Hello Mifflinburg Area Intermediate School Families,

The information presented in this handbook will help guide students and parents during the school year. Each section is designed as a reference for rules, guidelines, and procedures for every Intermediate School Student. This handbook is posted digitally on the Intermediate School's website at the start of every school year. If families want a hard copy, they can request one through their child's classroom teacher or by contacting the office. Families are asked to sign and return a slip indicating that the handbook has been read.

A new school year enables each student to strive for excellence with a positive attitude. The staff at the Mifflinburg Area Intermediate School is ready to help make this school year a rewarding and exciting year of learning.

Sincerely,

SCHOOL HOURS

Academic Hours

The instructional day (school hours) for Mifflinburg Area Intermediate School is 8:45 a.m. to 3:30 p.m. Students arriving after 8:45 a.m. are considered late and must be signed in at the office by an adult. Dismissal is at 3:30 p.m.

The Intermediate School's doors open at 8:20 a.m. for all students. Upon entering the school students should report to their designated grade level location or the café for breakfast.

TRAVELING TO AND FROM SCHOOL

Children who walk to and from school should take the safest route possible. Students are encouraged to stay on the sidewalk and use crosswalks when possible. Students will not be permitted to walk along the road that leads up to the Intermediate School from the intersection of Shipton and Mabel Streets as this is an extremely busy area that poses a safety risk. Parents are asked to review and practice with their children the route they want them to take. Safe travel to and from school can reduce a great deal of stress that students feel about school. Parents should discuss with their children what to do if a problem arises while he/she is walking.

If your child is to go home with someone else, we must have written permission from you. This is for your child's safety. If you cannot send a note, please call the school with the message. Do not rely on your child to give us the message; it can easily be lost, forgotten, or misunderstood. **We request that all changes in dismissal routines for your child be communicated to the school before 3:15 p.m. to allow time to notify appropriate personnel.**

Those who are dropped off or picked up by parents will enter and exit the building at the doors on the east side of the building (baseball field side). This arrangement provides separation of bus traffic from carpool traffic as a safety precaution.

Students should not enter or exit through the north (office) entrance of the Intermediate School unless they arrive after 8:45 a.m. or leave with parents prior to 3:30 p.m. Traffic patterns are not arranged to accommodate this as an effective student entrance.

PARENT DROP-OFF / PICK-UP PROCEDURES

The parent drop-off/pick-up lane on the east side of the building may become quite congested at arrival and dismissal times. Staff will help load students as quickly as possible; however, you should anticipate a delay. Staff will load up to 10 cars at one time in the pick-up lane to help keep the pick-up line moving. Students will enter their car off of the sidewalk next to the pick-up lane.

For the safety of the students, when you use the parent drop-off lane, you are asked to:

1. Remain in line.
2. Pull up as far as possible when it is your turn.
3. If you must leave your car, do not park it in line. Parking space is available in

- the parking lot.
4. Be patient, we are working with children and ensuring their safety.
 5. **Do not arrive for dismissal pick-up before 3:15 p.m. (15 minutes before dismissal time).**
 6. Students need to be picked up no later than 3:45 p.m.

Attendance Reporting: Families are required to submit an excuse or doctor's note explaining why their child was absent within three days of returning to school if they are absent from school. Notes can be submitted to the office, your child's teacher, or via email at isattendance@mifflinburg.org. Please see the District Handbook, pages 22-26, for more detailed information about attendance

STUDENT SIGN OUT PROCEDURES

1. Please make sure you have a legitimate reason for taking your child out of school. Doctor and dentist appointments during school hours are permitted; however, we encourage you to schedule them outside of school hours if possible.
2. When picking your child up from school prior to the regular dismissal time you need to sign your child out in the office. Since we are responsible for your children, it is imperative that we know who is taking your child and when.
3. Do not put your child on the spot. In cases of family separation where custody has not been awarded to one parent, we cannot legally prevent either parent from picking up the child. Please do not ask us to do so.
4. Please note the following: If a person other than the parent or guardian is picking up a child from school, the school should have a **written** statement from the parent or guardian specifying any necessary information. **Any person picking up a child from school will be required to show photo identification such as a driver's license.**

EMERGENCY CARDS

During the first week of the school year, your child will receive an Emergency Card from his/her teacher. This card should be kept up to date throughout the year. Please make certain that all portions of the card are completed. Contact the school as soon as possible when there is a change in address, telephone number, or parental status. **PLEASE RETURN THIS CARD IMMEDIATELY.**

In accordance with board policy #238, pupils should be released from school only to the parent of record, unless prior arrangements have been approved by the parent of record. Parents must state **in writing** to whom their child is to be released (**adult**) for any purpose, i.e., appointments, going home with another student, etc. The office may need to call the parent of record to verify arrangements if someone not listed on the student's emergency card attempts to pick up the child.

ACCESSING YOUR CHILD’S GRADES

All teachers at the Intermediate School use an electronic student information system called Synergy to record and track student grades in all subjects. Parents will be able to access these grades online by setting up an account in Synergy. If you have any difficulty setting up an account or navigating Synergy, please feel free to contact Tammy Bollinger at Tech Services at 570-966-8209 or via email at tbollinger@mifflinburg.org. Grades should be posted no later than a week after assessments have been given.

PARENT CONFERENCES

Parent-teacher conferences will be scheduled at the end of the first and third marking periods. Marking Period 3 conferences will be Student Led Conferences. A notice will be sent home with each child at that time. That will allow you to schedule a convenient time to meet with your child’s teacher.

You may arrange additional conferences with teachers and/or the principal. These conferences can be easily scheduled anytime during the school year by calling the school. We prefer to arrange these conferences within the school day (during a teacher's preparation period), or shortly after school if possible. Evening conferences are difficult to arrange, however, every effort will be made to meet your needs.

Through the course of any school year, concerns may arise on your behalf concerning your child's school experience. If this happens, you should contact your child's teacher as soon as possible. Your concern will be properly addressed by making this contact. If your concern is not addressed to your satisfaction, you should then contact the principal.

VISITORS/STUDENT SAFETY

Please note that for student safety our school policy governing visitations in our school will be strictly enforced. All visitors are required to register at the building office. No unauthorized person will be permitted to enter the school building and/or grounds. Visitors may be asked to provide photo identification or some other proof of identification. The north

entrance leads directly to the office where visitors are to register. All visitors should park in the parking lot in front of the building.

