Hope-Page School District Student Handbook

Welcome to the Hope-Page School District! We, the School Board, Superintendent, Principals, and Faculty members of the Hope-Page Schools have compiled and published this student handbook in the hope that it will answer the many questions that arise during the course of a school year. This handbook contains information concerning our schools and their policies. It is not an all-inclusive list of rules, but rather an outline of expectations and procedures, which contribute to the operation of our school. For more detailed policies and procedures go to www.hope-page.k12.nd.us. If you have any questions, please see your child's classroom teacher and the building principal. This is published to serve as a guide to all students and it is subject to change. We hope that you will keep this book and refer to it often. It is important that everyone involved thoroughly understand the organization, regulations, and activities of the Hope-Page School District. **Failure to know the contents will not excuse a student from following the adopted student policies.**

The administration and faculty welcome you and sincerely hope your school experiences will be interesting, challenging, and enjoyable. It is the student's decision as to the values placed upon what he/she wishes to achieve from school. The student will only receive out of school what he/she chooses to put into it.

FFI - PERSONAL ELECTRONIC COMMUNICATION DEVICES - PROHIBITION DURING INSTRUCTIONAL TIME

The **Hope-Page School District** is committed to providing the necessary support for academics and student well-being in a positive educational environment that is free from unnecessary, non-educational distractions. Personal electronic communication devices can be a distraction during instructional time and counterproductive to student focus and engagement. By prohibiting and limiting the use of personal electronic devices during the school day, this policy aims to provide students with more opportunities to engage in meaningful interactions, collaborate with peers, and cultivate the essential skills necessary for academic and life-long success. Therefore, it is the position of the State of North Dakota and the District that students and school employees shall abide by this policy, which prohibits the use of personal electronic communication devices as outlined herein.

Definitions

For the purposes of this policy and in accordance with North Dakota law, the following terms are defined as follows:

- a. Instructional time means the time from the start of the school day until dismissal at the end of the school day on school premises, for which the signal may be the ringing

Student contact with parents/ caregivers will not be unreasonably withheld, but the Superintendent may develop administrative policies and rules to ensure the orderly operation of the District and the educational process is not unnecessarily disrupted.

Parents and staff should refer to other District policies and regulations which may apply in the event of District-wide emergencies, student emergencies, and other health and safety events that may occur.

Enforcement Provisions

School employees are expressly prohibited from openly/ publicly discussing students' medical conditions, accommodations, or other legally-protected confidential information. Inquiries or concerns may be directed to administration, particularly when a staff member observes a student with a personal electronic device (that may fall under an exception), and the staff member does not directly instruct or supervise that student and may not be entitled to the student's confidential information protected under state or federal law.
- g. *Employee Use of Personal Electronic Communication Devices.* Employees are also expected to follow acceptable use of technology and professional code of conduct policies when using their own personal electronic communication devices during instructional time. Employees are expected to use personal devices during non-instructional times and other breaks in the school day.

1. **Student Expectations and Disciplinary Measures.** The District requires strict compliance with state law and this policy by students. Students who administration has found to have violated this policy may be subject to disciplinary consequences and/or corrective measures. When determining the appropriate response to violations of this policy, administration shall take into account the totality of circumstances surrounding the violation. Infractions of policy occur when a student knowingly and willfully violates this policy as determined by administration.

The District will develop administrative regulations or rules outlining the specific disciplinary procedures to ensure compliance with this policy and the law.

In administering the disciplinary measures above, administrators and school staff must adhere to the following guidelines:

- a. Staff members shall direct students to comply with policy and should address alleged infractions with administration.
- b. Only administration may determine an actual infraction of this policy and administer discipline.
- c. If administration determines that a student is in violation of this policy and the student refuses to turn over the device to administration, the infraction may move to the next level.
- d. At no time should a District administrator or staff member attempt to physically or forcibly take an electronic device from a student.

- e. Administration may also respond under other conduct and disciplinary policies and regulations when a student's conduct implicates additional policies, including violence, threats of violence, harassment, bullying, or any other unlawful conduct or student code of conduct violations.
- f. Administration is required to identify students with disabilities (including those covered under the IDEA, Section 504, the ADA, and any child-find obligations) and must address any alleged student infractions in compliance with special education policies, regulations, and applicable laws.

Searches of Personal Technology

If a student is using a school owned or approved device, a personal device on a limited or allowed basis, or a personal device that falls under another exception under this policy, then administration is authorized to search the device when there is reasonable suspicion of the following:

1. The device contains evidence of conduct or activity that may constitute a violation of policy or the law; or
2. There is a threat of danger or potential harm to self or others.

Only areas of the device reasonably related in scope to the purpose of the search will be subject to a search (e.g., if a student is texting inappropriate photos, only the device's text messages will be searched). Administration is authorized to contact legal counsel to help determine the appropriate scope of the search.

If administration suspects or finds that a device contains content that violates N.D.C.C. § 12.1-27.1-03.3 or other laws, they shall contact law enforcement. Under no circumstances shall school officials download or transfer sexually explicit content from a student's

personal technology. Law enforcement, including school resource officers, may communicate the need for probable cause to search a device and may provide a student or the District with a search warrant or subpoena for information or records.

Dissemination and Education

Upon the adoption and implementation of this policy, the District shall:

- a. Ensure the policy is communicated to students, parents, and authorized caregivers; and
- b. Publish the policy in student and personnel handbooks.

The District shall review and revise this policy as it determines necessary. The District shall also develop and implement electronic communication device education programs for students and staff professional development activities. School administration may develop guidelines to assist students and staff with complying with this policy.

Annual Data Collection & Documentation

In accordance with state law, the District must collect data annually with the goal of measuring the impact of this policy on student behavior, mental health, disciplinary incidents, school attendance, and academic performance.

