

# ONGOING ATTENDANCE MONITORING

---

# Monitoring Attendance

## Monitoring attendance must be

- Intentional – Develop a plan that aligns with the school improvement plan.
- Assigned – Assign who (e.g. PBIS/MTSS Team) will be responsible for monitoring attendance
- Consistent – Schedule a team, at least on a monthly basis, to review attendance reports.
- Preventative – Do not wait for students to be chronically absent

# Ongoing Progress Monitoring

**Your implementation plan must include....**

Data collection and analysis of attendance numbers in comparison to baseline.

Monitoring of student progress, outcomes, responsiveness

Implementation fidelity Checks

Using Data to develop adaptations and enhancements based on student responsiveness and implementation fidelity