Student safety is a primary concern of the faculty and staff. To ensure student safety, there will be limited access to the building. All outside doors will remain locked throughout the day. All visitors should use the main entrance at the north end of the Intermediate School, where a video doorbell and intercom system are installed to monitor building access.

Students should not bring younger brothers and sisters to school with them nor have friends visit from other schools. Prior permission must be received from the principal for unusual visitation circumstances. Intermediate School activities are closed to students from other schools.

To protect the privacy of students, no photographs or videos may be taken of children on school property. The exception to this rule is for a picture to be taken of children by their own visiting family member. This picture may include the child's teacher or other adult staff members, if they consent. However, no other children should be in the picture.

PARENT/GUARDIAN/GRANDPARENT LUNCHESES

Parents, Guardians or Grandparents are invited to visit our school and enjoy lunch with their child or grandchild. **Please communicate with the school office by completing the School Visitor Lunch Form, page 19, 5 days prior to your visit.** Your visit will be confirmed using the School Visitor Lunch Form. We ask that you call the school office by 9:30 a.m. on the day of your scheduled lunch visit to notify the school of your lunch choice. **Parents, Guardians and Grandparents are welcome to visit during lunch one time per month per child in the building.** The cost of an adult lunch is \$ 4.85. **Please do not bring other children with you on your lunch visit. Please refrain from the use of your cell phone and other electronic devices during your visit. For safety and privacy reasons we ask that you do not take pictures while eating lunch with your child.** Parents/Guardians/Grandparents must leave after their scheduled lunch period. They will be escorted back to the office to sign out. Parents/Guardians/Grandparents are not permitted to stay for recess or go back to a classroom.

SELLING / SOLICITING

No club, organization, or individual is permitted to distribute or sell merchandise, materials, programs, etc. in the Intermediate School without administrative approval.

INSURANCE

A special accident policy is made available to all pupils at a very reasonable cost. This policy covers any accident, from the time your child leaves home in the morning, until he/she arrives home in the evening.

The amount of coverage for special accidents is spelled out in the policy. These policies are available upon request at the beginning of the school year from the Administration Office and should be read very carefully before a decision is made for or against this insurance.

A twenty-four-hour policy, which covers all accidents at home or school, is also available for pupils at a higher cost. The school keeps a record of all accidents. Please encourage your child to report any accident or injury to his/her teacher.

LOST AND FOUND

Many articles of clothing and other personal property are found in school buildings and on school grounds. There is a "Lost and Found" area in the café lobby. Children and parents are invited to check the lost and found area as needed throughout the school year. Any student who finds lost articles should bring them to the office so they may be returned to the owners.

SCHOOL PICTURES

Individual student pictures will be taken during the fall and again in the spring. Prior to the scheduled date of picture taking, information providing specific details will be sent home with your child. Please note that parents are not obligated to purchase any pictures.

The fall pictures are used for the school yearbook and for student records. During the spring session, class pictures are taken. Families will need to purchase the class picture if they want one for their child. Order forms are shared digitally from the picture company.

CANCELLATION OF SCHOOL

Sometimes school must be delayed, canceled, or dismissed early due to inclement weather. All delays, cancellations, and early dismissals will be announced over radio and television stations as well as on the District Website. Listen to the radio and TV for all such announcements. **Please do not call the school.** Parents should also receive a recorded phone call and/or an email from a school official in the event of delays, dismissals or cancellations. This call is made promptly after the decision is made to delay or cancel school or send students home early. **Parents should make specific plans with sons and daughters in the event that school is closed early.**

GENERAL SCHOOL GUIDELINES

PLEASE REVIEW THE FOLLOWING GUIDELINES WITH YOUR CHILD/CHILDREN:

1. All children are to go directly to their designated grade level location or the café for breakfast upon entering the school in the a.m. Children are not to leave the school property once they arrive. Staff will monitor student entry doors until 8:45 a.m. Students arriving after 8:45 a.m. are considered tardy and must be brought to the school office to be signed in.
2. Students are not permitted to chew gum on school property. All candy, food, and drinks brought to the school must remain sealed until lunch and may only be consumed in the cafeteria as part of lunch.
3. Students should walk through the halls quietly and always keep to the right.

4. In an attempt to foster respect and proper etiquette, headwear in any form; e.g., hats, caps, bandanas, etc. should be removed when entering the school building and kept off until recesses or dismissal time. Children wearing head coverings for religious reasons may be exempt.

5. Students are expected to dress in clothing that facilitates personal health and safety in the classroom and on the playground. Students should view the school as their workplace and should dress in a manner that supports a safe and comfortable work environment. Students who come to school dressed in a manner that poses harm to their personal health or safety, or that distracts from the educational process may be temporarily excluded from regularly assigned activities or programs. Such clothing includes short shirts or tops that expose the midriff, excessively baggy clothing, pajamas and sleepwear, and clothing with messages or slogans deemed inappropriate for a public school setting. Boys are not permitted to wear muscle shirts or sleeveless shirts. Girls are permitted to wear sleeveless tops or dresses that have shoulder straps; however, the straps must be at least 1.5 inches wide. Strapless tops and dresses are not permitted. Shorts should be no shorter than the end of the thumb when standing relaxed. Please be mindful of weather conditions when wearing shorts.

Heavy neck chains, heavy necklaces and “dog collars” are not to be worn around the neck or wrist.

Roller skate shoes, flip-flops, and strapless sandals have proven to be quite dangerous on stairs. Roller skate shoes can damage the floors. **For these reasons, these types of footwear may not be worn.**

Undergarments, or parts of undergarments, should not be exposed.

Your child should wear sneakers on the day they have Physical Education class. Jewelry should not be worn to P.E. class, particularly “hoop” or “dangling” earrings that may catch in clothing.

In your child’s best interest, he/she should bring a paint shirt or smock to be kept in school. The shirt or smock should be labeled with your child’s name and should be large enough to protect your child’s clothes.

Styles and trends in fashion change frequently; therefore, it is difficult for school administration to predict upcoming fashion. The principal has the final decision regarding the appropriateness of clothing.

