	2. Professional Learning Focused on Teacher Clarity, Learning Intentions, and GLAD Strategies • **Collaborative Planning:** Organize regular planning meetings for grade-level teams to integrate teacher clarity and learning intentions into their lesson plans.

- **GLAD Strategy Training:** Provide ongoing workshops and modeling opportunities for teachers to practice GLAD strategies.
- **Anchor Visuals and Tools:** Create and distribute learning intention templates and classroom posters that clarify "What, Why, and How" for all lessons.
- **Classroom Follow-Up:** Use coaching cycles to observe and provide feedback on the use of clarity strategies and GLAD practices in classrooms.

3. Leadership Team Walkthroughs with Language Scaffold Feedback

- **Establish Walkthrough Focus:** Create a rubric or checklist centered on language scaffolding techniques, such as sentence frames, peer discussions, and visuals.
- **Consistent Walkthroughs:** Schedule weekly walkthroughs, ensuring the leadership team visits a variety of classrooms across all grade levels.
- **Feedback Loop:** Provide immediate, actionable feedback after each walkthrough, with specific examples of effective scaffolding and areas for improvement.
- **Track Progress:** Document trends in scaffolding practices over time to identify areas needing additional support or professional development.

4. Improving Attendance and Reducing Chronic Absenteeism for MLL Students

- **Attendance Monitoring:** Use the weekly attendance team meetings to review attendance data, identify chronically absent students, and analyze trends.
- **Engage Families:** Develop culturally responsive communication strategies, such as multilingual outreach and in-person meetings, to educate families about the impact of absences.
- **Student Incentives:** Create attendance incentive programs for students, such as recognition assemblies, rewards, or class challenges.
- **Targeted Interventions:** Collaborate with counselors, social workers, and community partners to address barriers to attendance, such as transportation or health concerns.
- **Progress Reviews:** Set short-term attendance goals (e.g., monthly benchmarks) and adjust intervention plans as needed to achieve a chronic absenteeism rate of 13% or below.

General Implementation Support

	• **Regular Communication:** Share updates on strategy implementation with staff and stakeholders during faculty meetings or newsletters. • **Data-Driven Decisions:** Use student data from assessments, attendance records, and walkthroughs to refine action steps. • **Celebrating Success:** Acknowledge and celebrate progress in professional learning, language scaffolding, and attendance improvements during staff meetings and school events.
Position Responsible	Ryan Smith (Principal), Jody Walker (Assistant Principal), KayCee Goman and Lindsey Bell (EL Teachers), Mariangeles Yossen (EL Facilitator), and Duncan K-5 teaching staff.
SMARTIE Goal #2	MLL students in grades 3-5 will have an increase in ELA proficiency, as measured by SBA.
Performance Objective	MLL students in grades 3-5 will increase proficiency, as measured by the SBA, to 9% in ELA.
Strategies for APO	• The School Leadership Team participates in weekly classroom walkthroughs with a focus on providing intentional language scaffolds based on the needs of each student. The team provides immediate feedback on all classroom walkthroughs, which always includes language-specific feedback. • MLL students will have an increased Average Daily Attendance and a decrease in chronic absenteeism, 13% or below. The school's attendance team meets once per week to identify interventions needed to support students' attendance.
Action Steps for Strategies	**1. Professional Learning Focused on Teacher Clarity, Learning Intentions, and GLAD Strategies** • **Collaborative Planning:** Organize regular planning meetings for grade-level teams to integrate teacher clarity and learning intentions into their lesson plans. • **GLAD Strategy Training:** Provide ongoing workshops and modeling opportunities for teachers to practice GLAD strategies. • **Anchor Visuals and Tools:** Create and distribute learning intention templates and classroom posters that clarify "What, Why, and How" for all lessons. • **Classroom Follow-Up:** Use coaching cycles to observe and provide feedback on the use of clarity strategies and GLAD practices in classrooms.
	2. Leadership Team Walkthroughs with Language Scaffold Feedback

	• **Establish Walkthrough Focus:** Create a rubric or checklist centered on language scaffolding techniques, such as sentence frames, peer discussions, and visuals. • **Consistent Walkthroughs:** Schedule weekly walkthroughs, ensuring the leadership team visits a variety of classrooms across all grade levels. • **Feedback Loop:** Provide immediate, actionable feedback after each walkthrough, with specific examples of effective scaffolding and areas for improvement. • **Track Progress:** Document trends in scaffolding practices over time to identify areas needing additional support or professional development.
	3. Improving Attendance and Reducing Chronic Absenteeism for MLL Students • **Attendance Monitoring:** Use the weekly attendance team meetings to review attendance data, identify chronically absent students, and analyze trends. • **Engage Families:** Develop culturally responsive communication strategies, such as multilingual outreach and in-person meetings, to educate families about the impact of absences. • **Student Incentives:** Create attendance incentive programs for students, such as recognition assemblies, rewards, or class challenges. • **Targeted Interventions:** Collaborate with counselors, social workers, and community partners to address barriers to attendance, such as transportation or health concerns. • **Progress Reviews:** Set short-term attendance goals (e.g., monthly benchmarks) and adjust intervention plans as needed to achieve a chronic absenteeism rate of 13% or below.
	General Implementation Support • **Regular Communication:** Share updates on strategy implementation with staff and stakeholders during faculty meetings or newsletters. • **Data-Driven Decisions:** Use student data from assessments, attendance records, and walkthroughs to refine action steps. • **Celebrate Success:** Acknowledge and celebrate progress in professional learning, language scaffolding, and attendance improvements during staff meetings and school events.
Position Responsible	Ryan Smith (Principal), Jody Walker (Assistant Principal), KayCee Goman and Lindsey Bell (EL Teachers), Mariangeles Yossen (EL Facilitator), and Duncan K-5 teaching staff.
