2025-2026 ASCENSION PARTNERS IN EDUCATION AGREEMENT

Ascension Public Schools is excited to work with the business and industry community to enhance student performance and achievement at all our schools by developing a strong, engaging partnership program.

Thank you for agreeing to be an official partner with a school in the Ascension Public Schools district.

This school partnership agreement requires the following:

- A designated Program Liaison from the business to serve as the lead contact;
- Complete the Scope of Services Agreement below and provide deliverable timelines;
- Ensure that the Scope of Services agreement provides for at least one school-based activity per semester (two school- based activities per school year) as part of the agreed deliverables;
- Complete an end-of-the-year survey that will be requested in summer of 2026; and
- If desired, request a school representative present a follow-up presentation to business CEO or Company Executive Manager.

SCOPE OF SERVICES AGREEMENT – to be jointly completed by the business partner and school principal to ensure expected deliverables are within the business partner's ability to provide and that all deliverables are geared to improving student academic performance.