LOCKERS

The school is not responsible for lost or stolen items. Each student will be assigned a hall locker the first day of school. **The lockers are the property of the Hope-Page School, and the school retains the right to inspect lockers at any time.** Lockers are to be used for storage of textbooks, supplies, coats, etc. Lockers should be kept clean and orderly. They will be inspected on the last day of school. 7-12 students are required to keep backpacks in their lockers during school hours. Please refer to School Board Policies FGCA and FGCB.

SPORTS AND RECREATION EQUIPMENT

Equipment needs to be stored in a designated area determined by school staff.

MONEY OR VALUABLES

Students are asked not to bring excessive amounts of money or valuable items to school. If it is necessary to bring such items to school, please do not leave these items in an unsecure area. **Students should lock money and valuables in a school issued locker or give them to the office for safekeeping.** If an item is stolen, please report the theft to a teacher or the office. The school is not responsible for lost or stolen items.

LIBRARY

All books will be checked out of the library during regular class periods. All books should be returned when you have completed reading them or after two weeks. If you are unable to find a book, notify the staff immediately. Books that have been taken off shelves need to be returned to the correct location or put in the return pile to be replaced. Any lost books or overdue fines will have to be paid if they are not found and returned by the end of the school year.

FIRE/TORNADO/LOCK DOWN

The classroom teacher will give complete information on all procedures to be followed in case of a fire or other emergency. Emergency drills will be held throughout the school year. Please become familiar with the procedures so that you will know where to go and what to do in case of an emergency.

STORMY WEATHER & BLIZZARDS

Parents/guardians who feel the weather or road conditions are so severe as to be hazardous are to exercise the same judgment for a student's attendance as with an illness. If school is in session, this will be considered an excused absence.

Parents will be notified of immediate announcements concerning weather and the postponement or cancellation of school or school related events by using the school emergency service direct contact system in the event of weather-related announcements. In this system, parents will receive a phone call, text message, or an e-mail to let them know of the changes. Please keep the school updated with your contact information if anything changes throughout the school year. Weather-related announcements will be aired over network tv and/or radio when possible. Hope-Page will also update its website and social media with weather-related announcements.

When a storm threatens during the day, you may be assured that students will not be permitted to leave the school building unless satisfactory arrangements have been made. If buses leave early, it will be announced over Blackboard Connect. Hope-Page also will update its website and send out a message using the Blackboard Connect 5 emergency service direct contact system with details related to an early dismissal.

In the event of a fast moving storm in which it is deemed too dangerous to send students out, all students will be kept at the school. They will be released only to parents, if requested. If buses do not run, students who drive will not be allowed to drive themselves home.

STUDENT CODE OF CONDUCT- Please also reference School District Policy FF

The following Hope-Page Student Code of Conduct identifies the desired expectations we have for our entire student body:

AS STUDENTS OF HOPE-PAGE PUBLIC SCHOOL, WE SHOULD BE:

1. Respectful
2. Responsible
3. Safe

We acknowledge that these are very general guidelines to follow; however, we feel that all student behaviors fit into one of these categories. Students should act in a manner that shows respect and responsibility for themselves, others and school property. In conjunction, students should keep their safety as well as the safety of others in mind when making decisions.

Please refer School Board Policy FF.

PERSONAL APPEARANCE

All students are expected to dress appropriately. Clothing styles or accessories, which are immodest, reveal a student's undergarments or are potentially dangerous, may not be worn at school. Midriffs and backs must be covered. Shorts, skirts, and dresses must be an appropriate length and coverage; guideline is no shorter than midhigh. Holes in jeans must meet the same criteria as shorts, skirts, and dresses. No alcohol, tobacco, drug, and any other items that are vulgar, obscene, profane, or advocating prejudice may be worn on clothing or otherwise displayed. Students will not be able to wear caps and hoods during the school day except for special events, fundraising activities or school approved exceptions. Students wearing inappropriate clothing based on the criteria above may be asked to turn their clothing inside out, put on a T-shirt or sweatshirt, sent home to change or asked to remove objectionable accessories. Administration and faculty are authorized to act in instances where individual dress does not meet the stated requirements.

Hope-Page School students are expected to dress and groom in such a manner that will not disrupt the educational process, will comply with health and safety standards, and that is not detrimental to the image of a public school. Inappropriate appearance includes, but is not limited to the following:

1. Clothing styles that can be hazardous in learning situations such as labs or shops - hairnets and other restraints may be required when operating power tools in lab areas.
2. Jackets, gloves, boots, and caps must be worn or in possession during winter travel.

BUS RIDING

The School Board has the authority and duty to establish rules for students riding a school vehicle including out of school activities. The Hope-Page School Board has adopted the following rules:

1. **Students who refuse to promptly obey the directions of the driver or refuse to obey the regulations, may forfeit the privilege of riding the bus. Serious incidents will be reported to the principal.**

2. *Students who do not carry or wear clothing suitable for North Dakota weather may forfeit the privilege of riding the bus.*

Students are expected to follow the student code of conduct as mentioned previously in the handbook. Likewise, students are expected to behave and make proper decisions. We feel confident that these general guidelines, when followed, will result in few areas of concern.