7. During assemblies or presentations by resource persons, students are expected to show proper respect.

8. Parents are asked to encourage children not to bring toys to school except as directed by the teacher.

9. Gaming devices, electronic tablets-notebooks-computers, audio/video players, and cameras, are not permitted to be used at school during school hours or at any educational events conducted on/off school property unless specific permission is given.
10. Students are permitted to bring cameras on field trips. This does not include cell phones that include a camera feature. The device must be a stand-alone camera or a non-phone device with a camera.
11. **It is understood that cell phones are an important tool for students and parents to communicate with after school. For this purpose, students may bring cell phones onto school property, but they must be turned off and left in a backpack or coat during school hours and during school-sponsored/approved events (on- or off-campus). If a child takes out a cell phone during these times or events, the device may be taken and kept by a school staff member, or in the school office, for a parent to pick up later. Cell phones may not go with students on field trips unless otherwise approved. Parent communication/internet options should be turned off on Smart Watches during school hours. Smart Watches should be place on “school mode” if worn by students during the school day.**
12. The use of electronic readers, such as Kindle or Nook, or similar eReaders, for the sole purpose of reading electronic books, is acceptable at school. These devices are not permitted to connect to the internet or be used for gaming or as a communication device.
13. Please do not send valuables and excess money to school with your child. The school is not responsible for lost, damaged, or stolen items.

BICYCLES

To help ensure student safety, students should not ride bicycles to school. This is due to the hectic traffic patterns around the school campus in the morning and at dismissal time.

CAFETERIA

The cafeterias of the district endeavor to offer well-balanced meals to all children at a nominal cost. To ensure proper record keeping the Mifflinburg Area Intermediate School cafeteria will be using a permanent meal account for every student.

Breakfast and lunch are free of charge to all students at the Intermediate School during the 2025 – 2026 school year. Please note, if a student is a packer and chooses to purchase milk, they will need to pay for the milk. Families can add money to their child’s lunch account by using EZSchoolPay. Please see the District Website under the Parents tab for information on EZSchoolPay.

Children who are allergic to milk will be served another beverage with their meal, e.g., orange, apple, or grape juice. Please provide a doctor’s note for the milk allergy. We recommend that water or low sugar drinks be packed in lunches to encourage healthy eating.

Students purchasing ice cream must have cash. Students cannot use money on their lunch account to purchase ice cream.

RECESS

All children are expected to go outside for recess during appropriate weather. We realize that on a rare occasion it may be necessary for your child to stay inside for medical reasons. If this situation occurs, please send a note requesting that your child remain inside for recess. If staying inside at recess becomes habitual with a child, we will require a doctor's excuse.

On days when the weather does not permit outside recess (excessive cold, rain, etc.) modified recesses will be held indoors. Please be assured that during the winter months, weather conditions are monitored by the school staff. Recess is only held outside when weather conditions will not jeopardize a child's health or safety.

PLAYGROUND GUIDELINES

1. Students should always remain within the designated play area.
2. Students are expected to be respectful and cooperative with others.
3. Fighting or aggressive play is prohibited.
4. Rough play is not permitted.
5. Students should practice safety rules on all playground areas.
6. Students who are to stay inside due to health reasons must bring a note from the parent or guardian stating this.

SCHOOL-WIDE POSITIVE BEHAVIOR AND BULLYING PREVENTION

We have instituted a School-Wide Positive Behavior Program, called R.O.A.R., to teach students how to behave in school and have positive interactions with adults and peers. Our school ROAR expectations are explicitly taught to all students the first week of the school year and during the first week after our winter break. ROAR expectations are taught as needed to students or groups of students throughout the school year outside of these two scheduled times.

ROAR expectations are:

Respectful

Organize Themselves

Act Safely

Responsible throughout the school and on the bus

Each day, teachers and staff will look for students who are following behavioral expectations. If "caught," students receive a recognition point through our PBIS Rewards System. As these points accumulate, students have the chance to "purchase" items from our ROAR Store which is open monthly. Periodically, random drawings will be held for special treats/prizes using the PBIS Rewards System.

Families can download the parent PBIS Rewards app and use a school generated QR code to track their child's PBIS Rewards points. The school will provide each family with their child's specific QR code within the first two weeks of the school year.

Throughout the year students will have the opportunity to participate in other fun events to support School-Wide Positive Behavior and Bullying Prevention. Some of these include lunch mixers where students can sit with new students and make new friends, Freedom Fridays where students can sit with their friends at any table of their choice, and Dance Parties where students are randomly picked through PBIS Rewards to enjoy a dance party in the gym.

The Intermediate School recognizes some students need additional support meeting the school's ROAR expectations. To help support these students our ROAR program has a mentoring program called Check-in/Check-out (CICO). In CICO, a student receives a teacher mentor to meet with in the morning and afternoon to review our school expectations and to celebrate their successes throughout the day. The teacher mentor will also help support the student if they had a difficult situation happen during the day. In CICO, the student receives a digital behavior log where their success at meeting our ROAR expectations is tracked throughout the periods of the day. This log is reviewed by the student and their mentor at the end of the day. Families can track their child's daily progress via the PBIS Rewards app. We encourage families to track and review their child's progress to help support their child and the school.

For a student to qualify for CICO, the student must receive 3 major office referrals withing a 9-week period. These referrals are tracked in our SWIS student referral system. There are times when school staff and families can decide to move a child into CICO without meeting these criteria. Major office referrals are defined for students, staff, and families in our PBIS ROAR program.

When students meet their daily behavior goal for a 4-week period the student moves into a 2-week self-monitoring period. If the student is successful during the 2-week self-monitoring period, they graduate from CICO.

We have found CICO to be very beneficial for students who need extra help meeting our ROAR expectations. The Intermediate Schools views CICO as a positive experience geared towards supporting students and their needs.

DISCIPLINE

The Mifflinburg Area School District faculty and staff believe that students learn best in an atmosphere of fair, firm, and consistent discipline. We hope that parents feel the same way.

Students are taught how to follow basic rules in school and on the bus. We have identified "hot spots" where poor behavior is prone to happen. From the first week of school, and then frequently throughout the school year, expected behaviors at these hot spots are taught and retaught to better ensure that students have a positive experience in school.

With the help of parents, we at school will provide a positive school environment that will have significant positive effects on all our students. When a student has difficulty adhering to a school rule, a teacher may note this situation on a minor or major incident report. School

protocols dictate that parents will be contacted directly by the teacher upon the completion of a second minor report or when any major report is recorded.

