Configuring the Skyward Mobile Access App for Skyward Qmlativ

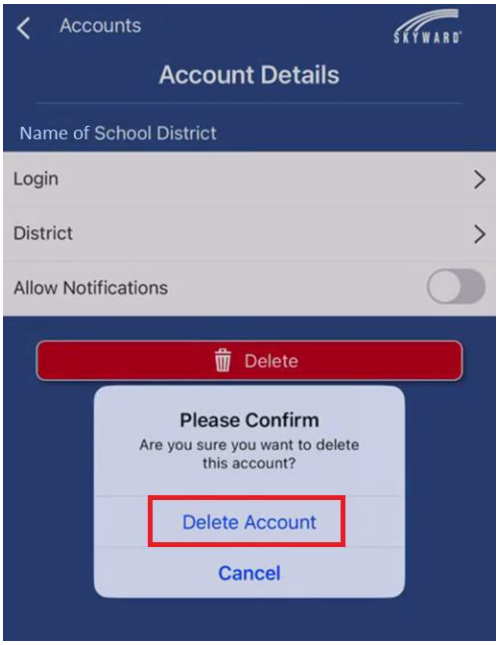
Welcome to Skyward Qmlativ! Users that have not installed the Skyward Mobile Access app can do so through the app store on your device. To add an account in the Skyward Mobile Access app, begin at Step 5.

Users with the Skyward Mobile Access app currently installed on a device should follow the instructions below to remove the account that was associated with an SMS account and add in an account associated with Skyward Qmlativ.

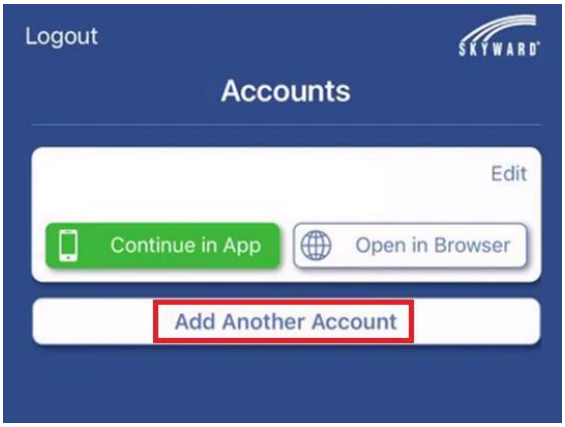
1. Open the Skyward Mobile Access app on your phone. Click **Edit**:

2. Click **Delete**:

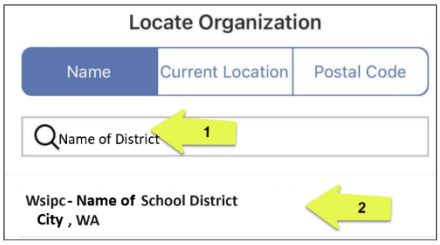
3. Select **Delete Account**



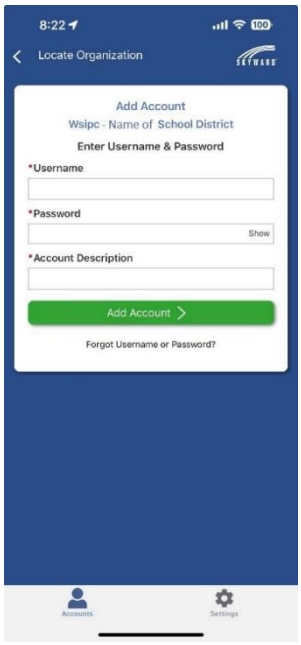
4. Click **Add Another Account** (if you don't see this screen, skip to Step 5):



5. In the search field next to the magnifying glass, type the name of the district to add and select the option that begins with "Wsipc-"



6. Lastly, enter the following information:
   - **Username** - Type your Skyward Qmlativ username.
   - **Password** - Type the password related to your Skyward Qmlativ username.
   - **Account Description** - A description is automatically added. If desired, the Account Description can be customized.



If you need to identify your username or reset your password, please click on "Forgot Username and Password?," and follow the prompts.