Students and/or parents need to inform the bus driver when or if a student is not going to ride the bus. Students are under the supervision of the bus driver when on the bus and are expected to comply with the driver's instructions at all times. The bus drivers have been informed to notify the school of any disciplinary problems. **Continued problems may cause students to lose their right to ride the school bus.** Please see School Board Policy: FCBB

WEAPONS/FIREARMS

Students are forbidden to knowingly possess, handle, carry, or transmit any weapon/firearm or dangerous instrument in any school building, on school grounds, in any vehicle, or at any school-sponsored activity. Violations will result in disciplinary action including suspension and/or expulsion. Please see School Board Policy: FFD

PROCEDURE FOR COMPLAINTS

It is the goal of the district to resolve the problems at the lowest appropriate level. Parents and school personnel should work together as a team to provide the best educational program for children. If a parent has a concern about a teacher's judgment of a student's work or behavior, a simple procedure can be followed to keep the line of communication open. Chain of Command is as followed: 1. Parent talks to teacher directly 2. If a satisfactory solution is not reached, the parent should confer with the building principal. 3. If the concern remains unresolved, then the parent should confer with the Superintendent of Schools. 4. Finally, if the complaint remains unresolved, the parent may appeal to the Board of Education. The parent should notify the Superintendent or the business manager in order to be placed on the board's agenda. Please see School Board Policy: KACA and KACB.

ATTENDANCE

State attendance laws govern students in any North Dakota public school. These laws require all children between the ages of 7 and 16 to be in attendance every day school is in session. The law cites illness and certain other incapacities as exceptions to this attendance requirement. The law provides local school boards that authority to establish standards for attendance. The Superintendent or designee shall establish criteria for requesting and granting approved absences, make-up work requirements, and parental notification processes for students with accumulated absences. Students shall be subject to academic sanctions due to unexcused absences. Accumulated absences in excess of 20 days may result in academic consequences. Please see School Board Policy: FFB.

ATTENDANCE PROCEDURES

Any day that a student is absent, the parent/guardian should call the school to report the student's absence, giving the name of the student and the reason for the absence. Before 9:00 a.m. on the morning of a student's absence, the parent or guardian is requested to call 668-2520 (Page) or 945-2473 (Hope) to inform the school. In the instance that the school has not been contacted you will receive an automated call notifying you of your student's absence. When a phone call is not possible, a note should

be sent with the student when they return to school. Any student who attempts to mislead the school regarding an absence will be subject to suspension or other disciplinary action.

Additional Notes:

1. Notification of any foreseeable absence (i.e.-appointments for doctor, dentist, orthodontist, optometrist, etc.) should be taken care of prior to the absence.
2. For all absences, a written note or phone call from the parent is needed stating the date of the absence and the reason for the absence.
3. When unable to attend school for any unforeseen reason, such as illness, a parent should call the school the morning of the absence.
4. Upon returning to school and prior to returning to class, 7-12 students must obtain a make-up slip from the office which is to be completed by the student's instructors.
5. If a student needs to leave the school early for any reason an early dismissal form should be obtained from the office, prior to the early departure.
6. Any student who becomes ill during the school day should report directly to the office, where help is available and parents can be contacted. The student should not leave the building without first checking with the office.
7. Participants in extra-curricular activities must be in attendance to school by 11:00 AM on a day of competition or practice session, provided the event or practice is occurring on a day in which school is being held. Exceptions can be granted by administration to attend these events. Such exceptions may include funerals, doctor and dentist appointments. Please see latest approved version of Maple River Coop Agreement.
8. Absences usually require make-up work, which is assigned by the teacher.
Please see School Board Policy: FFB.

TRUANCY

The State of North Dakota has defined truancy as being absent from 3 consecutive school days during the first or second semester, 6 half days during the first or second semester, or 21 class periods without consent of parent/guardian or school officials. Students under the age of 16 will be held accountable for their attendance in accordance with the North Dakota Century Code. The Hope-Page School District cooperates fully with social services and juvenile court in reporting truancy.

[EDUCATIONAL NEGLECT VS TRUANCY](#)

LEAVING THE SCHOOL GROUNDS

School officials must know where students are at all times during the school day. **Parental permission received through the office is required before a student may leave the school grounds. All students must sign out in the office prior to leaving.**

Please see School Board Policy: FFK and FFK-BR

ENROLLMENT OF SUSPENDED/EXPELLED STUDENTS

Any student who has been suspended or expelled from another district will not be permitted to enroll in the District until eligible to reenroll in his or her former district or until the Board or the Superintendent has reviewed the prior suspension and determines that the suspension was illegal or improperly given. Please see School Board Policy: FFK and FFK-BR

EXPULSION

Whenever an infraction is of such a severe nature that it disrupts the operation of the school, or student safety the following steps will be taken:

1. Student responsible will be suspended for up to 10 days
2. Parent(s)/guardian(s) will be notified
3. Hearing Officer will be notified
4. Hearing will be held
5. Decision will be made by Hearing Officer
6. If the Hearing Officer rules for an expulsion it may be for the remainder of the current term or twelve months

Administration may move for an expulsion hearing if a student has a series of suspensions during a school year.

Please see School Board Policy: FFK and FFK-BR

HEALTH INFORMATION ILLNESS GUIDELINES

Parents should call the school to advise school officials of the child's absence. If a child becomes ill while at school, the parents will be contacted so they can come immediately to the school to pick up the child. It is important that each parent provides a local name and phone number of a person who could be contacted in case of an emergency. The principal or secretary will also refer any suspected contagious cases to the parent for medical diagnosis.

Please see School Board Policy: ACBB.

Children with the following symptoms should not be sent to school and /or school activities

1. The staff determines the child is unwilling or unable to participate in activities due to illness.
2. The staff determines that they cannot care for the sick child without compromising their ability to care for the health and safety of the other children in the group.
3. The child has illness suggested by a fever (temperature at or above 101.0°F any location) along with difficulty breathing, changes in behavior, lethargy, irritability, persistent crying, or progressive rash fever.
4. The child experiences vomiting two or more times in the preceding 24 hours, unless determined to be caused by a non-communicable condition and the child is able to remain hydrated and participate in activities.
5. The individual has diarrhea and cannot self-contain stool.
6. Any indication of communicable diseases as listed on the communicable disease regulations
7. Undiagnosed rash or sores
8. Deep and severe cough, heavy or discolored nasal discharge
9. Contagious infection diagnosed by a physician symptoms. When the student is diagnosed by a physician to have a contagious infection and places the student on a prescription medication, the student may not return to school until they have taken the medication for a full 24 hours.

