

## Our Goals for Student Achievement

### Fayette County District Goals

- Increase student achievement and student growth.
- Improve internal and external communication (i.e., community, family and schools)
- Engage internal and external stakeholders

### Bennett's Mill Middle School Goals

- Increase achievement for all students
- Increase the number of BMMS students performing at grade level or above in reading lexile proficiency.
- Maintain a positive school climate and culture by focusing on supporting students, staff, and families.

### 2025-2026 Focus Areas

#### ELA

- Acquire and accurately use grade-appropriate general academic and domain-specific words and phrases.

#### Math

- Demonstrate an understanding of number systems, and write, interpret and manipulate expressions and equations.

#### Culture & Climate

- To increase family and community engagement.

## School-Family Compact

At Bennett's Mill Middle School (BMMS), we value school-family collaboration. School staff, students, and family members work together to create the compact by contributing ideas and strategies to help connect learning at school and at home. Staff members meet in teams to determine practical strategies for families to use at home. Students provide information about what they need to help them learn. During meetings, conferences, and workshops, family members provide feedback on what they need in order to help the student. In addition, family members are encouraged to participate in the annual Title I parent survey. Collaborative meetings are held to review and revise the compact, and all feedback is collected and reviewed in the annual meeting. Feedback is welcomed and encouraged throughout the entire school year.

#### Effective School-Family Compacts:

- Are connected to our school improvement plan
- Emphasize student learning and success
- Share strategies that can be used at school and at home
- Explain how effective communication can impact student progress
- Provide opportunities for family members to support student learning

#### Communication & Partnership

Bennett's Mill Middle School is deeply committed to building partnerships with parents, families, and community members for the success of our students and for the progress of our community. Family members are encouraged to attend scheduled activities and Parent University workshops. In addition, we encourage families to visit our Parent Resource Center during school hours. Opportunities for engagement will be communicated via Parent Square, Infinite Campus, our School Website, Parent Engagement Website, and/or our Parent Support Page on Facebook. For more information on engagement opportunities, contact our Student & Parent Support Teacher at Holt.Melanie@fcboe.org.

## School, Families and Students Working Together for Academic Success

### Responsibilities of Our School

BMMS Staff will work with students and families to support students' success by:

- Providing materials and resources for families to help support students' learning goals
- Helping students develop goals that focus on increasing skills in focus areas
- Offering academic support for all students throughout the school day and/or outside of school hours
- Updating Schoology and/or Infinite Campus on a weekly basis
- Communicating with families through Infinite Campus, Schoology, Parent Square, email and/or phone
- Recognizing academic achievement and positive behavior through incentives
- Providing stakeholders multiple opportunities to get engaged

### Responsibilities of Our Families

Families will work with staff to support student success by:

- Making sure my child is at school and on time each day
- Making sure contact information is current and up to date in Infinite Campus
- Logging into Schoology and/or Infinite Campus weekly and setting up notifications for missing work and failing grades
- Encouraging my child to attend help sessions
- Requesting materials and resources to help support my child's learning goals
- Following up with my child to make sure he/she has completed missing/incomplete assignments
- Reading school communications regularly and responding when needed
- Participating in conferences, workshops, activities and volunteer opportunities
- Ensuring that my child is ready for class and prepared with a charged Chromebook and needed materials

### Responsibilities of Our Students

Students will work to reach success by:

- Making sure that I am at school and on time to class each day
- Completing assignments and communicating with family members and teachers about the things I do not understand
- Using the websites and resources my teachers share with me to complete my work
- Staying on task during class
- Checking my assignments on Schoology daily
- Bringing necessary materials and my charged Chromebook to class each day
- Attending help sessions when I do not understand a concept
- Reviewing new vocabulary and math concepts concepts daily