At times the principal may need to get involved with student discipline concerns. The principal will follow district guidelines for student discipline when handling student discipline concerns which can include but are not limited to a parent meeting, loss of privileges, re-teaching a rule/expectation, other restrictions, in-school suspension, out-of-school suspension, etc.

CARE OF PERSONAL AND SCHOOL PROPERTY

We are proud of the fine facilities that have been provided for learning. Students are expected to always show respect for the building and equipment. It is important that children take proper care of their belongings. This includes Chromebook, school materials, specifically textbooks, workbooks, and library books, as well as personal belongings. If a student damages, destroys, or loses school property, his/her parents will be assessed the cost of the property.

OVERDUE LIBRARY BOOKS

When a library book is overdue:

1. The student will be made aware of the overdue library book at the point of approximately one week overdue.
2. The district librarian or designee will call the student's parents or guardians when the library book is approximately two weeks overdue.
3. When the library book is approximately three weeks overdue, the business office will send a bill to the student's parents or guardians. The cost of the replacement book will be determined by the established publisher's list price. Parents or guardians may, however, purchase the same book or materials in acceptable condition from another source and present the book to the district office if they wish to do so.
4. If a parent or guardian has paid for books or materials and the books or materials are found and returned to the library at a later date in acceptable condition, the district librarian or designee will contact the parent or guardian to determine if the parent or guardian would like to be reimbursed at 50% of the dollar amount paid.

Students are allowed to check out two books from the library at a time. If a book becomes overdue, students may still check out one book. If both books have become overdue and have not been returned to the library, other arrangements may be made with the student, teacher, and parents to ensure the student continues to have access to reading material from the library.

SEARCHES

School officials have a right and responsibility to search a student's desk, handbag, book bag, coat, or person upon a reasonable suspicion and seize items believed to be stolen, illegal, or prohibited objects and materials. Items seized may be used as evidence against the student in disciplinary or criminal proceedings (District policy #226).

The student shall be notified of and given the opportunity to be present when a desk,

handbag, book bag, or coat is searched. However, if there is reasonable suspicion that the desk, handbag, book bag, or coat may contain objects or materials that may endanger the health, welfare, or safety of students, or staff, searches may proceed without prior notice.

REMEDIAL READING AND MATH SUPPORT

Mifflinburg Intermediate School is a school-wide Title One building. This designation allows for remedial reading and math services to be offered to students as part of the Federal E.S.E.A. Title I Program. All students in the building are eligible to receive academic support through Title One. Students may be identified for academic support based on local or state assessments. Academic support may be provided within the child's classroom or occur as pull-out sessions in another room of the school.

Students who struggle in math or reading may also benefit from our after-school Wildcat Camp. A teacher, parent/guardian, school counselor, or administrator may recommend that a child participate in this offering that occurs after school Tuesdays and Thursdays, from October to March. While at Wildcat Camp, students will be given a snack and time to get a head start on any homework. They may participate in a mini lesson on a timely math or reading skill and/or complete a math or reading skill session using one of several digital resources. Parents must pick up their children from camp at 4:30 p.m.

Multi-Tiered System of Supports (MTSS)

Mifflinburg Area Intermediate School offers Multi-Tiered System of Supports (MTSS) for all students. MTSS is a framework that offers support to children for academic, behavioral and/or social emotional needs. A parent/guardian, teacher, administrator, guidance counselor or other school staff can make a referral to the MTSS team. The MTSS team consists of the following: the child's Parents/Guardians, Principal, Director of Special Education, School Psychologist, Guidance Counselor, Classroom Teacher and any other school staff who works with the child.

During the MTSS process, the MTSS team reviews data and input about the child collected through the MTSS referral form. The MTSS team then creates an intervention plan with SMART Goal/s to track the student's progress. Student progress on their SMART Goal/s will be reported on monthly during building MTSS meetings as well as shared with the parents/guardians.

If you have questions about MTSS and/or would like to seek this support for your child, please contact your child's teacher or Mr. Heggenstaller.

Walking Wild Cats

Walking Wild Cats is a morning walking club where students can walk with staff members in the gym to burn energy, wake up their brains, and get ready for a successful day. During Walking Wild Cats, students walk the perimeter of the gym while listening to music and talking with friends. Walking Wild Cats is open to all students Mondays, Wednesdays, and Fridays throughout the school year.

Students are expected to follow the Walking Wild Cats expectations. If they do not follow these expectations students will be asked to leave and could lose their privilege to walk for a set amount of time.

COMPUTERS

The Mifflinburg Area School District has always supported the use of technology where appropriate in the educational environment. School District policy number 815.1 was developed to govern the ethical use of district computers. The policy forbids misuse of district computers and computer systems, expects students to respect school district technology resources and to respect the work of others. Penalties for any transgressions of the policy range from paying restitution, loss of privileges to expulsion. A copy of this policy is available for your review upon request.

SCHOOL COUNSELOR SERVICES

The Intermediate School provides the services of a school counselor in order to meet the varying needs of students. School counselor support can be provided through parent or teacher request.

SCHOOL PSYCHOLOGIST

In addition to the school counselor, a school psychologist is available for counseling and testing. The school psychologist is also responsible for assessing the abilities, aptitudes, interests, achievements, and social-emotional adjustments of individual students with learning and/or emotional problems. If you observe your child having apparent social or emotional problems, please notify the school counselor.

DRUGS/MEDICATION

The misuse of drugs is a serious problem with legal, physical, and social implications for the school and community. Drug use, possession and distribution during school hours on school property are prohibited.

Mifflinburg Area School District Policy #210, Student Use of Medications, is designed to keep our schools safe from drug misuse while providing students with sufficient opportunity for the legitimate use of medication. We hope you will understand the precautions we must take and will support our efforts to do what is best for the students.

Students are not permitted to carry any prescribed medicine or over-the-counter drugs (such as Motrin, etc.) at school. All medications must be deposited with the school nurse and/or secretary upon the student's arrival at school. Procedures for the administration of medication to students by the nurse and school personnel are as follows:

1. Only emergency medication, standing order medications or maintenance medications

will be given.