IMMUNIZATIONS

The parents or guardian of each child admitted to Hope-Page School shall present a certification from a licensed physician or authorized representative of the local public health unit that the child has received or is in the process of receiving immunization against diphtheria, pertussis, tetanus, measles, rubella, German measles, mumps, hepatitis B, meningitis, chicken pox, and poliomyelitis, except as exempted by law.

All students must be fully compliant with immunization requirements as mandated by NDCC 23-07-17.1. A student may have an exemption for immunization based on religious, philosophical, or medical reasons.

STUDENT ACCIDENT INSURANCE

Students will not be covered by school-sponsored accidental injury insurance. **All insurance claims are the responsibility of the parent's own private insurance carrier or other supplemental provider.**

All injuries occurring in school or while participating in school-sponsored activities here or elsewhere should be reported immediately to the teacher, advisor, or coach in charge and to the school principal. Parents will be notified. It is the parents' decision whether or not to seek medical attention and submit a claim to their insurance carrier.

All immunization records must be up to date by the end of the first quarter. Students who enroll during the year and do not have up to date immunization records must have the records within thirty calendar days of enrolling.

Students who are not compliant will not be permitted to attend school until they become compliant or until they have signed the exemption request for religious, philosophical, or medical reasons. Students enrolled in Hope-Page with exemption waiver,

will not be permitted in school, when a medical outbreak occurs. Health waived students may return when the local health unit has deemed the medical outbreak safe.

MEDICATION

School personnel may not dispense prescription medication to children unless licensed prescriber and parents have signed the "Prescription and Authorization for Medication Administration" form (<https://www.hope-page.k12.nd.us/cms/lib/ND02203044/Centricity/Domain/68/Medication%20Forms.pdf>) Non-prescription medication (over the counter medications, such as acetaminophen, cough syrup, etc.) will be administered according to the **manufacturer's recommendation as written on the bottle**. In addition, the parent or legal guardian needs to sign an authorization form. These forms are available at all school offices, at most clinics, and also on the schools' web site. A new form must be submitted at the start of the school year or when any changes occur from the original prescription order. All medication will be located in and dispensed from the school office or other designated areas. Medication must be sent to school in the original container. When a prescription is ordered at a pharmacy, you can request the order be placed in two bottles. An adult must pick up medication left at the end of the school year, or the office staff will dispose of it two weeks after school is completed for the year. For the school staff to give a student Ibuprofen, Tylenol, or Tums at school, we must first have the permission of the parent or legal guardian. Please see School Board Policy: ACBD and FCCA

STUDENT SELF ADMINISTRATION REQUIREMENTS

A parent/guardian and physician must sign a written form permitting his/her student to self-administer medication in school prior to the Hope-Page School District authorizing this action. A new authorization form is required anytime the student has a change in his/her medication regimen, when a new medication is to be provided, and at the beginning of each school year. The Self-Administration form is on the school website or can be obtained from the school nurse or office staff. Please see School Board Policy: ACBD.

LICE PROCEDURE

This is not a problem that limits itself to unclean homes and children. The head louse is not choosy, it finds its way into the cleanest homes. In order to control its spread in school, the following steps will be taken.

1. If signs of lice are discovered, the parents are notified and asked to treat the student. If proper treatment has been administered the child may return with a note from the parent stating the treatment used. A re-check by the school staff will be completed. If live lice are found, the child will be sent home for additional treatment.
2. If the parent believes the school is incorrect in its diagnosis, the student may return to school with a doctor's note stating no lice exist.
3. Follow-up checks of students who tested positive will be conducted after treatments.

EXTRACURRICULAR REQUIREMENTS

Students must be passing in all subjects to participate in extracurricular activities. Students on the ineligibility list will not be allowed to participate in any school-related activities for the duration of time they are on the ineligibility list. **Eligibility checks will be conducted weekly according to the Maple River Coop Agreement guidelines. Please refer to latest approved version of the Maple River Coop Agreement and NDHSAA guidelines and School Board Policy: FFE.**

Eligibility for the following semester will be determined by the NDHSAA www.ndhsaa.com. If a student fails a 9-week course, the weekly eligibility policy applies.

EXTRACURRICULAR ACTIVITIES INFRACTIONS/SUSPENSIONS NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION

Hope-Page Public School is a member of the North Dakota High School Activities Association. This voluntary organization has for its purpose to plan, direct, and sponsor competitive activities among member schools.

4. If the administration finds probable cause to believe that this rule has been violated, he/she shall give the student immediate notice of suspension.

DUAL SPORTS

Students in grades 7-12 will be allowed to participate in dual sports. Please see the building principal and athletic director for further information.

SCHOOL SPIRIT-SPORTSMANSHIP

Not every student is able to participate in athletics, but every student can help with school spirit. Do your part by encouraging each athlete to abide by the training rules and to keep doing his/her best. Above all, students are urged to support their team. Let all students try to follow the teams to the best of their abilities. While at the games, try to sit in one group to show others that we do support our team. A school can be remembered in other towns by the sportsmanship that it shows. Let's try to be good sports wherever we may be. Parents should be reminded of this too and be an example.

Please see Policy ABCB.

STUDENT ACTIVITIES/CHURCH RESERVED TIMES

1. **Wednesday nights** are reserved for church activities. Teachers and/or Co-Curricular Advisors are not to keep students after 6:00 PM unless cleared through the Principal and Superintendent's office. Please observe this regulation carefully and completely.

