

The manner in which students dress for school and related school functions shall be appropriate for the learning environment. Students are expected to dress in a manner that does not interfere or disrupt the educational process. To ensure that a student's dress is appropriate, the following guidelines shall be followed:

- Students may not carry or wear anything that advertises drugs, alcohol, or tobacco products, or promotes/suggests lewd messages of race, violence, or violent behavior.
- Shorts or skirts should come to the end of the fingertips when the arms are held down at the student's side.
- Any frays or holes in jeans must be at or below the knees. Any frays in jeans that reveals skin above the knee must be worn with additional coverings underneath.
- Sunglasses will not be worn in the school building.
- No head coverings are to be worn in the school building.
 - Exceptions are given for religious or medical reasons.
- Hats, gloves, bandannas, combs, picks, or chains are not to be worn in the school building.
- Students cannot wear masks that promote alcohol, drugs, or suggestive language.