2. Only medication prescribed by a physician will be given. Standing order medications need to be prescribed by a physician. Parents/Guardians are responsible every school year to complete and return the “Standing Order Medication Permission Form”.
3. The parent or guardian must present with the medication a physician signed, dated request that identifies the medication by name. The physician’s note must indicate the dosage and recommended duration for the medication.
4. The parent or guardian must complete and sign the school's official form of consent/release that may be secured from the school.
5. All prescription medications must be in the original pharmaceutical container and must contain the label prepared by the pharmacy. All over-the-counter medication must be provided in the original container and be accompanied by a physician's order for the medication.
6. Due to concerns about choking, children wanting them like candy, and their lack of any noticeable effect, cough drops are not permitted in school. Cough drops will not be dispensed by the school nurses, and they are not to be sent into school from home. The school nurses will provide saltwater gargles to students having difficulty with coughing. We also suggest that parents dispense cough medication (as approved by your doctor) at home in the morning or, if essential, bring cough medication to school following the above instructions for over-the-counter medications. If a cough is so severe that it will be disruptive to the class in spite of cough medication, please keep your child at home and follow up with your child’s doctor.
7. All medications must be brought to the school by the parent/guardian and not sent to school with the student.
8. If the medication is a controlled medication, it will be counted with school staff or school nurse and the medication count log will be filled out and signed by the parent/guardian and school staff/school nurse immediately.
9. Requests for long-term administration of medications must be accompanied by a doctor’s order and/or renewed at the beginning of each school year. Any change in dosage or frequency of long-term medication must be documented in writing by the prescribing physician and will constitute a new order.
10. As with medications, any medical equipment necessary for the administration of a medication must be provided by the parent. Clear written instructions must be provided and the equipment must be in the original container.
11. Inhalers for asthma sufferers may be carried with current doctor’s permission on file in the health room. However, allowing students to do so does raise concerns. To address these concerns the school district is offering parents two options for students who use inhalers:

Option #1 – The student comes to the health room where the inhaler is kept and uses it under supervision. The advantage is that the medication will be used correctly, in the proper amount, and records will be kept. A number of students keep inhalers in the health room and come before PE, recess, or as needed. All medications brought to school must be in their original prescription container with a signed parental permission note giving the child's name, grade, dose and time for the medication to be given.

Option #2 – Qualified students will be allowed to carry their inhalers. The advantage is that it is immediately accessible. A spare inhaler provided by the parent may be kept for them in the health room should they forget theirs or run out.

HEAD LICE

Head lice are tiny bugs about the size of a sesame seed (2-3 millimeters long). Their bodies are usually pale and gray, but their color may vary. One of these tiny bugs is called a louse.

Head lice feed on small amounts of blood from the scalp. They can't survive more than 1-2 days without a blood meal.

They hatch from small, yellow white eggs, called nits, which the female louse attaches to individual hairs with a glue-like substance.

Head lice are crawling insects. They cannot jump, hop, or fly. The main way that head lice spread is from close, prolonged head-to-head contact. There is a very small chance that head lice will spread by sharing items such as combs, brushes, hats and sports helmets, however, children should still be instructed not to borrow clothing and personal items from other people.

Itching of the head and back of neck can indicate head lice. Lice, or more often, eggs, might be seen. The egg might be mistaken for dandruff. Dandruff is easily removed but nits are difficult to remove because they are attached to the hair.

Students with live lice are excluded from school until they have been treated with a special pediculicide shampoo or rinse and nits are removed. At the first signs of lice, please contact the school nurse, your doctor or pharmacist for advice on treatment of the affected person, family member and environment.

FIRST AID AND ILLNESS

Although every effort is made to provide a safe school, we know that accidents will happen. If an accident or illness occurs, first aid will be administered, and the parent contacted if warranted. Please keep the school informed of changes in name, work addresses, and phone numbers.

The phone numbers of trusted caregivers/babysitters are also needed on your child's school records. If unable to contact the parent or guardian when an emergency arises, the school provides medical attention when deemed necessary.

In a situation where immediate aid is needed that cannot be provided at school and the response time of ambulance and/or paramedics will be delayed, school personnel will transport the child to a local doctor's office.

SCHOOL HEALTH SERVICES

Our school health services personnel work under the "Guide for School Nursing Services in Pennsylvania," which is approved by the Pennsylvania Department of Health.

The health and safety of your child is our first concern. The physical needs of a child are an adequate and well-balanced diet, comfortable and appropriate clothing, protection from danger, opportunity for active play and exercise, sufficient rest and sleep, bodily cleanliness, and care during sickness. To ensure proper care of your child it is essential that we are aware of any special needs he/she may have which require individual attention. Please notify the school nurse of any allergies, seizure tendencies, special fears, physical limitations, etc. Screening programs are provided to detect vision, hearing, growth and development problems, and other health needs.

STUDENT WELFARE

MASD Board Policy #218 specifies that teachers and school authorities may use reasonable force in order to "quell a disturbance, to obtain possession of weapons or dangerous objects, for the purpose of self-defense or for the protection of persons or property."

In each district building, a team of teachers and staff are trained annually on deescalating and managing student crises. Physical intervention may be used as a last resort to keep students safe when de-escalation strategies have proven unsuccessful.

When a student requires physical intervention, district nursing staff will give a follow-up exam. School officials will notify parents/guardians whenever physical interventions are used so that appropriate behavioral planning and medical or mental health care can be determined. If you have any questions, please contact the building administrator.

SYNERGY

Synergy is the MASD student information system. All Students and Parents will have access to Synergy using their perspective accounts. For Parents, you will logon to Synergy via ParentVue the parent portal for accessing your child's information for grades, attendance, demographics, etc Students will access Synergy from StudentVue, the student portal for Synergy. These portals are accessible on the District Website under Parents or Students or on ClassLink.

Parents can go into ParentVue and in Online Registration, choose Demographic Verification to make any changes to student information Please complete this verification at the start of each school year. The district office will then process these changes after they are reviewed. This has replaced paper verification for Mifflinburg School District

Changes of address or phone number during the school year as well as those made during the summer vacation should be reported to Tammy Bollinger in our district office by calling 570-966-8209.

DISTRICT TRANSPORTATION (SBP # 810)

Transportation is a vital part of our total school program. Each child requiring district transportation is given a bus assignment including bus number, designated stop, and approximate time the bus will arrive. The bus stops are located in ways that take safety and convenience into account for our students and families.

