

First Google Account Login Directions

Log in using your **6 digit student ID number**@gltech.org

Link to Login: <https://www.gmail.com>

Username: studentID#@gltech.org

Password: student@123

A screenshot of the Google Account creation interface. At the top, it says "Create a strong password". Below that, a instruction reads "Create a new, strong password that you don't use for other websites". There are two input fields: the first is labeled "Create password" and the second is labeled "Confirm". To the right of the first field is an eye icon for toggling visibility. Below the fields, a requirement "At least 8 characters" is shown. A blue "Next" button is located in the bottom right corner.

You will be asked to create a new password, and enter it twice.

If you forget this password, please send an email to passwords@gltech.org with the student ID.