HOPE-PAGE NATIONAL HONOR SOCIETY

The National Honor Society (NHS) chapter of Hope-Page High School is a duly chartered and affiliated chapter of the prestigious national organization. Membership is open to those students who meet the required standards in four areas of evaluation: Scholarship, Leadership, Service, and Character. Juniors and Seniors who have earned a cumulative grade point average (GPA) of 3.5 or higher are invited in the fall of each school year to pursue membership in the Hope-Page High School Chapter of the National Honor Society. To be considered for membership, eligible candidates will be invited to complete and submit the application for membership. Applications are carefully reviewed by the 5-member faculty council to determine membership. A majority vote of the council is necessary for selection. Candidates are notified regarding selection or non-selection. Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members in the spring. Once inducted, new members are required to maintain the same level of performance (or better) in all four criteria that led to their selection. This obligation includes regular attendance at chapter meetings held during the school year, and participation in the chapter service projects. Students or parents who have questions regarding the selection process or membership obligations can contact the chapter adviser.

Hope-Page Cooperative School District Title VI, Title IX, ADA and Section 504 Nondiscrimination Policy Statement

DISCRIMINATION AND HARASSMENT GRIEVANCE PROCEDURE- School Board Policy AAC

The following procedure is designed to resolve discrimination, harassment, and retaliation complaints by and against students, parents, and third parties, as described in board policy, in a prompt and equitable manner. Board policy requires all students and staff to fully cooperate when asked to participate in a discrimination, harassment, or retaliation investigation. The procedure contained in this regulation supersedes the district's policies regarding complaints about personnel and bullying. For Title IX sexual harassment complaints, the procedure set forth in board regulation AAC-BR2, Title IX Sexual Harassment Grievance Procedure, will control and supersede this procedure.

Retaliation Prohibited

The District prohibits retaliation for an individual's participation in and/or initiation of a discrimination and/or harassment complaint investigation, including instances when a complaint is not substantiated. The consequences for violating this prohibition are delineated in Board policy AAC, Nondiscrimination and Anti-Harassment Board Policy.

Complaint Filing Format and Deadlines

A complaint may be filed verbally or in writing and should be filed as soon as possible after the discrimination, harassment, or retaliation allegedly occurred. Delays in filing a complaint may cause difficulties in the investigation.

With Whom Complaints May be Filed

A complaint may be filed with any district employee. District employees are required to report any discrimination or harassment to the appropriate grievance coordinator (Title IX, 504/Title II, or Nondiscrimination) when they knew (e.g., received a complaint, directly observed it) or should have known it was occurring (e.g., overheard students talking about an incident, saw discriminatory or harassing graffiti or vandalism on school property). Failure by a district employee to report under this regulation may result in disciplinary action.

Initiating Complaint Resolution Procedure

After receiving a discrimination and/or harassment complaint or gaining knowledge of potentially discriminatory and/or harassing conduct, the appropriate grievance coordinator shall contact the complainant, determine if an informal or formal investigation is appropriate, and determine if the complainant requests confidentiality. Requests for confidentiality must be handled in accordance with policy AAC.

Prohibition on Meeting with the Accused

At no time during the informal or formal resolution process shall the complainant be required to meet with the accused. If the appropriate grievance coordinator assigned to conduct or oversee the investigation is the accused, the Superintendent, or Board President (if the Superintendent is the accused) shall designate a different individual (which may be a third party) to carry out the accused's responsibilities associated with the investigation.

Third-Party Assistance

A school official responsible for conducting or overseeing discrimination and/or harassment investigations is authorized to receive assistance from the district's legal counsel throughout the process.

Investigation Timeframes

The informal resolution procedure must be completed within 30 days of a district employee reporting the complaint or incident to the appropriate grievance coordinator, unless the investigator documents reasons for delays and communicates these reasons to the complainant and accused.

The formal resolution procedure must be completed within 60 days of a district employee reporting the complaint or incident to the appropriate grievance coordinator or a complainant or accused terminating the informal complaint procedure, unless the investigator documents reasons for delays and communicates these reasons with the complainant and accused. Acceptable reasons for delays include extended school breaks when witnesses are not available, and complex cases involving multiple witnesses.

Interim Measures

Pending the final outcome of an informal or formal resolution, the District shall institute interim measures to protect the complainant and inform him/her of support services available. Interim measures may include a district-enforced no contact order, schedule changes, academic modifications for the complainant, and/or school counseling for the complainant. These interim measures should have minimal impact on the complainant. If the accused is a student, interim measures should also take into consideration the accused student's educational rights.

Informal Resolution Procedure

This procedure may only be used when mutually agreed to by the complainant, the accused, and the appropriate grievance coordinator. This procedure may not be used when the alleged discrimination and/or harassment may have constituted sexual violence or any other crime. The formal resolution procedure must be used whenever the informal procedure is not permitted.

During the informal resolution process, the investigator shall gather information necessary to understand and resolve the complaint. Based on this fact-gathering process, the investigator shall propose an informal resolution, which may include requiring the accused to undergo training on discrimination and/or harassment, requiring all students and staff to undergo such training, instituting protection mechanisms for the complainant, and/or holding a formal meeting with the accused to review the nondiscrimination and anti-harassment policy and discuss the implications of violating it. Both the complainant and the accused must agree to the informal resolution before it can be instituted.

The appropriate grievance coordinator shall monitor the implementation and effectiveness of the informal resolution procedure and initiate the formal resolution procedure if discrimination and/or harassment persists.

Both the complainant and the accused have the right to terminate the informal resolution procedure at any time to pursue a remedy under the formal resolution procedure.

Formal Resolution Procedure

This procedure must be used whenever the informal resolution procedure is not used.