Bus information for each child can be found in Synergy under the tab “Other Info”

The following school board approved transportation policies are in place for Mifflinburg School District:

1. **No child/children will be permitted to ride a bus other than their assigned bus.**
2. As Needed Alternative Transportation (Bus Pass) is intended to provide transportation for childcare purposes or split guardianship that are long-term needs for a stop that is not located near a student’s residence.
3. Any emergency situations that occur for pre-established alternative stops that require a last minute change, will attempt to be accommodated but are not guaranteed. For emergency change situations for these pre-established alternative stops, the parent/guardian must contact Rohrer regarding the emergency situation so that the bus driver can be notified. If the dispatcher approves the change and determines the change can be accommodated, will notify the school office.
4. Long-term Alternative requests can be completed on the district website → Departments → Transportation and should be completed **48 hours** in advance of the need for a change in transportation.
5. Long-term Alternative bus requests need to be completed individually for each child and DO NOT roll over from year to year.
6. **Long-term Alternate transportation stops are limited to one (1) alternate stop per student**, except for students with court ordered custody arrangements.
7. **One-Day bus passes will not be issued for any student. If you believe you have an emergency, please contact the building principal for guidance.**

8. Keep in mind when filling out requests for long-term alternative transportation that the district does not alter existing routes and will make every effort to use already existing bus stops at the closest proximity to the requested residence.
9. Long-term Alternative transportation requests are subject to availability of space on each bus.

Bus Rules & Regulations

Children who ride the bus should know the safety and conduct rules. School bus transportation is a privilege and convenience. Student responsibility and parent cooperation are essential for everyone's safety. Persistent disregard of school bus rules will result in a student losing the privilege of riding the bus. **Should a student lose this privilege, it becomes the responsibility of the parent or guardian to provide transportation. In an effort to maintain safety on buses, cameras are installed to monitor behavior. Parents should be advised that the video and audio obtained from the bus cameras may be used to determine appropriate consequences for behavior on the bus.**

Please discuss the following rules with your child:

1. Children should go to their seats and remain there until they reach their stop.
2. Students should keep head and arms inside the bus—not sticking out the windows.
3. Students may not bring animals, beverages, water guns, squirt bottles, glass containers, or firearms and explosives, etc. on the bus.
4. Students should keep hands and feet to themselves while standing in line or when getting on and off the bus.
5. Students should use a quiet voice while riding the bus and while waiting in the bus line.
6. Older students should be considerate of younger children at all times.
7. When entering the bus, students should let it come to a full stop before entering.
8. Misbehavior will not be tolerated and will be handled accordingly. Proper discipline will be maintained by the driver, transportation director, and/or principal. Remember, riding the bus is a privilege, and as such, it can be taken away.

If you have a transportation issue or question for an individual child, please call the school in which your child is enrolled first to receive guidance. All school building offices are staffed at least one-half hour before and after the school day.

ATTENDANCE/ABSENCES

Beyond becoming a life-long learner, developing time-management skills and developing an appreciation for citizenship; one of the most important life-skills learned by students in the Mifflinburg School District is attendance and timeliness. Any time a pupil has frequent absences from classroom learning experiences, the continuity of the instructional process is interrupted, and therefore the amount and quality of learning can be greatly diminished. For these reasons, the Mifflinburg School District has a comprehensive attendance and truancy policy that clearly outlines what is expected of students and their parents/guardians. The Board of Education requires that school aged students enrolled in the schools of the district attend school regularly and in accordance with the laws of the state.

Attendance Definitions

Absence - Absence is the nonattendance of a student on those days and half days when school is in session.

- Students are credited with a half-day of absence on a regular school day, if they miss more than 2 hours and 15 minutes of school.
- Any student who misses 5 hours or more is credited with a full day of absence.
- Students missing school due to illness for 3 or more consecutive days must have a doctor's excuse.

Excused Absence - Excused absence includes the absence of a student for any one of the reasons listed below in the section titled "Excused Absences".

Person in Parental Relation - as used in this procedure, shall refer to a custodial biological or adoptive parent; a noncustodial biological or adoptive parent; guardian of the person of a child; or a person with whom a child lives and who is acting in a parental role of a child. This definition shall not include any county agency or person acting as an agent of the county agency in the jurisdiction of a dependent child as defined by law.

Unexcused/Unlawful Absence - Unexcused absence is the absence of a student for any reason that does not qualify as an excused absence, as defined herein and listed below in the section titled "Unexcused Absences".

Truant - Truant shall mean having incurred three (3) or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.

School Attendance Improvement Conference (SAIC) - Schools must make meaningful attempts to encourage parent participation in attendance improvement conferences by advance written notice and attempts to communicate via telephone. The school must hold the conference even if the parent declines to participate or fails to attend. There is no legal requirement for either the child or parent to attend a student attendance improvement conference (SAIC). The school must document the outcome of any attendance improvement conference in a written student attendance improvement plan (SAIP). Schools may not take further legal action to address unexcused absences until after the date of the scheduled attendance improvement conference has passed.

Habitually Truant - Habitually truant shall mean having incurred six (6) or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.

Attendance Excuse

Any absence shall be treated as unlawful/unexcused until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the student's return to school. Excuses can be hand written and taken to the front office of each school or emailed to each building to the following emails:

High School: hsattendance@mifflinburg.org
isattendance@mifflinburg.org

Intermediate School:

Middle School: msattendance@mifflinburg.org
esattendance@mifflinburg.org

Elementary School:

Excused Absences

A maximum of ten (10) days of cumulative lawful absences verified by parental notification may be permitted during a school year. Likewise, any reason for absence listed below that is substantiated by a written excuse from the healthcare facility, court, college, etc. will not count towards the ten (10) parental excuses. All absences beyond ten cumulative days with a parental excuse shall require written verification from a physician or licensed health care provider that the student has been seen in their office. The School District does not have to accept “Reported Illnesses” from a physician or licensed health care provider.

For purposes of this policy, the following list of conditions or situations, not all inclusive, constitute reasonable cause for absence from school:

1. Illness/Medical reasons, including if a student is dismissed by designated district staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.

- c. Following each absence, the parent/guardian shall submit a statement attesting that the student attended the instruction, and the date and hours of attendance.