Whenever alleged discrimination or harassment may have constituted a crime, the Superintendent should contact law enforcement and enter into a memorandum of understanding concerning sharing of evidence and coordination of the

investigation. However, the District shall proceed with its investigation and this resolution procedure, regardless of the criminal investigation or outcome.

The fact-gathering portion of the investigation must be carried out or overseen by the appropriate grievance coordinator and must consist of interviews with the complainant, the accused, and any others who may have witnessed or otherwise have knowledge of the circumstances giving rise to the alleged complaint and may involve gathering and review of information relevant to the complaint. Both the complainant and accused will have equal opportunity to present evidence and name witnesses. Witnesses must be instructed not to discuss this matter with others.

The fact-gathering portion of the investigation must be completed as soon as practical.

Investigation Report

After the fact-gathering process is complete, under the formal resolution procedure, the appropriate grievance coordinator shall complete a written report containing a determination of whether allegations were substantiated, whether the nondiscrimination and anti-harassment policy was violated, and recommendations for corrective action, if any. The appropriate grievance coordinator shall assess if discrimination and/or harassment "more likely than not" occurred based on the following criteria:

1. Whether evidence suggests a pattern of conduct supportive of disproving the allegations of discrimination and/or harassment;
2. Whether behavior meets the definition of discrimination, harassment, and/or sexual harassment as defined in board policy;
3. Ages of the parties involved;
4. Relationship between the parties involved;
5. Severity of the conduct;
6. How often the conduct occurred, if applicable, and;
7. How the District resolved similar complaints, if any, in the past.

The investigation report must indicate if any measures are to be instituted to protect the complainant. Such measures may include extending any interim protection measures taken during the investigation. The report must also inform the complainant of support services available, which at a minimum must include offering school counseling services if the complainant is a student.

The investigation report must contain a monitoring plan to evaluate the effectiveness of the resolution and help prevent recurrence.

Disciplinary Action

Any disciplinary action must be carried out in accordance with board policy, law, and, when applicable, the negotiated agreement.

The appropriate grievance coordinator along with the building principal shall determine if a recommendation for expulsion for an accused student should be made.

The appropriate grievance coordinator along with the Superintendent shall determine if a recommendation for discharge for an accused employee should be made.

If this recommendation is made and a hearing is required, the hearing must be held in accordance with district policy and law.

Both the complainant and accused shall have an equal right to attend the hearing, have a representative and parent (if student) present, present evidence, and question witnesses.

The complainant may choose to appoint a representative to participate in the hearing in his/her stead.

Notice of Outcome

Both the complainant and the accused must be provided with written notice of the outcome of the complaint.

Nothing shall prevent the parties from seeking judicial redress through a court of competent jurisdiction or through any applicable state or federal complaint procedures.

Records Retention

Investigation materials must be retained by the appropriate grievance coordinator (504/Title II, or Nondiscrimination) for at least six years. All Title IX sexual harassment records and training materials shall be maintained in accordance with federal regulations and board regulation AAC-BR2.

ON-LINE CLASS PROCEDURES

The Hope-Page School Board realizes the importance of a well-rounded education and attempt to do the best to maintain that environment. However, due to a diverse student population there is no way to hire a teacher that will provide classroom instruction to meet every student's need. Every possible effort will be made to allow a student to have the opportunity to qualify for the ND Academic or Technical Scholarship programs if they are willing to put in the extra effort.

The following priorities will be applied in offering class options to students:

1. Required classes taught by onsite teachers at Hope-Page in a curriculum to meet most students' needs.
2. Classes offered over the ITV that the Hope-Page Schools can take part in within the limitations of only two available ITV classroom setups. The administration will give consideration to the number of students interested in a course and/or individual circumstances as required.
3. Online classes approved through a vendor accredited by North Dakota Department of Public Instruction. (NDCDE & State colleges and universities.)

Please see School Board Policy: GACG.

If the alleged violation implicates the Superintendent, the school staff member shall file it with the Board President.

Should school administration determine that a school staff member knew of or suspected a violation of this policy and failed to report it in accordance with the procedure above, the staff member may be subject to disciplinary consequences or, for sponsors of school-sanctioned activities, other corrective measures.

2. Reporting options for students and community members: Students and community members (including parents) may report known or suspected violations of this policy using any of the following methods:

- a. Completing a written complaint form: A complaint will have the option of including his/her name on this form or filing it anonymously. This District will place the form in a variety of locations throughout the school and should inform students and staff of these locations. The form may be returned to any school staff member, filed in a school building's main office, or placed in a designated drop box located in each school.

- b. Complete and submit an online complaint form. A complaint will have the option of including his/her name on the form or submitting it anonymously.
- c. File an oral report with any school staff member.

A complaint filed anonymously may limit the district's ability to investigate and respond to the alleged violations.

Reporting to Law Enforcement & Others Forms of Redress Anytime a school staff member has reasonable suspicion that a bullying incident constituted a crime, he/she shall report it to law enforcement. Also, nothing in this policy shall prevent a victim/his/her family from seeking redress under state and federal law.

Documentation & Retention

The District shall develop a form to report alleged violations of this policy. The form should be completed by school staff when they:

1. Initiate a report of an alleged violation of this policy; or
2. Receive an oral report of an alleged violation of this policy.

The form should be completed by an administrator when he/she:

1. Initiate a report of an alleged violation of this policy; or
2. Receives an oral report of an alleged violation of this policy.

All written reports of an alleged violation of this policy received by the District shall be forwarded to the appropriate school administrator for investigation and retention.

Report forms and all other documentation related to an investigation of an alleged violation of this policy shall be retained by the District for six years after a student turns 18 or graduates from high school, whichever is later. If a student does not graduate from the District, such reports and investigation material shall be retained for six years after the student turns 18.