Unexcused Absences

For purposes of this policy, the following list of conditions or situations, not all inclusive, may constitute unexcused/unlawful absence from school:

1. Failure to wake up for school
2. Missing a scheduled school bus or not having a ride to school
3. Absence without a parent/legal guardian's knowledge
4. Caring for a sibling in a non-emergency situation/babysitting
5. Running errands and/or shopping

11. School refusal

If a student of compulsory age accumulates unlawful/unexcused absences, the district will proceed as follows:

Third Unexcused Absence

Within ten (10) school days of a child's third unexcused absence, the school principal, assistant principal or designee shall send an Official Notice of Truancy to the person in parental relation who resides in the same household as the student. Included in this notice shall be a description of the consequences if the child becomes habitually truant. This notice may include the offer of a School Attendance Improvement Conference (SAIC).

Continued Unexcused Absences

If the child continues to incur unexcused absences after the issuance of the Official Notice of Truancy, the school shall then offer, by advance written notice and/or phone call, a School Attendance Improvement Conference (SAIC) to the child and the person in parental relation to the child, unless a conference was previously held following the Official Notice of Truancy. The following shall apply with respect to a School Attendance Improvement Conference (SAIC):

- There is no legal requirement that the child or person in parental relation attend the conference, and the conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference after advance written notice.
- The outcome of the conference shall be documented in a written School Attendance Improvement Plan (SAIP).
- Further legal action may not be taken to address unexcused absences by the child until after the date for the scheduled School Attendance Improvement Conference (SAIC) has passed.

Habitually Truant Students

When a child is habitually truant and under fifteen (15) years of age at the time of referral, the school:

1. Shall refer the child to the Union County Office of Children and Youth for services or possible disposition as a dependent child.
2. May file a citation in the office of the magisterial district judge having jurisdiction in the region against the person in parental relation who resides in the same household as the child.

The District shall not expel or impose out-of-school suspension, disciplinary reassignment or transfer for truant behavior.

Additional Potential Actions

The building administrator may take further action for inconsistent attendance patterns – especially in the case of habitually truant students, whether the student is compulsory age or not. The actions may include, but are not limited to this list, and shall be based on the severity of the situation.

1. Counseling
2. Reprimand
3. Parent/Guardian Conference
4. Requirement of an excuse from a licensed practitioner of the healing arts
5. Report to child services agency
6. In-school suspension for the purpose of making-up assignments due to prior absences
7. Suspension from extra-curricular activities (clubs, assemblies, class trips, etc.)

Absence Procedures

When a student is absent from school or class, at any time or for any reason, the following procedures shall be used:

1. Parent is required to submit a written explanation for the student's absence (parent/doctor/etc) to the office upon the student's return to school. Failure to turn in a written explanation will result in the absence being declared unexcused.
2. The office will evaluate the written explanation and make a determination if the absence is excused or unexcused

Absence Due to Accident or Illness

When an injury or illness necessitates extended absence from school, homebound instruction is available upon a request by a medical doctor and the parent or guardian. (A request for homebound instruction must be made to the school principal.)

Medical Appointments

If a student has a medical appointment in the morning, she/he is expected to return to school in the afternoon. Likewise, for an afternoon appointment, a student is expected to attend school in the morning. Only a half-day absence can be given to a student for a medical appointment unless there are circumstances supporting the need for the student to be out of school for the entire day.

Leaving School/Returning to School Due to an Appointment

Parents should attempt to schedule medical appointments when they do not interfere with a student's school day. However, when it is necessary to schedule a medical appointment during school hours, students should follow the following procedures:

1. Student must bring in a signed parent note and obtain an Appointment Excuse from the office at the start of the day.

2. Upon return to school, student presents the signed Appointment Excuse to the office.
3. Student is excused ONLY for the appointment and the time it takes to get to and return from the appointment.

EMERGENCY DRILLS AND PROCEDURES

MASD currently employs four School Police Officers (SPO) that are stationed in each one of our buildings. While on duty during the day, our officers are consistently checking entrances, patrolling the inside and outside of our buildings, providing feedback for our emergency operating plans, and communicating with building Principals concerning the safety and security of each building.

Each of our school buildings has a single point of entry with indicators on outside doors to report to the main office for entry. All visitors must sign into the main office and register their drivers license through our Raptor software. Our district buildings are equipped with both inside and outside security cameras. All district employees are to have an ID badge visible at all times and all classroom doors are to be locked and secured throughout the school day. In addition, all of our school buildings practice the following emergency procedures and drills:

- Monthly fire drills
- Evacuation and reunification drills for a variety of emergency situations
- Severe weather drills and bus evacuation drills
- Intruder and lockdown drills using ALICE (Alert, Lockdown, Inform, Confront, Evacuate)

Schools need to practice emergency and intruder drills in order for students and staff to be prepared with the knowledge of how to respond should such an event occur. We will always keep families informed specifically of intruder drills prior to and during those events so that it will not create panic of not knowing if the event is real or not. As the year progresses, MASD will practice our emergency procedures by planning an emergency intruder/lockdown drill that includes sending messages out to families immediately to indicate that a drill is in progress in order to keep parents informed while also testing our communication system. It is the practice of our schools to always begin a drill with the alert to our students that “This is a drill.” The intent of all of our drills is to empower students to be knowledgeable of their surroundings and be well prepared for an emergency situation. All of our drills are practiced for a variety of situations and our district teachers make great efforts to prepare students accordingly.

In addition, there is a possibility that any of our district buildings or property may be sweep with police dogs for various safety concerns at any point during the school year.

If you have any concerns about the safety and security of any of our school buildings throughout the school year, please contact the building principal or feel free to reach out to Danielle Dressler, head of safety and security for Mifflinburg School District.

SECURITY CAMERAS

Security of the school and buses is an important issue. Students are reminded that the school district is equipped with security cameras, inside and outside of all of our school buildings to

enhance building security. Each school bus and school vehicle is equipped with video and audio recording equipment.

VISITORS

All visitors must enter through the main office and sign in at the office upon entering the building. Visitors should present their driver's license to be entered into the Raptor Identification system and given a name tag. Visitors will be escorted by school personnel and should not be left unsupervised throughout the school building

*Any district building or property can be swept with police dogs for various safety concerns at any time.

1. Injure or threaten to injure another person.
2. Damage the property of another or of the school district.

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Cyberbullying

Forms of verbal and psychological bullying may also occur on the Internet through email, messaging, social networking, and also other Internet platforms. Cyberbullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student, teacher or employee of the district by sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or website postings (including blogs).

A student who violates this policy shall be subject to appropriate disciplinary action ranging from counseling within the school, loss of school privileges, detention, suspension and expulsion, to referral to local law enforcement officials.

UNLAWFUL HARRASSMENT (SBP #348)

The Mifflinburg Area School District strives to provide a safe, positive learning climate for students in the schools. Therefore, it shall be the policy of the district to maintain an educational environment in which harassment in any form is not tolerated. Any student who is found to have violated this policy will be subject to the following penalties; reprimand, counseling, detention, suspension, or expulsion.

WEAPONS AND DANGEROUS INSTRUMENTS (SBP #218.1)

The Mifflinburg Area School District seeks to provide a safe environment free from weapons and dangerous instruments for students, school personnel, and persons using and visiting school property. School Board Policy #218.1 prohibits weapons of any kind on school property, at school events, or on school vehicles. This policy applies to students walking to or from school or a bus stop.

Weapons include such things as, but are not limited to: pocket knives, cutting instruments, martial art devices, guns, bows, pellet or BB guns. “Look-alike” weapons and toy guns are included in this policy.

DRUG AND ALCOHOL ABUSE (SBP #227)

The Mifflinburg Area School District recognizes that the use of drugs and/or alcohol illegally and/or inappropriately constitutes a hazard to the positive development of students. MASD assumes the adamant posture in prohibiting the use or possession of alcohol, drugs and/or drug paraphernalia on school property, on school buses, at school bus stops or at school sponsored activities.

A student who sells, uses, possesses, distributes, is under the influence of, and/or aids in the procurement of alcohol, restricted drugs, over-the-counter medication, any material purported to be a look-a-like drug, or drug paraphernalia while on school grounds or anywhere is subject to the provisions of this policy, including any disciplinary action.

Any student involved with these substances can expect the following consequences: suspension from school of 3 days up to 10 days, assignment of 12 – 18 sessions of detention, suspension from extra-curricular activities of 60 – 125 days and possible referral to local law enforcement. Depending upon the extent of involvement, students may be referred to the school board for an expulsion hearing.

SMOKING/TOBOCCO/VAPE USE (SBP #222)

For purposes of this policy, tobacco includes a lighted or unlighted cigarette, cigar and pipe; other lighted smoking product; smokeless tobacco in any form; and any oil or liquid/solid substance that produces the same physical manifestations that tobacco/smokeless tobacco/nicotine produces, as well as look-alike items/devices including, but not limited to electronic cigarettes.

MCKINNEY-VENTO HOMELESS EDUCATION PROGRAM (SBP # 251)

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently re-authorized in December 2015 by the Every Student Succeeds Act (ESSA).¹ The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. Local Educational Agencies are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths.

The law indicates that the LEA liaison shall ensure that all homeless children, youth and families are identified through coordinated activities with other entities.

2. Access to free meals and textbooks, Title I and other educational programs and other comparable services including transportation;
3. Attendance in the same classes and activities that students in other living situations also participate in without fear of being separated or treated differently due to their housing situations.

When a student is identified as being McKinney-Vento eligible, staff will:

- Provide school supplies and other school related materials as needed
- Advocate for and support students and families through school and home visits

excessive lunch balances, school equipment or uniforms, etc. Financial obligations will be invoiced through the Business Office and payment will be expected in thirty days. Past due invoices may be reported to the District Magistrate or a collection agency for resolution.

MEALS AND PAYMENT AT THE CAFETERIA

The Mifflinburg Area School District will continue to participate in the Community Eligibility Provision (CEP). Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications at their school.

To be on the notification registry, please do so in writing to Mr. George Boyer, IPM Coordinator, Administrative Office, 178 Maple Street, Mifflinburg, PA 17844 or by email at gboyer@mifflinburg.org

Screening for kindergarten is conducted in early spring.

Other screening activities are ongoing and include:

- Teachers' observations of students

MTSS (Multi Tiered System of Support)

Mifflinburg School District strives to support students academically and behaviorally on a case-by-case basis. Students who are struggling behaviorally, socially/emotionally, and/or academically may be referred for extra help by their classroom teacher(s), school counselor or building administrator. Parents will be notified before the MTSS team begins providing extra support to the student and will have the opportunity to discuss their student's needs with a member of the team.

In the event that an evaluation has been requested by parents to see if their student qualifies for Special Education support and the student has not been provided the opportunity to participate in MTSS, the request may be denied. If a denial for an evaluation occurs so MTSS can be implemented first, parents would be notified with a Notice of Recommendation of Educational Placement (NOREP) to provide documentation that the Mifflinburg Area School District is providing a different form of academic/behavioral intervention for the student first.

EVALUATION

A multidisciplinary team evaluates a child to determine whether a student exhibits a disability as defined under federal and state special education regulations. The team may include a special education teacher and supervisor, speech therapist, counselor and/or school psychologist in addition to the parent, a teacher and school principal. The team reviews the results of the evaluation contained in an evaluation report (ER) and determines if special education services are needed. If parents disagree with the results of the psycho-educational evaluation, they have a right to access an outside evaluation of their child. The Mifflinburg Area School District complies with all federal and state regulations and requirements regarding access to and provision of independent educational evaluations

If special education placement is recommended, the parents will be part of the team that develops an Individual Educational Program (IEP) for their child.

DUE PROCESS

Due process is a series of steps to ensure students have a free, appropriate public education. At each step in determining a child's needs for special education services, the parent has the right to disagree with the team's decisions. These decisions may be reviewed in a due process hearing if parents and school personnel cannot reach agreement.

IEP/NOREP

IEP: Every student receiving special education services must have an IEP, a written individualized education plan. Team members at the IEP meeting develop IEPs. Special education, related services, and any regular education programs or activities in which the child participates are described in the IEP.

To ensure that a child's IEP is appropriate for continued growth, the plan is reviewed when major changes must be made (if goals are met more quickly or slowly than expected, or if a child's needs change), and at least once a year. Parents should keep a copy of the IEP to follow their child's progress and contact the child's teacher if they have questions.

NOREP: Before an IEP can be implemented, the parent is asked to give approval for special education placement by signing a Notice of Recommended Educational Placement (NOREP). This legal document notes the type of program in which the child is to be enrolled. A child's NOREP is reissued whenever programming is changed. Parents should keep the NOREP with the child's IEP in a safe place.