Investigation Procedures

School administrators (i.e., a principal, an assistant superintendent, or the Superintendent) are required to investigate violations of this policy (as prescribed under "Prohibitions"), when in receipt of actual notice of an alleged violation. Actual notice of an alleged violation occurs when alleged bullying, reprisal, retaliation, or false reporting is reported using the applicable method(s) prescribed in the reporting section of this policy.

Upon receipt of a report of an alleged policy violation, the designated administrator shall first determine if the alleged policy violation is based on a protected class-whether actual or perceived. Reports involving a protected class shall be investigated in accordance with the district's harassment/discrimination policy, including the timelines contained therein.

In all other cases, administration shall determine the level of investigation necessary based on the nature of the alleged violation of this policy after considering factors such as, but not limited to: the identity of the reporter and his/her relationship to the victim/alleged perpetrator; the ages of the parties involved; the detail, content and context of the report; whether this report is the first of its type filed against the alleged perpetrator. Based on the level of investigation the administrator deems necessary, investigations may include any or all of the following steps or any other investigatory steps that the administrator deems necessary.

- Identification and collection of necessary and obtainable physical evidence (Note: In some cases physical evidence may be unobtainable, e.g., private social networking profile);
- Interviews with the complainant, the victim, and/or the alleged perpetrator. At no time during an investigation under this policy shall the victim/complainant be required to meet with the alleged perpetrator.
- Interviews with any identified witnesses.
- A review of any mitigating or extenuating circumstances.
- Final analysis and issuance of findings in writing to the victim and bully and, if applicable, implementation of victim protection measures and disciplinary under this or other applicable policies.
- Investigations shall be completed within 60 days unless the administrator documents good cause for extending this deadline. Such documentation should be sent to the victim and alleged perpetrator during the investigation.

Disciplinary & Corrective Measures

Students that the District has found to have violated this policy shall be subject to disciplinary consequences and/or corrective measures. When determining the appropriate response to violations of this policy, administration shall take into account the totality of circumstances surrounding the violation. Measures that may be imposed include, but are not limited to:

- Require the student to attend detention.
- Impose in- or out-of-school suspension or recommend expulsion. Due process procedures contained in the district's suspension and expulsion policy shall be followed.
- Recommend alternative placement. This recommendation shall be submitted to the Superintendent for approval or denial. The Superintendent may approve such recommendations only if the student has been given notice of the charges against him/her and an opportunity to respond.
- Create a behavioral adjustment plan.
- Refer the student to a school counselor.
- Hold a conference with the student's parent/guardian and classroom teacher(s), and other applicable school staff.
- Modify the perpetrator's schedule and take other appropriate measures (e.g., moving lockers) to minimize contact with the victim.
- If applicable, contact the administrator of the website on which the bullying occurred to report it.
- If the misconduct does not meet this policy's definition of bullying, it may be addressed under the other district disciplinary policies.
- For bullying initiated off campus and received on campus (e.g. cyber bullying), the District only has the authority to impose disciplinary measures if the bullying substantially disrupted the educational environment or posed a true threat. In all other cases of bullying received on campus, the District may only take corrective measures as described in items five through eight above.
- If the perpetrator is a school staff member, the District shall take appropriate disciplinary action including, but not limited to; a reprimand, modification of duties (only if allowed by applicable policy, the negotiated agreement, and/or the individual's contract), suspension, or a recommendation for termination/discharge in accordance with any applicable law.

Victim Protection Strategies

When the District confirms that a violation of this policy has occurred, it should notify the victim's parents and shall implement victim protection strategies. These strategies shall be developed on a case-by-case basis after administration has reviewed the totality of the circumstances surrounding the bullying incident(s) or other violations of this policy. Strategies may include, but not be limited to, the following:

- Additional training for all students and applicable staff on implementation of this policy and/or bullying prevention.
- Notice to the victim's teachers and other staff to monitor the victim and his/her interaction with peers and/or the assignment of a staff member to escort the student between classes.
- Assignment of district staff to monitor, more frequently, areas in the school where bullying has occurred.
- Referral to counseling services for the victim and perpetrator.
- Modification of the perpetrator's schedule and other appropriate measures imposed on the perpetrator (not the victim) to minimize the perpetrator's contact with the victim.
- Prevention Programs & Professional Development Activities in accordance with law, the District shall develop and implement bullying prevention programs for all students and staff professional development activities.

The high school will plan its own graduation exercises, with the faculty and senior class working together. The date of graduation will be scheduled when the school board adopts the school calendar.

Only students who have completed all credits, coursework and graduation standard requirements for graduation may participate in graduation exercises and receive a diploma.

All students participate in graduation ceremonies, as diploma candidates will wear caps and gowns as approved by the school.

HOMEWORK PROCEDURES

Daily work, sometimes referred to as formative assessment, is an important part of the learning process. This work is designed to guide the student through the learning process by giving them feedback on their progress towards the learning outcomes of the unit. Some of this work is collected by the classroom teacher and assigned a grade with feedback and some of this work will only receive feedback without a grade. At times this work needs to be completed outside of the regular class period. The additional time spent outside the classroom allows each student additional practice and furthers their understanding of the classroom content.

Daily work done in a timely manner is an essential part of the learning process and therefore will have a due date set by the classroom teacher.

The following items demonstrates the value Hope-Page puts on daily work for each course:

- If a student hands in the completed assignment by the due date, they will receive full credit for their work.
- If the student fails to hand in the required assignment by the due date, the student will still be responsible for turning in their work.
- Late assignments will be documented in PowerSchool and in the Work Habit Rubrics.

HONOR ROLL

Honor rolls will be calculated after each grading period. Students who average 3.50 and above will be on the “A” honor roll, while students who average between 3.00 and 3.49 will be on the “B” honor roll.

REPORT CARDS AND CONFERENCES

High School report cards are issued at the end of each nine-week period to inform both the student and parent(s)/guardian(s) regarding student progress in each subject. Elementary report cards are issued at the end of each 12-week period. Parent/teacher/student conferences are scheduled at least twice a year, but communication is encouraged with all your students teachers throughout the school year as needed. These conferences will be for parents with students in all grades. Report cards can be accessed in Powerschool at the end of grading periods.

COURSE REGISTRATION

All students plan their four-year courses in cooperation with their parent(s)/guardian(s) and the school counselor or principal. This course selection serves as a guide for registration each succeeding year. Students are registered for the next school term during the second semester.

Students will register prior to the beginning of each semester. Students must have approval from the administration to make any schedule changes.

All students must be enrolled in a class each period of the day.

EARLY ENTRY (DUAL CREDIT)

The early entry program allows 10th-12th graders in North Dakota’s public schools to take courses offered by approved post-secondary institutions for both high school and post-secondary credit. The program provides students with a greater variety of class offerings and the opportunity to pursue more challenging course work. Students interested in participating in this program should see the principal or school counselor.

HOPE-PAGE TIME

An advisory period will be scheduled during the day to provide students with additional support for specific subject areas. Students are assigned a classroom for grades 7-12 but can go to other teachers if stamped or if they need other assistance.

SCHOOL COUNSELOR

The school counselor is in the school to help each student become a well-adjusted, competent, and responsible young adult. The school counselor is here to assist the student in course selection, study habits and organization, grades, testing and placement, student-teacher relations, college selection and requirements, financial aid, job opportunities, training programs available, and to assist with personal problems of group and family nature.

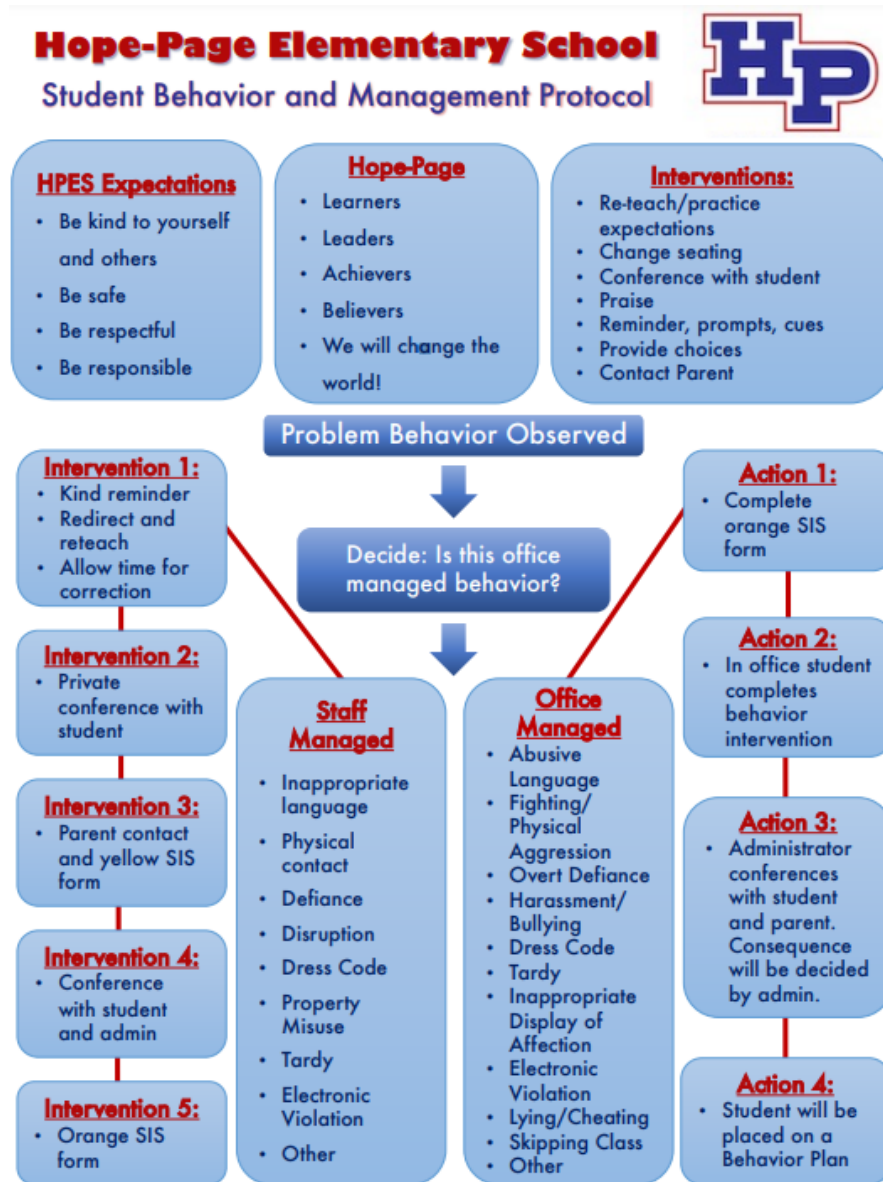

In conjunction with counseling, the testing program at Hope-Page Public School is used to monitor, track, and assist students in their academic performance. State standardized tests are administered annually to students in grades mandated by the state department of education.

TEACHER HOURS

Parents may contact a staff member from 8:00 a.m. to 8:20 a.m. and after school from 3:30 p.m. to 4:00 p.m. except Friday after school. Teachers will hold office hours and post them outside of their classrooms. Please do not call to talk to a teacher during

classroom times. Teachers will not be called to the phone unless there is an emergency. You can also check the school's website for quick access to teacher email addresses.
